Dear

**STARTwo Framework Agreement: Contract Amendment no.4 - TWO0015 Headway

This agreement is made on 3 May 2022

I am writing about the agreement made on 4th December 2019 between the Department for Transport ("**the Employer**") and Systra Ltd ("**the Supplier**") regarding the above work package order.

I can confirm that the agreement has been further extended in value only and accordance with the same terms and conditions as specified in the original agreement of 4th December 2019. The contract amendment is required to complete the pilot study. As a result of this, the contract value has increased by £13,000 and the total value of the contract is now £93,000 excluding VAT. The date for completion of the agreement remains unchanged and will conclude on 31 December 2022.

The Supplier's services under this Work Package Order will continue to be charged on a Fixed Price as governed by the NEC 4 Professional Services Contract.

Please acknowledge receipt and acceptance of this letter by signing and returning an electronic copy to me. Please contact to discuss detailed arrangements for the continuation of this work package.
