A summary of the units required, and regions for delivery is provided below.

The exact delivery locations will be confirmed with the chosen supplier(s). Any applicable permits will be arranged separately and outside scope for the supplier.

While we welcome suggestions from suppliers on optimal form/fit-out, this should be done while meeting, or matching with similar, the below requirements. Each Unit A should include:

2. Tender Assessment Process

- 2.1. Tenders must comply with the requirements of the TOR. Failure to submit a Tender including the information required by the TOR (or this Tender generally) will factor into The Company's assessment of the level of compliance of the Tender and may result in rejection of the Tender.
- 2.2. The Company will evaluate Tenders on the following basis:
 - 2.2.1 a technical assessment;
 - 2.2.2 a financial assessment;
 - 2.2.3 any other factors which may impact on the Tenderer's potential performance.

 - 2.3.3 to reject any tender that does not adhere to the structure and content requirements as outlined in these Terms and Conditions;

 - 2.3.6 to require that tenderers submit to the Company's Due Diligence process prior to or after the submission of Tenders; and

3. Assessment

- 3.3. Tenderers should note that financial submissions for those Tenders assessed by the Procurement Committee as not technically acceptable will not be subject to financial assessment.
- 3.4. Unless otherwise specifically stated, prices quoted must be provided as a fixed maximum price and show the tax exclusive price, the tax component and the tax inclusive price.
- 3.5. The contract price, which must include any and all other charges and costs, will be the maximum price payable by the Company for the Goods and/or Services.

- 5.1. The Company reserves the right to accept and consider alternative Tenders providing they:

6. Non-Compliant Tenders

- 6.1. Tenders will be regarded as non-compliant if they do not comply with any part of the requirements of this Invitation to Tender.
- 6.2. The Company may, however, in its absolute discretion evaluate any non-compliant Tender.

7. Lodgement of Tenders

- 7.1. It is the responsibility of the Tenderer to ensure that the Tender is received by the Company by the closing date and time prescribed in this Invitation to Tender. A Tender lodged after the closing date is a late Tender.
- 7.2. A late Tender will normally not be considered unless it can be demonstrated by the Tenderer that the Tender would have arrived at the tender point by the required date and time as prescribed in this Invitation to Tender but, for reasons proven by the Tenderer, it did not. The Company may allow a late Tender to be assessed at its absolute discretion.
- 7.3. The Company will not consider or entertain any queries about a decision to assess or reject a late Tender.

 - 9.2.1 is strictly necessary for submitting the Tender;
 - 9.2.2 is required by relevant laws;
 - 9.2.3 is authorised by prior written approval from the Company; or
 - 9.2.4 occurs after the Confidential Information already is or comes into the Tenderer's possession (or in the public domain) otherwise than pursuant to this Tender, pursuant to a separate confidentiality undertaking by the Tenderer or a third parties' (or that parties') unauthorised disclosure.
 - 9.2.5 If the Tenderer is required to disclose Confidential Information due to a relevant law or legal proceedings, it will provide reasonable notice of such disclosure to the Company.

Any prior understanding or representation of any kind preceding the date of this PO is hereby superseded.

3. MODIFICATIONS

Any modifications or amendments to this PO, including its Annexes, will be made by mutual agreement of the Supplier and the Company. All such modifications or amendments will be in writing signed by both the Supplier and the Company.

4. EXCLUSIONS

The following are excluded from application to this contract:

All payments will be made in the manner and to such bank account as the Supplier has designated in the Cover Sheet.

In the case of any dispute as to the goods or the amount payable to the Supplier the parties will attempt to resolve the dispute according to the dispute resolution procedures set forth in these Terms and Conditions. Payment will be made by the Company within 30 days of such dispute being resolved subject to a valid invoice having been submitted.

The Supplier must comply with the Company's written instructions.

If the Supplier considers that an instruction constitutes a change to the scope of the Supplier's obligations, the Supplier must notify the Company within two business days of that claimed change.

If the Supplier considers it will be, is, or has been delayed by any causes, it must notify the Company within two business days of that claimed delay.

Any action or proceeding based upon a claim that the Goods and/or Services, or part thereof, constitute an infringement of any patent, registered design or copyright and the Supplier will pay all damages and costs awarded against the Company flowing from any such action or proceeding. However, in case there is found to be an infringement, the Supplier will, at its own expense, either procure for the Company the right to continue using the Goods and/or Services or modify them so they become non-infringing, or, with the approval of the Company, remove said Goods or stop receiving said Services and refund the total price, the transportation, and the installation costs to the Company.

Payment will be authorized after delivery and acceptance by the Company's Representative of all Goods and/or Services, and in accordance with payment terms stipulated in PO. Where there is partial delivery of the Goods and/or Services, the Company may hold payment until all the Goods and/or Services specified in the PO are received.

14. INDEMNITY, LIABILITY, AND INSURANCE
