G-Cloud lot:	This Call-Off Contract is for the provision of Services under: Lot 2 - Cloud software												
G-Cloud services required:	The Services to be provided by the Supplier under the above Lot are listed in Framework Section 2 and outlined below. It is acknowledged by the Parties that the volume of the G-Cloud Services utilized by the Customer may vary from time to time during the course of this Call-Off Agreement, subject always to the terms of the Call-Off Agreement Lot 2 SaaS Risk Manager Force.com application subscriptions: Year One* <table> <tr> <td>5 System Administrators at £1,200 per Subscription</td><td>£6,000.00</td></tr> <tr> <td>First 10 Subscriptions 1-10 Standard users at £730</td><td>£7,300.00</td></tr> <tr> <td>Next 40 Subscriptions 11-50 Standard Users at £550</td><td>£22,000.00</td></tr> <tr> <td>Next 100 Subscriptions 51-150 Standard Users at £375</td><td>£37,500.00</td></tr> <tr> <td>Next 150 Subscriptions 151-300 Standard Users at £250</td><td>£37,500.00</td></tr> <tr> <td>Next 65 Subscriptions for 300+ Standard Users at £160</td><td>£10,400.00</td></tr> </table> Sub-total for User Subscriptions: £120,700 Full Sandbox @ 5% of total subscriptions: £6,035 Sub-total Subscriptions + Sandbox: £126,735 Support at 15% of Subscription + Sandbox: £19,010.25 TOTAL: £145,745.25 [Note: Action Email Notification now not separately priced and included in user subscriptions above] * Additional Risk Manager subscriptions for more than 365 users purchased during the contract years will be charged at £160.00 plus 5% for Full Sandbox and 15% for Help Desk Support per subscription per annum pro rata for the remaining months/days of that year (annual renewal date 20 March). For the avoidance of doubt the per Risk Manager User subscriptions/licenses prices shown in this service are not promotional nor on a one-time basis. A reduction in total Risk User Subscriptions would result in an increase in price per Risk Manager User Subscription as follows: The Buyer may only decrease the number of Risk Manager User Subscription on the annual renewal date for the respective User Subscriptions, subject to Buyer providing Supplier with at least 45 days' written notice that Buyer wishes to decrease the number of User Subscriptions. If the number of Risk User Subscriptions are decreased, the applicable increased price per Risk User Subscription (as detailed above) will be applied to Buyer's annual renewal price depending on the total remaining of user subscriptions. Xactium will deliver the Help Desk Support in accordance with the "Xactium Support Schedule for Support Services" (see Schedule 1) for the period from 20 March 2019 to 19 March 2020. SCHEDULE 1

SUPPORT SERVICES

This Support Schedule is supplemental to, and shall be read in conjunction with, the Agreement. All defined terms in the Agreement shall apply in this Support Schedule unless stated otherwise.

1. INTERPRETATION

1.1 In addition to the definitions in the Agreement, the following definitions apply in this Support Schedule.

Definitions:

Customer Cause;	any of the following causes:
	(A) any improper use, misuse or unauthorised alteration of the Solution by You;
	(B) any use of the Solution by You in a manner inconsistent with the Documentation;
	(C) the use by You of any hardware or software not provided by Us or approved by Us in the Statement of Work for use by You in connection with the Solution;
	(D) where the issue is determined to be caused by a third party that is engaged by You to provide other software and/or services on Your behalf, or
	(E) the use of a non-current version of the Core Solution or a version which is more than 2 major releases older than the current version of the Core Solution.
Defect;	any failure of the Solution to operate in material respects in accordance with the Documentation.
Scope of Support;	the scope of the Support Services as set out in paragraph 2.2 of this Support Schedule;
Service Levels;	the service level responses and response times referred to in paragraph 4.8 of this Support Schedule.
Support Hours;	Our standard hours of support being 9.00am and 5.30pm UK local time on each Business Day.
Support Request;	a request made by You in accordance with this Support Schedule in relation to the Solution for correction of a Defect.
Support Services;	maintenance and support of the Solution within the Scope of Support.

2. SUPPORT SERVICES

2.1	From the start of the Subscription Term in respect of the Core Solution and from the expiry of the Warranty Period in respect of each Customisation We shall perform the Support Services during the Support Hours in accordance with the Service Levels.
2.2	As part of the Support Services, We shall:
2.2.1	provide portal support via the support portal email support using support.desk@xactium.com or provide telephone support using telephone number +44 (0)114 2505315; and
2.2.2	correct all Defects notified under paragraph 4 in accordance with the Service Levels using commercially reasonable efforts.
2.3	Support Services do not include (without limitation) training, guidance on how to use the Solution beyond the Warranty Period specified in respect of each Customisation, any configuration to the Solution or reports, or any other matters which are not specified expressly in paragraph 2.2
2.4	Any higher-level support requested by You and provided by an Individual whose qualification or experience is greater than that reasonably necessary to resolve the relevant Support Request shall be deemed to be outside of the Scope of Support
2.5	We may reasonably determine that any services are outside the Scope of Support. If We make any such determination, We shall promptly notify You of that determination.
2.6	You acknowledge that We are not obliged to provide support outside the Scope of Support.
2.7	The provision of Support Services on a remote, off-site basis (such as via the support portal, email or over the telephone) within the Scope of Support shall be included in the Fees.
2.8	Where We are requested to provide Support Services to You on-site at Your premises, We shall use reasonable endeavours to accommodate such request. The provision of Support Services which are deemed to be outside the Scope of Support or provided at Your site or supplied after the Subscription Term has ended, shall be charged for at Our applicable standard daily rates then in place, plus any travel and accommodation costs.

3. SUBMITTING SUPPORT REQUESTS AND ACCESS

3.1	You may request Support Services by way of a Support Request.
3.2	Each Support Request shall include a description of the problem and the start time of the Defect.
3.3	You shall provide Us with:
3.3.1	prompt notice of any Defects; and
3.3.2	such output and other data, documents, information, assistance and (subject to compliance with all Your reasonable security and encryption requirements notified to Us in advance in writing) remote access to Your system, as are reasonably necessary to assist Us to reproduce operating conditions similar to those present when You detected the relevant Defect and to respond to the relevant Support Request.

4. SERVICE LEVELS

4.1	We shall:
4.1.1	prioritise all Support Requests based on Our reasonable assessment of the severity level of the problem reported; and
4.1.2	respond to all Support Requests in accordance with the Service Levels.
4.2	The parties may, on a case-by-case basis, agree in writing to a reasonable extension of the Service Level response times.
4.3	We shall have no liability and no responsibility for providing Support Services which arise due to Customer Cause. Where such instances occur, We may, at Our absolute discretion, agree to provide Support Services in respect thereof, but shall have no obligation to rectify the issue. Further We shall be permitted to charge You separately for the time spent by Us in dealing with the issue based on Our daily rates then in place.
4.4	If a Defect is not resolved within the relevant Service Levels, You may escalate the Support Request to the parties' respective relationship managers and then to their respective senior management.
4.5	The definitions of Severity Levels for Defects are as detailed in paragraph 4.6.
4.6	Severity Level Definition • Severity 1 - Critical. A problem with Our Solution causing critical impact to Your business operation. No workaround is immediately available and work using the Solution cannot continue. • Severity 2 - Serious. A problem with Our Solution causing significant impact to Your business operation. A workaround is available but is unacceptable on a long-term basis. • Severity 3 - Moderate. A problem with Our Solution that impairs some functionality, but a practical workaround exists. • Severity 4 - Minor. A problem with Our Solution that does not affect Your required functionality of the Solution.
4.7	You recognise that the Solution is not business critical to You and agree that all work and expected targets are within Normal Business Hours. We agree to the Service Levels in paragraph 4.8 for the Severity Levels.
4.8	Service Levels • Severity 1 - Critical. We will commence work to investigate the Defect immediately upon receiving Your Support Request via phone call, e-mail or Our web portal. You will provide evidence of the Defect with the Support Request, pursuant to paragraph 3.3 above. We will provide a fix within 2 Business Days of receiving the Support Request in respect of the Severity Level 1 Defect and provide updates on progress of the investigation and fix every 4 hours. If a fix is not possible within 2 Business Days then We will provide a workaround within 2 Business Days and the Defect will be re-assessed to Severity Level 2. • Severity 2 - Serious. We will commence work to investigate the Defect within 2 Business Days of receiving Your Support Request via phone call, e-mail or Our web portal. You will provide evidence of the Defect with the Support Request, pursuant to paragraph 3.3 above. We will provide a fix within 5 Business Days of receiving Your Support Request in respect of the Severity 2 Defect and provide updates on progress of the investigation and fix every 2 Business Days. • Severity Level 3 - Moderate. We will commence work to investigate the Defect within 5 Business days of receiving Your Support Request via phone call, e-mail or Our web portal. You will provide evidence of the Defect with the Support Request, pursuant to paragraph 3.3 above. We will provide a fix within 10 Business Days of receiving Your Support Request in respect of the Severity 3 Defect and provide updates on progress of the investigation and fix every 5 Business Days. • Severity Level 4 - Minor. We will commence work to investigate the Defect within 10 Business days of receiving Your Support Request via phone call, e-mail or Our web portal. You will provide evidence of the Defect with the Support Request, pursuant to paragraph 3.3 above together. We will provide a fix within 25 Business Days of receiving Your Support Request in respect of the Severity 4 Defect and provide updates on progress of the investigation and fix every 10 Business Days.
4.9	For the avoidance of doubt, any changes required to the Core Solution, the Customisations or the Services are not included as part of the Support Services and any such request shall be dealt with through a formal Change Request in accordance with Clause 13 of the Xactium Master Subscription and Services Agreement.
4.10	We will advise You when investigation of a Defect reveals that the problem is within the underlying Force.com and/or Salesforce.com functionality. We will then take over the problem and progress through the Force.com Application Development Support as appropriate. We will progress the fixing of the Defect with the same priority. The resolution time for such Defects is outside of Our control, and therefore not subject to Our Service Levels.
4.11	You agree to grant access to Your Salesforce account in order to be able to diagnose and fix the Defect. The resolution time for the Defect will be effective from the time that access is granted.
4.12	You agree that You are responsible for any Defects or issues resulting from Your own configuration or customisation of the Solution and/or Services.
4.13	You recognise that the application Disaster Recovery capability is driven by the provision of these services from Salesforce.com. We agree that in the event of a disaster to the computing platform and supporting infrastructure that the Solution is operating on, We will take the lead on the resolution of the problem with the Salesforce.com Application Development Support and keep You updated with 4 hourly updates of progress. We also recommend that You make use of the monthly data export facility within Salesforce in order to keep a local backup of Your data.

Schedule 2 - Call-Off Contract charges

For each individual Service, the applicable Call-Off Contract Charges (in accordance with the Supplier's Digital Marketplace pricing document) for per User Subscription can't be amended during the term of the Call-Off Contract. The detailed Charges breakdown for the provision of Services during the Term will include:

- 20 Mar 2019 to 19 Mar 2020. System Administrator and Full User Annual Subscriptions for Xactium Risk Manager: 5 x £1,200.00 plus 10 x £730.00 plus 40 x £550 plus 100 x £375 plus 150 x £250 plus 60 x £160 plus 5% Sandbox and 15% Help Desk Support = £145,745.25. Total per annum £145,745.25. Note: in-year purchases of additional subscriptions will be at £160 pro-rata for the remaining number of days up to the anniversary date of 19 Mar 2020.
- Help Desk Support 20 Mar 2019 to 19 Mar 2020 at 15% of Xactium per annum subscription price above.

Part B - Terms and conditions

1. Call-Off Contract start date and length

- 1.1 The Supplier must start providing the Services on the date specified in the Order Form.
- 1.2 This Call-Off Contract will expire on the Expiry Date in the Order Form. It will be for up to 24 months from the Start Date unless Ended earlier under clause 18 or extended by the Buyer under clause 1.3.
- 1.3 The Buyer can extend this Call-Off Contract, with written notice to the Supplier, by the period in the Order Form, as long as this is within the maximum permitted under the Framework Agreement of 2 periods of up to 12 months each.
- 1.4 The Parties must comply with the requirements under clauses 21.3 to 1.8 if the Buyer reserves the right in the Order Form to extend the contract beyond 24 months.

2. Incorporation of terms

- 2.1 The following Framework Agreement clauses (including clauses and defined terms referenced by them) as modified under clause 2.2 are incorporated as separate Call-Off Contract obligations and apply between the Supplier and the Buyer:

- 4.1 (Warranties and representations)
- 4.2 to 4.7 (Liability)
- 4.11 to 4.12 (IR35)
- 5.2 to 5.3 (Force majeure)

- any audit provisions from the Framework Agreement set out by the Buyer in the Order Form

2.2 The Framework Agreement provisions in clause 2.1 will be modified as follows:

- a reference to the 'Framework Agreement' will be a reference to the 'Call-Off Contract'
- a reference to 'CCS' will be a reference to 'the Buyer'
- a reference to the 'Parties' and a 'Party' will be a reference to the Buyer and Supplier as Parties under this Call-Off Contract

2.3 The Framework Agreement incorporated clauses will be referred to as 'incorporated Framework clause XX', where 'XX' is the Framework Agreement clause number.

2.4 When an Order Form is signed, the terms and conditions agreed in it will be incorporated into this Call-Off Contract.

3. Supply of services

3.1 The Supplier agrees to supply the G-Cloud Services and any Additional Services under the terms of the Call-Off Contract and the Supplier's Application.

3.2 The Supplier undertakes that each G-Cloud Service will meet the Buyer's acceptance criteria, as defined in the Order Form.

4. Supplier staff

4.1 The Supplier Staff must:

- be appropriately experienced, qualified and trained to supply the Services
- apply all due skill, care and diligence in faithfully performing those duties
- obey all lawful instructions and reasonable directions of the Buyer and provide the Services to the reasonable satisfaction of the Buyer
- respond to any enquiries about the Services as soon as reasonably possible
- complete any necessary Supplier Staff vetting as specified by the Buyer

4.2 The Supplier must retain overall control of the Supplier Staff so that they are not considered

to be employees, workers, agents or contractors of the Buyer.

- 4.3 The Supplier may substitute any Supplier Staff as long as they have the equivalent experience and qualifications to the substituted staff member.
- 4.4 The Buyer may conduct IR35 Assessments using the ESI tool to assess whether the Supplier's engagement under the Call-Off Contract is Inside or Outside IR35.
- 4.5 The Buyer may End this Call-Off Contract for Material Breach if the Supplier is delivering the Services Inside IR35.
- 4.6 The Buyer may need the Supplier to complete an Indicative Test using the ESI tool before the Start Date or at any time during the provision of Services to provide a preliminary view of whether the Services are being delivered Inside or Outside IR35. If the Supplier has completed the Indicative Test, it must download and provide a copy of the PDF with the 14-digit ESI reference number from the summary outcome screen and promptly provide a copy to the Buyer.
- 4.7 If the Indicative Test indicates the delivery of the Services could potentially be Inside IR35, the Supplier must provide the Buyer with all relevant information needed to enable the Buyer to conduct its own IR35 Assessment.
- 4.8 If it is determined by the Buyer that the Supplier is Outside IR35, the Buyer will provide the ESI reference number and a copy of the PDF to the Supplier.

5. Due diligence

- 5.1 Both Parties agree that when entering into a Call-Off Contract they:
 - have made their own enquiries and are satisfied by the accuracy of any information supplied by the other Party
 - are confident that they can fulfil their obligations according to the Call-Off Contract terms
 - have raised all due diligence questions before signing the Call-Off Contract
 - have entered into the Call-Off Contract relying on its own due diligence

6. Business continuity and disaster recovery

- 6.1 The Supplier will have a clear business continuity and disaster recovery plan in their service descriptions.
- 6.2 The Supplier's business continuity and disaster recovery services are part of the Services and will be performed by the Supplier when required.
- 6.3 If requested by the Buyer prior to entering into this Call-Off Contract, the Supplier must ensure that its business continuity and disaster recovery plan is consistent with the Buyer's own plans.

7. Payment, VAT and Call-Off Contract charges

- 7.1 The Buyer must pay the Charges following clauses 7.2 to 7.11 for the Supplier's delivery of the Services.
- 7.2 The Buyer will pay the Supplier within the number of days specified in the Order Form on receipt of a valid invoice.
- 7.3 The Call-Off Contract Charges include all Charges for payment processing. All invoices submitted to the Buyer for the Services will be exclusive of any Management Charge.
- 7.4 If specified in the Order Form, the Supplier will accept payment for G-Cloud Services by the Government Procurement Card (GPC). The Supplier will be liable to pay any merchant fee levied for using the GPC and must not recover this charge from the Buyer.
- 7.5 The Supplier must ensure that each invoice contains a detailed breakdown of the G-Cloud Services supplied. The Buyer may request the Supplier provides further documentation to substantiate the invoice.
- 7.6 If the Supplier enters into a Subcontract it must ensure that a provision is included in each Subcontract which specifies that payment must be made to the Subcontractor within 30 days of receipt of a valid invoice.
- 7.7 All Charges payable by the Buyer to the Supplier will include VAT at the appropriate rate.
- 7.8 The Supplier must add VAT to the Charges at the appropriate rate with visibility of the amount as a separate line item.
- 7.9 The Supplier will indemnify the Buyer on demand against any liability arising from the Supplier's failure to account for or to pay any VAT on payments made to the Supplier under this Call-Off Contract. The Supplier must pay all sums to the Buyer at least 5 Working Days before the date on which the tax or other liability is payable by the Buyer.
- 7.10 The Supplier must not suspend the supply of the G-Cloud Services unless the Supplier is entitled to End this Call-Off Contract under clause 18.6 for Buyer's failure to pay undisputed sums of money. Interest will be payable by the Buyer on the late payment of any undisputed sums of money properly invoiced under the Late Payment of Commercial Debts (Interest) Act 1998.
- 7.11 If there's an invoice dispute, the Buyer must pay the undisputed amount and return the invoice within 10 Working Days of the invoice date. The Buyer will provide a covering statement with proposed amendments and the reason for any non-payment. The Supplier must notify the Buyer within 10 Working Days of receipt of the returned invoice if it accepts the amendments. If it does then the Supplier must provide a replacement valid invoice with the response.

- 7.12 Due to the nature of G-Cloud Services it isn't possible in a static Order Form to exactly define the consumption of services over the duration of the Call-Off Contract. The Supplier agrees that the Buyer's volumes indicated in the Order Form are indicative only.

8. Recovery of sums due and right of set-off

- 8.1 If a Supplier owes money to the Buyer, the Buyer may deduct that sum from the Call-Off Contract Charges.

9. Insurance

- 9.1 The Supplier will maintain the insurances required by the Buyer including those in this clause.
- 9.2 The Supplier will ensure that:
- during this Call-Off Contract, Subcontractors hold third-party public and products liability insurance of the same amounts that the Supplier would be legally liable to pay as damages, including the claimant's costs and expenses, for accidental death or bodily injury and loss of or damage to Property, to a minimum of £1,000,000
 - the third-party public and products liability insurance contains an 'indemnity to principals' clause for the Buyer's benefit
 - all agents and professional consultants involved in the Services hold professional indemnity insurance to a minimum indemnity of £1,000,000 for each individual claim during the Call-Off Contract, and for 6 years after the End or Expiry Date
 - all agents and professional consultants involved in the Services hold employers liability insurance (except where exempt under Law) to a minimum indemnity of £5,000,000 for each individual claim during the Call-Off Contract, and for 6 years after the End or Expiry Date
- 9.3 If requested by the Buyer, the Supplier will obtain additional insurance policies, or extend existing policies bought under the Framework Agreement.
- 9.4 If requested by the Buyer, the Supplier will provide the following to show compliance with this clause:
- a broker's verification of insurance
 - receipts for the insurance premium
 - evidence of payment of the latest premiums due
- 9.5 Insurance will not relieve the Supplier of any liabilities under the Framework Agreement or this Call-Off Contract and the Supplier will:

- take all risk control measures using Good Industry Practice, including the investigation and reports of claims to insurers
- promptly notify the insurers in writing of any relevant material fact under any insurances
- hold all insurance policies and require any broker arranging the insurance to hold any insurance slips and other evidence of insurance

9.6 The Supplier will not do or omit to do anything, which would destroy or impair the legal validity of the insurance.

9.7 The Supplier will notify CCS and the Buyer as soon as possible if any insurance policies have been, or are due to be, cancelled, suspended, Ended or not renewed.

9.8 The Supplier will be liable for the payment of any:

- premiums, which it will pay promptly
- excess or deductibles and will not be entitled to recover this from the Buyer

10. Confidentiality

10.1 Subject to clause 24.1 the Supplier must during and after the Term keep the Buyer fully indemnified against all Losses, damages, costs or expenses and other liabilities (including legal fees) arising from any breach of the Supplier's obligations under the Data Protection Legislation or under incorporated Framework Agreement clauses 8.83 to 8.91. The indemnity doesn't apply to the extent that the Supplier breach is due to a Buyer's instruction.

11. Intellectual Property Rights

- 11.1 Unless otherwise specified in this Call-Off Contract, a Party will not acquire any right, title or interest in or to the Intellectual Property Rights (IPRs) of the other Party or its licensors.
- 11.2 The Supplier grants the Buyer a non-exclusive, transferable, perpetual, irrevocable, royalty-free licence to use the Project Specific IPRs and any Background IPRs embedded within the Project Specific IPRs for the Buyer's ordinary business activities.
- 11.3 The Supplier must obtain the grant of any third-party IPRs and Background IPRs so the Buyer can enjoy full use of the Project Specific IPRs, including the Buyer's right to publish the IPR as open source.
- 11.4 The Supplier must promptly inform the Buyer if it can't comply with the clause above and the Supplier must not use third-party IPRs or Background IPRs in relation to the Project Specific IPRs if it can't obtain the grant of a licence acceptable to the Buyer.
- 11.5 The Supplier will, on written demand, fully indemnify the Buyer and the Crown for all Losses

which it may incur at any time from any claim of infringement or alleged infringement of a third party's IPRs because of the:

- rights granted to the Buyer under this Call-Off Contract
- Supplier's performance of the Services
- use by the Buyer of the Services

11.6 If an IPR Claim is made, or is likely to be made, the Supplier will immediately notify the Buyer in writing and must at its own expense after written approval from the Buyer, either:

- modify the relevant part of the Services without reducing its functionality or performance
- substitute Services of equivalent functionality and performance, to avoid the infringement or the alleged infringement, as long as there is no additional cost or burden to the Buyer
- buy a licence to use and supply the Services which are the subject of the alleged infringement, on terms acceptable to the Buyer

11.7 Clause 11.5 will not apply if the IPR Claim is from:

- the use of data supplied by the Buyer which the Supplier isn't required to verify under this Call-Off Contract
- other material provided by the Buyer necessary for the Services

11.8 If the Supplier does not comply with clauses 11.2 to 11.6, the Buyer may End this Call-Off Contract for Material Breach. The Supplier will, on demand, refund the Buyer all the money paid for the affected Services.

12. Protection of information

12.1 The Supplier must:

- comply with the Buyer's written instructions and this Call-Off Contract when Processing Buyer Personal Data
- only Process the Buyer Personal Data as necessary for the provision of the G-Cloud Services or as required by Law or any Regulatory Body
- take reasonable steps to ensure that any Supplier Staff who have access to Buyer Personal Data act in compliance with Supplier's security processes

12.2 The Supplier must fully assist with any complaint or request for Buyer Personal Data including by:

- providing the Buyer with full details of the complaint or request
- complying with a data access request within the timescales in the Data Protection Legislation and following the Buyer's instructions
- providing the Buyer with any Buyer Personal Data it holds about a Data Subject (within the timescales required by the Buyer)
- providing the Buyer with any information requested by the Data Subject

12.3 The Supplier must get prior written consent from the Buyer to transfer Buyer Personal Data to any other person (including any Subcontractors) for the provision of the G-Cloud Services.

13. Buyer data

The Supplier must not remove any proprietary notices in the Buyer Data.

13.1 The Supplier will not store or use Buyer Data except if necessary to fulfil its obligations.

13.2 If Buyer Data is processed by the Supplier, the Supplier will supply the data to the Buyer as requested.

13.3 The Supplier must ensure that any Supplier system that holds any Buyer Data is a secure system that complies with the Supplier's and Buyer's security policy and all Buyer requirements in the Order Form.

13.4 The Supplier will preserve the integrity of Buyer Data processed by the Supplier and prevent its corruption and loss.

13.5 The Supplier will ensure that any Supplier system which holds any protectively marked Buyer Data or other government data will comply with:

- the principles in the Security Policy Framework at <https://www.gov.uk/government/publications/security-policy-framework> and the Government Security Classification policy at <https://www.gov.uk/government/publications/government-security-classifications>
- guidance issued by the Centre for Protection of National Infrastructure on Risk Management at <https://www.cpni.gov.uk/content/adopt-risk-management-approach> and Accreditation of Information Systems at <https://www.cpni.gov.uk/protection-sensitive-information-and-assets>
- the National Cyber Security Centre's (NCSC) information risk management guidance, available at <https://www.ncsc.gov.uk/guidance/risk-management-collection>
- government best practice in the design and implementation of system components, including network principles, security design principles for digital services and the

secure email blueprint, available at
<https://www.gov.uk/government/publications/technology-code-of-practice/technology-code-of-practice>

- the security requirements of cloud services using the NCSC Cloud Security Principles and accompanying guidance at <https://www.ncsc.gov.uk/guidance/implementing-cloud-security-principles>

- 13.6 The Buyer will specify any security requirements for this project in the Order Form.
- 13.7 If the Supplier suspects that the Buyer Data has or may become corrupted, lost, breached or significantly degraded in any way for any reason, then the Supplier will notify the Buyer immediately and will (at its own cost if corruption, loss, breach or degradation of the Buyer Data was caused by the action or omission of the Supplier) comply with any remedial action reasonably proposed by the Buyer.
- 13.8 The Supplier agrees to use the appropriate organisational, operational and technological processes to keep the Buyer Data safe from unauthorised use or access, loss, destruction, theft or disclosure.
- 13.9 The provisions of this clause 13 will apply during the term of this Call-Off Contract and for as long as the Supplier holds the Buyer's Data.

14. Standards and quality

- 14.1 The Supplier will comply with any standards in this Call-Off Contract, the Order Form and the Framework Agreement.
- 14.2 The Supplier will deliver the Services in a way that enables the Buyer to comply with its obligations under the Technology Code of Practice, which is available at <https://www.gov.uk/government/publications/technology-code-of-practice/technology-code-of-practice>
- 14.3 If requested by the Buyer, the Supplier must, at its own cost, ensure that the G-Cloud Services comply with the requirements in the PSN Code of Practice.
- 14.4 If any PSN Services are Subcontracted by the Supplier, the Supplier must ensure that the services have the relevant PSN compliance certification.
- 14.5 The Supplier must immediately disconnect its G-Cloud Services from the PSN if the PSN Authority considers there is a risk to the PSN's security and the Supplier agrees that the Buyer and the PSN Authority will not be liable for any actions, damages, costs, and any other Supplier liabilities which may arise.

15. Open source

- 15.1 All software created for the Buyer must be suitable for publication as open source, unless otherwise agreed by the Buyer.
- 15.2 If software needs to be converted before publication as open source, the Supplier must also provide the converted format unless otherwise agreed by the Buyer.

16. Security

- 16.1 If requested to do so by the Buyer, before entering into this Call-Off Contract the Supplier will, within 15 Working Days of the date of this Call-Off Contract, develop (and obtain the Buyer's written approval of) a Security Management Plan and an Information Security Management System. After Buyer approval the Security Management Plan and Information Security Management System will apply during the Term of this Call-Off Contract. Both plans will comply with the Buyer's security policy and protect all aspects and processes associated with the delivery of the Services.
- 16.2 The Supplier will use software and the most up-to-date antivirus definitions available from an industry-accepted antivirus software seller to minimise the impact of Malicious Software.
- 16.3 If Malicious Software causes loss of operational efficiency or loss or corruption of Service Data, the Supplier will help the Buyer to mitigate any losses and restore the Services to operating efficiency as soon as possible.
- 16.4 Responsibility for costs will be at the:
- Supplier's expense if the Malicious Software originates from the Supplier software or the Service Data while the Service Data was under the control of the Supplier, unless the Supplier can demonstrate that it was already present, not quarantined or identified by the Buyer when provided
 - Buyer's expense if the Malicious Software originates from the Buyer software or the Service Data, while the Service Data was under the Buyer's control
- 16.5 The Supplier will immediately notify CCS of any breach of security of CCS's Confidential Information (and the Buyer of any Buyer Confidential Information breach). Where the breach occurred because of a Supplier Default, the Supplier will recover the CCS and Buyer Confidential Information however it may be recorded.
- 16.6 Any system development by the Supplier should also comply with the government's '10 Steps to Cyber Security' guidance, available at <https://www.ncsc.gov.uk/guidance/10-steps-cyber-security>
- 16.7 If a Buyer has requested in the Order Form that the Supplier has a Cyber Essentials certificate, the Supplier must provide the Buyer with a valid Cyber Essentials certificate (or equivalent) required for the Services before the Start Date.

17. Guarantee

17.1 If this Call-Off Contract is conditional on receipt of a Guarantee that is acceptable to the Buyer, the Supplier must give the Buyer on or before the Start Date:

- an executed Guarantee in the form at Schedule 5
- a certified copy of the passed resolution or board minutes of the guarantor approving the execution of the Guarantee

18. Ending the Call-Off Contract

18.1 The Buyer can End this Call-Off Contract at any time by giving 30 days' written notice to the Supplier, unless a shorter period is specified in the Order Form. The Supplier's obligation to provide the Services will end on the date in the notice.

18.2 The Parties agree that the:

- Buyer's right to End the Call-Off Contract under clause 18.1 is reasonable considering the type of cloud Service being provided
- Call-Off Contract Charges paid during the notice period is reasonable compensation and covers all the Supplier's avoidable costs or Losses

18.3 Subject to clause 24 (Liability), if the Buyer Ends this Call-Off Contract under clause 18.1, it will indemnify the Supplier against any commitments, liabilities or expenditure which result in any unavoidable Loss by the Supplier, provided that the Supplier takes all reasonable steps to mitigate the Loss. If the Supplier has insurance, the Supplier will reduce its unavoidable costs by any insurance sums available. The Supplier will submit a fully itemised and costed list of the unavoidable Loss with supporting evidence.

18.4 The Buyer will have the right to End this Call-Off Contract at any time with immediate effect by written notice to the Supplier if either the Supplier commits:

- a Supplier Default and if the Supplier Default cannot, in the reasonable opinion of the Buyer, be remedied
- any fraud

18.5 A Party can End this Call-Off Contract at any time with immediate effect by written notice if:

- the other Party commits a Material Breach of any term of this Call-Off Contract (other than failure to pay any amounts due) and, if that breach is remediable, fails to remedy it within 15 Working Days of being notified in writing to do so
- an Insolvency Event of the other Party happens

- the other Party ceases or threatens to cease to carry on the whole or any material part of its business

- 18.6 If the Buyer fails to pay the Supplier undisputed sums of money when due, the Supplier must notify the Buyer and allow the Buyer 5 Working Days to pay. If the Buyer doesn't pay within 5 Working Days, the Supplier may End this Call-Off Contract by giving the length of notice in the Order Form.
- 18.7 A Party who isn't relying on a Force Majeure event will have the right to End this Call-Off Contract if clause 23.1 applies.

19. Consequences of suspension, ending and expiry

- 19.1 If a Buyer has the right to End a Call-Off Contract, it may elect to suspend this Call-Off Contract or any part of it.
- 19.2 Even if a notice has been served to End this Call-Off Contract or any part of it, the Supplier must continue to provide the Ordered G-Cloud Services until the dates set out in the notice.
- 19.3 The rights and obligations of the Parties will cease on the Expiry Date or End Date (whichever applies) of this Call-Off Contract, except those continuing provisions described in clause 19.4.
- 19.4 Ending or expiry of this Call-Off Contract will not affect:
- any rights, remedies or obligations accrued before its Ending or expiration
 - the right of either Party to recover any amount outstanding at the time of Ending or expiry
 - the continuing rights, remedies or obligations of the Buyer or the Supplier under clauses 7 (Payment, VAT and Call-Off Contract charges); 8 (Recovery of sums due and right of set-off); 9 (Insurance); 10 (Confidentiality); 11 (Intellectual property rights); 12 (Protection of information); 13 (Buyer data); 19 (Consequences of suspension, ending and expiry); 24 (Liability); incorporated Framework Agreement clauses: 4.2 to 4.7 (Liability); 8.42 to 8.48 (Conflicts of interest and ethical walls) and 8.92 to 8.93 (Waiver and cumulative remedies)
 - any other provision of the Framework Agreement or this Call-Off Contract which expressly or by implication is in force even if it Ends or expires
- 19.5 At the end of the Call-Off Contract Term, the Supplier must promptly:
- return all Buyer Data including all copies of Buyer software, code and any other software licensed by the Buyer to the Supplier under it
 - return any materials created by the Supplier under this Call-Off Contract if the IPRs

are owned by the Buyer

- stop using the Buyer Data and, at the direction of the Buyer, provide the Buyer with a complete and uncorrupted version in electronic form in the formats and on media agreed with the Buyer
- destroy all copies of the Buyer Data when they receive the Buyer's written instructions to do so or 12 calendar months after the End or Expiry Date, and provide written confirmation to the Buyer that the data has been securely destroyed, except if the retention of Buyer Data is required by Law
- work with the Buyer on any ongoing work
- return any sums prepaid for Services which have not been delivered to the Buyer, within 10 Working Days of the End or Expiry Date

19.6 Each Party will return all of the other Party's Confidential Information and confirm this has been done, unless there is a legal requirement to keep it or this Call-Off Contract states otherwise.

19.7 All licences, leases and authorisations granted by the Buyer to the Supplier will cease at the end of the Call-Off Contract Term without the need for the Buyer to serve notice except if this Call-Off Contract states otherwise.

20. Notices

20.1 Any notices sent must be in writing. For the purpose of this clause, an email is accepted as being 'in writing'.

Manner of delivery	Deemed time of delivery	Proof of service
Email	9am on the first Working Day after sending	Sent by pdf to the correct email address without getting an error message

20.2 This clause does not apply to any legal action or other method of dispute resolution which should be sent to the addresses in the Order Form (other than a dispute notice under this Call-Off Contract).

21. Exit plan

21.1 The Supplier must provide an exit plan in its Application which ensures continuity of service and the Supplier will follow it.

21.2 When requested, the Supplier will help the Buyer to migrate the Services to a replacement

supplier in line with the exit plan. This will be at the Supplier's own expense if the Call-Off Contract Ended before the Expiry Date due to Supplier cause.

- 21.3 If the Buyer has reserved the right in the Order Form to extend the Call-Off Contract Term beyond 24 months the Supplier must provide the Buyer with an additional exit plan for approval by the Buyer at least 8 weeks before the 18 month anniversary of the Start Date.
- 21.4 The Supplier must ensure that the additional exit plan clearly sets out the Supplier's methodology for achieving an orderly transition of the Services from the Supplier to the Buyer or its replacement Supplier at the expiry of the proposed extension period or if the contract Ends during that period.
- 21.5 Before submitting the additional exit plan to the Buyer for approval, the Supplier will work with the Buyer to ensure that the additional exit plan is aligned with the Buyer's own exit plan and strategy.
- 21.6 The Supplier acknowledges that the Buyer's right to extend the Term beyond 24 months is subject to the Buyer's own governance process. Where the Buyer is a central government department, this includes the need to obtain approval from GDS under the Spend Controls process. The approval to extend will only be given if the Buyer can clearly demonstrate that the Supplier's additional exit plan ensures that:
- the Buyer will be able to transfer the Services to a replacement supplier before the expiry or Ending of the extension period on terms that are commercially reasonable and acceptable to the Buyer
 - there will be no adverse impact on service continuity
 - there is no vendor lock-in to the Supplier's Service at exit
 - it enables the Buyer to meet its obligations under the Technology Code Of Practice
- 21.7 If approval is obtained by the Buyer to extend the Term, then the Supplier will comply with its obligations in the additional exit plan.
- 21.8 The additional exit plan must set out full details of timescales, activities and roles and responsibilities of the Parties for:
- the transfer to the Buyer of any technical information, instructions, manuals and code reasonably required by the Buyer to enable a smooth migration from the Supplier
 - the strategy for exportation and migration of Buyer Data from the Supplier system to the Buyer or a replacement supplier, including conversion to open standards or other standards required by the Buyer
 - the transfer of Project Specific IPR items and other Buyer customisations, configurations and databases to the Buyer or a replacement supplier

- the testing and assurance strategy for exported Buyer Data
- if relevant, TUPE-related activity to comply with the TUPE regulations
- any other activities and information which is reasonably required to ensure continuity of Service during the exit period and an orderly transition

22. Handover to replacement supplier

22.1 At least 10 Working Days before the Expiry Date or End Date, the Supplier must provide any:

- data (including Buyer Data), Buyer Personal Data and Buyer Confidential Information in the Supplier's possession, power or control
- other information reasonably requested by the Buyer

22.2 On reasonable notice at any point during the Term, the Supplier will provide any information and data about the G-Cloud Services reasonably requested by the Buyer (including information on volumes, usage, technical aspects, service performance and staffing). This will help the Buyer understand how the Services have been provided and to run a fair competition for a new supplier.

22.3 This information must be accurate and complete in all material respects and the level of detail must be sufficient to reasonably enable a third party to prepare an informed offer for replacement services and not be unfairly disadvantaged compared to the Supplier in the buying process.

23. Force majeure

23.1 If a Force Majeure event prevents a Party from performing its obligations under this Call-Off Contract for more than the number of consecutive days set out in the Order Form, the other Party may End this Call-Off Contract with immediate effect by written notice.

24. Liability

24.1 Subject to incorporated Framework Agreement clauses 4.2 to 4.7, each Party's Yearly total liability for defaults under or in connection with this Call-Off Contract (whether expressed as an indemnity or otherwise) will be set as follows:

- **Property:** for all defaults resulting in direct loss to the property (including technical infrastructure, assets, IPR or equipment but excluding any loss or damage to Buyer Data) of the other Party, will not exceed the amount in the Order Form
- **Buyer Data:** for all defaults resulting in direct loss, destruction, corruption, degradation or damage to any Buyer Data caused by the Supplier's default will not exceed the amount in the Order Form

- Other defaults: for all other defaults, claims, Losses or damages, whether arising from breach of contract, misrepresentation (whether under common law or statute), tort (including negligence), breach of statutory duty or otherwise will not exceed the amount in the Order Form

25. Premises

- 25.1 If either Party uses the other Party's premises, that Party is liable for all loss or damage it causes to the premises. It is responsible for repairing any damage to the premises or any objects on the premises, other than fair wear and tear.
- 25.2 The Supplier will use the Buyer's premises solely for the performance of its obligations under this Call-Off Contract.
- 25.3 The Supplier will vacate the Buyer's premises when the Call-Off Contract Ends or expires.
- 25.4 This clause does not create a tenancy or exclusive right of occupation.
- 25.5 While on the Buyer's premises, the Supplier will:
- comply with any security requirements at the premises and not do anything to weaken the security of the premises
 - comply with Buyer requirements for the conduct of personnel
 - comply with any health and safety measures implemented by the Buyer
 - immediately notify the Buyer of any incident on the premises that causes any damage to Property which could cause personal injury
- 25.6 The Supplier will ensure that its health and safety policy statement (as required by the Health and Safety at Work etc Act 1974) is made available to the Buyer on request.

26. Equipment

- 26.1 The Supplier is responsible for providing any Equipment which the Supplier requires to provide the Services.
- 26.2 Any Equipment brought onto the premises will be at the Supplier's own risk and the Buyer will have no liability for any loss of, or damage to, any Equipment.
- 26.3 When the Call-Off Contract Ends or expires, the Supplier will remove the Equipment and any other materials leaving the premises in a safe and clean condition.

27. The Contracts (Rights of Third Parties) Act 1999

- 27.1 Except as specified in clause 29.8, a person who isn't Party to this Call-Off Contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms. This

does not affect any right or remedy of any person which exists or is available otherwise.

28. Environmental requirements

- 28.1 The Buyer will provide a copy of its environmental policy to the Supplier on request, which the Supplier will comply with.
- 28.2 The Supplier must provide reasonable support to enable Buyers to work in an environmentally friendly way, for example by helping them recycle or lower their carbon footprint.

29. The Employment Regulations (TUPE)

- 29.1 The Supplier agrees that if the Employment Regulations apply to this Call-Off Contract on the Start Date then it must comply with its obligations under the Employment Regulations and (if applicable) New Fair Deal (including entering into an Admission Agreement) and will indemnify the Buyer or any Former Supplier for any loss arising from any failure to comply.
- 29.2 Twelve months before this Call-Off Contract expires, or after the Buyer has given notice to End it, and within 28 days of the Buyer's request, the Supplier will fully and accurately disclose to the Buyer all staff information including, but not limited to, the total number of staff assigned for the purposes of TUPE to the Services. For each person identified the Supplier must provide details of:
- the activities they perform
 - age
 - start date
 - place of work
 - notice period
 - redundancy payment entitlement
 - salary, benefits and pension entitlements
 - employment status
 - identity of employer
 - working arrangements
 - outstanding liabilities
 - sickness absence
 - copies of all relevant employment contracts and related documents

- all information required under regulation 11 of TUPE or as reasonably requested by the Buyer

- 29.3 The Supplier warrants the accuracy of the information provided under this TUPE clause and will notify the Buyer of any changes to the amended information as soon as reasonably possible. The Supplier will permit the Buyer to use and disclose the information to any prospective Replacement Supplier.
- 29.4 In the 12 months before the expiry of this Call-Off Contract, the Supplier will not change the identity and number of staff assigned to the Services (unless reasonably requested by the Buyer) or their terms and conditions, other than in the ordinary course of business.
- 29.5 The Supplier will co-operate with the re-tendering of this Call-Off Contract by allowing the Replacement Supplier to communicate with and meet the affected employees or their representatives.
- 29.6 The Supplier will indemnify the Buyer or any Replacement Supplier for all Loss arising from both:
- its failure to comply with the provisions of this clause
 - any claim by any employee or person claiming to be an employee (or their employee representative) of the Supplier which arises or is alleged to arise from any act or omission by the Supplier on or before the date of the Relevant Transfer
- 29.7 The provisions of this clause apply during the Term of this Call-Off Contract and indefinitely after it Ends or expires.
- 29.8 For these TUPE clauses, the relevant third party will be able to enforce its rights under this clause but their consent will not be required to vary these clauses as the Buyer and Supplier may agree.

30. Additional G-Cloud services

- 30.1 The Buyer may require the Supplier to provide Additional Services. The Buyer doesn't have to buy any Additional Services from the Supplier and can buy services that are the same as or similar to the Additional Services from any third party.
- 30.2 If reasonably requested to do so by the Buyer in the Order Form, the Supplier must provide and monitor performance of the Additional Services using an Implementation Plan.

31. Collaboration

- 31.1 If the Buyer has specified in the Order Form that it requires the Supplier to enter into a Collaboration Agreement, the Supplier must give the Buyer an executed Collaboration Agreement before the Start Date.

31.2 In addition to any obligations under the Collaboration Agreement, the Supplier must:

- work proactively and in good faith with each of the Buyer's contractors
- co-operate and share information with the Buyer's contractors to enable the efficient operation of the Buyer's ICT services and G-Cloud Services

32. Variation process

- 32.1 The Buyer can request in writing a change to this Call-Off Contract if it isn't a material change to the Framework Agreement/or this Call-Off Contract. Once implemented, it is called a Variation.
- 32.2 The Supplier must notify the Buyer immediately in writing of any proposed changes to their G-Cloud Services or their delivery by submitting a Variation request. This includes any changes in the Supplier's supply chain.
- 32.3 If Either Party can't agree to or provide the Variation, the Buyer may agree to continue performing its obligations under this Call-Off Contract without the Variation, or End this Call-Off Contract by giving 30 days notice to the Supplier.

33. Data Protection Legislation (GDPR)

- 33.1 The Parties will comply with the Data Protection Legislation and agree that the Buyer is the Controller and the Supplier is the Processor. The only Processing the Supplier is authorised to do is listed at Schedule 7 unless Law requires otherwise (in which case the Supplier will promptly notify the Buyer of any additional Processing if permitted by Law).
- 33.2 The Supplier will assist the Buyer with the preparation of any Data Protection Impact Assessment required by the Data Protection Legislation before commencing any Processing (including provision of detailed information and assessments in relation to Processing operations, risks and measures) and must notify the Buyer immediately if it considers that the Buyer's instructions infringe the Data Protection Legislation.
- 33.3 The Supplier must have in place Protective Measures, details of which shall be provided to the Buyer on request, to guard against a Data Loss Event, which take into account the nature of the data, the harm that might result, the state of technology and the cost of implementing the measures.
- 33.4 The Supplier will ensure that the Supplier Staff only process Personal Data in accordance with this Call-Off Contract and take all reasonable steps to ensure the reliability and integrity of Supplier Personnel with access to Personal Data, including by ensuring they:
- i) are aware of and comply with the Supplier's obligations under this Clause;
 - ii) are subject to appropriate confidentiality undertakings with the Supplier

iii) are informed of the confidential nature of the Personal Data and don't publish, disclose or divulge it to any third party unless directed by the Buyer or in accordance with this Call-Off Contract

iv) are given training in the use, protection and handling of Personal Data.

- 33.5 The Supplier will not transfer Personal Data outside of the European Union unless the prior written consent of the Buyer has been obtained, which shall be dependent on such a transfer satisfying relevant Data Protection Legislation requirements.
- 33.6 The Supplier will delete or return Buyer's Personal Data (including copies) if requested in writing by the Buyer at the End or Expiry of this Call-Off Contract, unless required to retain the Personal Data by Law.
- 33.7 The Supplier will notify the Buyer without undue delay if it receives any communication from a third party relating to the Parties' obligations under the Data Protection Legislation, or it becomes aware of a Data Loss Event, and will provide the Buyer with full and ongoing assistance in relation to each Party's obligations under the Data Protection Legislation, and insofar as this is possible, in accordance with any timescales reasonably required by the Buyer
- 33.8 The Supplier will maintain complete and accurate records and information to demonstrate its compliance with this clause. This requirement does not apply where the Supplier employs fewer than 250 staff, unless:
- i) the Buyer determines that the Processing is not occasional;
 - ii) the Buyer determines the Processing includes special categories of data as referred to in Article 9(1) of the GDPR or Personal Data relating to criminal convictions and offences referred to in Article 10 of the GDPR; and
 - iii) the Buyer determines that the Processing is likely to result in a risk to the rights and freedoms of Data Subjects.
- 33.9 Before allowing any Sub-processor to Process any Personal Data related to this Call-Off Contract, the Supplier must:
- i. notify the Buyer in writing of the proposed Sub-processor(s) and obtain its written consent;
 - ii. ensure that it has entered into a written agreement with the Sub-processor(s) which gives effect to obligations set out in this Clause 33 such that they apply to the Sub-processor(s); and
 - iii. inform the Buyer of any additions to, or replacements of the

notified Sub-processors and the Buyer shall either i) provide its written consent or ii) object.

33.10 The Buyer may at any time put forward a Variation request to amend this Call-Off Contract to ensure that it complies with any guidance issued by the Information Commissioner's Office.

Schedule 7 - Processing, Personal Data and Data Subjects

Subject matter of the processing:

Supplier provides SaaS applications for the recording and management of risks and associated controls. The Buyer implements the applications; processing of Buyer data is in accordance with Buyer employees input of instructions/data to the applications which process the instructions/data in accordance with the Buyer approved configurations/modifications of the applications. Processing is executed by employees of Buyer on the Salesforce.com platform (where Salesforce.com EMEA is the integral Platform as a Service that the applications reside on). Company Personal Data is processed by Buyer for the purposes of creating User identification records for authorised users to gain access to the applications and for the recording of business contact information in the "Contact" records on the database.

Duration of the processing:

Processing is executed by the Buyer for the period of the subscriptions purchased from Supplier.

Nature and purposes of the Processing:

Buyer wishes to manage the risks associated with the strategy and operations of British Business Bank, and associated performance and tracking metrics. Data to be entered, retained, processed, destroyed, extracted made available to others is all under the control and authority of the Buyer. The Seller does not have access to Buyer data.

Type of Personal Data:

The Buyer submits Buyer Personal Data the extent of which is determined and controlled by the Buyer in Buyer's sole discretion, such Buyer Personal Data may include the following:

- First and last name
- Title
- Position
- Employer
- Business contact information (company, email, phone, physical business address)
- Company ID data
- Business Connection data
- Business Localisation data

Categories of Data Subject:

The Buyer may submit Buyer Personal data the extent of which is determined and controlled by the Buyer in Buyer's sole discretion, such Buyer Personal Data may include the following categories of data subjects only:

- Buyer prospects, customers, business partners and vendors (who are natural persons)
- Buyer employees or contact persons of Buyer prospects, customers, business partners and vendors
- Buyer employees, agents, advisors and/or freelancers (who are natural persons)
- Users authorised by Buyer to use the Risk Manager application

Plan for return or destruction of the data once the Processing is complete UNLESS requirement under union or member state law to preserve that type of data:

The Seller has no access rights to the Buyer data unless granted by Buyer. Once all User Subscriptions are terminated then the Salesforce.com platform closes the database and deletes all data. No access is possible to the database once the user subscriptions terminate. Buyer has to request a full Data Export of the database minimum 2 days before the last day of the term of the user subscriptions. It is responsibility of the Buyer to delete Buyer data prior to cessation of the subscription period to the Risk Manager application. Buyer has to maintain one User Subscription to Salesforce.com platform if, to meet the requirement under union or member state law, then Buyer decision is to preserve the relevant data on the Salesforce Platform. If no User Subscription is maintained then the data is not accessible and will be deleted on cessation of the current User Subscription period.
