

Second World War Galleries: narrative approach

IWM London / Second World War Galleries / Stage 3

Narrative Approach

Narrative in Space

The exhibition narrative is expressed through six galleries, arranged in roughly chronological sequence, beginning in 1930 and ending after the war in 1949.

1. Peace Lost
2. War Engulfs Europe
3. The Battle for Britain
4. World War
5. Victory in the Balance
7. The Impact of Total War
