The Authority will apply all the offences listed in Article 39(1) of Directive 2009/81/EC (implemented as Regulation 23(1) of the Defence and Security Public Contract Regulations (DSPCR) 2011 in the UK) and all of the professional misconducts listed at Article 39(2) of Directive 2009/81/EC (see also Regulation 23(2) in the DSPCR 2011) to the decision of whether a Candidate is eligible to be invited to tender.

A full list of these criteria are at
<http://www.contracts.mod.uk/delta/project/reasonsForExclusion.html#dspr>

Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process.

Candidates who have been convicted of any of the offences under Article 39(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest (including defence and security factors) for doing so.

Candidates who are guilty of any of the offences, circumstances or misconduct under Article 39(2) may be excluded from being selected to bid at the discretion of the Authority.

Information and formalities necessary for evaluating if the requirements are met:

A declaration of good standing will be sought as part of the PQQ.

III.2.2) Economic and financial standing:

Criteria regarding the economic and financial standing of economic operators (that may lead to their exclusion)

(c) where appropriate, a statement, covering the three previous financial years of the economic operator, of: (i) the overall turnover of the business of the economic operator; and (ii) where appropriate, the turnover in respect of the work, works, goods or services which are of a similar type to the subject matter of the contract.

Information and formalities necessary for evaluating if the requirements are met:

Requested as part of the Pre-Qualification Questionnaire

Minimum level(s) of standards possibly required: (if applicable)

The estimated annual contract value is between £2m and £4m. If the estimated annual contract value is greater than 25% of the suppliers turnover, the Authority reserves the right to exclude the supplier from being selected to tender except where the supplier provides, to the satisfaction of the Authority, evidence showing it has sufficient economic and financial capacity, e.g. such evidence may include:

- (1) Any Additional information proving it has sufficient economic and financial resources to deliver the requirement; and
- (2) State whether the supplier is willing to provide the Authority with an indemnity, guarantee or bank bond.

A financial assessment will be undertaken on the suppliers financial status. An overall pass/fail judgement will be made after considering areas such as turnover, profit, net assets, liquidity, gearing and capacity. This assessment will include the parent company where applicable. An independent financial assessment obtained from a reputable credit rating organisation will be utilised as part of this process.

III.2.3) Technical and/or professional capacity:

Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)

(d) a statement of the technicians or technical services available to the economic operator to: (i) carry out the work under the contract, or (ii) be involved in the production of goods or the provision of services under the contract, particularly those responsible for quality control, whether or not they are independent of the economic operator;

(n) a certificate: (i) attesting conformity to quality management systems standards based on the relevant European standard; and (ii) from an independent accredited body established in any

member State conforming to the European standards concerning accreditation and certification;

Information and formalities necessary for evaluating if the requirements are met:

The Authority will require this information to evaluate technical capability as part of the Pre-Qualification Questionnaire.

Minimum level(s) of standards possibly required: (if applicable)

The supplier must be ISO 9000:2008 accredited or to an equivalent standard. The evidence of this will be requested as part of the PQQ. Potential suppliers should also have access to ISIS Web for technical information and access to Defence Contracts Online to access the PQQ.
