

Section 1 - Consultancy Value Statement: Value to be delivered	
Supplier Name	5 th Studio Limited
Title of Contract	Provision of supply of the Cambridge, Milton Keynes, and Oxford Future Planning Options Project
Requirement Summary	<p>The purpose of this requirement is to:</p> <p>Inform recommendations to government in order to maximise the growth potential of the Cambridge, Milton Keynes, Oxford and Northampton area; in particular by assessing the broad range of options available to deliver significant new housing across the corridor and making recommendations as to those most appropriate to meet the needs of the corridor, meeting housing needs, and supporting jobs and growth. This assessment should include a typology of new developments, their respective infrastructure requirements and likely value for money, their relative merits and ability to deliver against key objectives set out in the Terms of Reference.</p>
Financial Value Statement	N/A
Non-financial Value Statement	<p>The National Infrastructure Commission is an independent body that enables long term strategic decision making to build effective and efficient infrastructure for the UK.</p> <p>In March 2016 the Chancellor of the Exchequer asked the Commission to: “make recommendations to maximize the potential of the Cambridge – Milton Keynes – Oxford corridor as a single, knowledge intensive cluster that competes on the global stage, whilst protecting the area’s high quality environment and securing the homes and jobs the area needs. The commission will look at the priority infrastructure improvements needed and assess the economic case for which investments would generate the most growth.”</p> <p>This contract supports the work of the Commission in its Cambridge – Milton Keynes – Oxford study. A full terms of reference and further information can be found on the National Infrastructure Commission website.</p>
