29.3.3 Any invoices submitted by a Sub-Contractor shall be considered and verified by the Supplier in a timely fashion. Undue delay in doing so

shall not be sufficient justification for failing to regard an invoice as valid and undisputed.

- 29.3.4 Notwithstanding any provision of Clauses 34.3 (Confidentiality) and 35 (Publicity and Branding) if the Supplier notifies the Customer that the Supplier has failed to pay an undisputed Sub-Contractor's invoices as agreed, or the Customer otherwise discovers the same, the Customer shall be entitled to publish the details of the late or non-payment (including on government websites and in the press).

29.4 Termination of Sub-Contracts

29.4.1 The Customer may require the Supplier to terminate:

- (a) a Sub-Contract where:
 - (i) the acts or omissions of the relevant Sub-Contractor have caused or materially contributed to the Customer's right of termination pursuant any of the termination events in Clause 41 (Customer Termination Rights) except Clause 41.3 (Termination Without Cause); and/or
 - (ii) the relevant Sub-Contractor or its Affiliates embarrassed the Customer or otherwise brought the Customer into disrepute by engaging in any act or omission which is reasonably likely to diminish the trust that the public places in the Customer, regardless of whether or not such act or omission is related to the Sub-Contractor's obligations in relation to the Goods and/or Services or otherwise; and/or
- (b) a Key Sub-Contract where there is a Change of Control of the relevant Key Sub-Contractor, unless:
 - (i) the Customer has given its prior written consent to the particular Change of Control, which subsequently takes place as proposed; or
 - (ii) the Customer has not served its notice of objection within six (6) months of the later of the date the Change of Control took place or the date on which the Customer was given notice of the Change of Control.

29.5 Competitive Terms

29.5.1 If the Customer is able to obtain from any Sub-Contractor or any other third party more favourable commercial terms with respect to the supply of any materials, equipment, software, goods or services used by the Supplier or the Supplier Personnel in the supply of the Goods and/or Services, then the Customer may:

- (a) require the Supplier to replace its existing commercial terms with its Sub-Contractor with the more favourable commercial terms obtained by the Customer in respect of the relevant item; or
- (b) subject to Clause 29.4 (Termination of Sub-Contracts), enter into a direct agreement with that Sub-Contractor or third party in respect of the relevant item.

- 29.5.2 If the Customer exercises the option pursuant to Clause 29.5.1, then the Call Off Contract Charges shall be reduced by an amount that is agreed in accordance with the Variation Procedure.
- 29.5.3 The Customer's right to enter into a direct agreement for the supply of the relevant items is subject to:
- (a) the Customer making the relevant item available to the Supplier where this is necessary for the Supplier to provide the Goods and/or Services; and
 - (b) any reduction in the Call Off Contract Charges taking into account any unavoidable costs payable by the Supplier in respect of the substituted item, including in respect of any licence fees or early termination charges.

29.6 Retention of Legal Obligations

- 29.6.1 Notwithstanding the Supplier's right to sub-contract pursuant to this Clause 29 (Supply Chain Rights and Protection), the Supplier shall remain responsible for all acts and omissions of its Sub-Contractors and the acts and omissions of those employed or engaged by the Sub-Contractors as if they were its own.

The Supplier shall have the use of such Customer Premises as licensee and shall vacate the same immediately upon completion, termination, expiry or abandonment of this Call Off Contract and in accordance with Call Off Schedule 10 (Exit Management).
- 30.1.2 The Supplier shall limit access to the Customer Premises to such Supplier Personnel as is necessary to enable it to perform its obligations under this Call Off Contract and the Supplier shall co-operate (and ensure that the Supplier Personnel co-operate) with such other persons working concurrently on such Customer Premises as the Customer may reasonably request.
- 30.1.3 Save in relation to such actions identified by the Supplier in accordance with Clause 2 (Due Diligence) and set out in the Order Form (or elsewhere in this Call Off Contract), should the Supplier require modifications to the Customer Premises, such modifications shall be subject to Approval and shall be carried out by the Customer at the Supplier's expense. The Customer shall undertake any modification work which it approves pursuant to this Clause 30.1.3 without undue delay. Ownership of such modifications shall rest with the Customer.
- 30.1.4 The Supplier shall observe and comply with such rules and regulations as may be in force at any time for the use of such Customer Premises and conduct of personnel at the Customer Premises as determined by

the Customer, and the Supplier shall pay for the full cost of making good any damage caused by the Supplier Personnel other than fair wear and tear. For the avoidance of doubt, damage includes without limitation damage to the fabric of the buildings, plant, fixed equipment or fittings therein.

- 30.1.5 The Parties agree that there is no intention on the part of the Customer to create a tenancy of any nature whatsoever in favour of the Supplier or the Supplier Personnel and that no such tenancy has or shall come into being and, notwithstanding any rights granted pursuant to this Call Off Contract, the Customer retains the right at any time to use any Customer Premises in any manner it sees fit.

31. CUSTOMER PROPERTY

- 31.1 Where the Customer issues Customer Property free of charge to the Supplier such Customer Property shall be and remain the property of the Customer and the Supplier irrevocably licences the Customer and its agents to enter upon any premises of the Supplier during normal business hours on reasonable notice to recover any such Customer Property.
- 31.2 The Supplier shall not in any circumstances have a lien or any other interest on the Customer Property and at all times the Supplier shall possess the Customer Property as fiduciary agent and bailee of the Customer.
- 31.3 The Supplier shall take all reasonable steps to ensure that the title of the Customer to the Customer Property and the exclusion of any such lien or other interest are brought to the notice of all Sub-Contractors and other appropriate persons and shall, at the Customer's request, store the Customer Property separately and securely and ensure that it is clearly identifiable as belonging to the Customer.
- 31.4 The Customer Property shall be deemed to be in good condition when received by or on behalf of the Supplier unless the Supplier notifies the Customer otherwise within five (5) Working Days of receipt.
- 31.5 The Supplier shall maintain the Customer Property in good order and condition (excluding fair wear and tear) and shall use the Customer Property solely in connection with this Call Off Contract and for no other purpose without Approval.
- 31.6 The Supplier shall ensure the security of all the Customer Property whilst in its possession, either on the Sites or elsewhere during the supply of the Goods and/or Services, in accordance with the Customer's Security Policy and the Customer's reasonable security requirements from time to time.
- 31.7 The Supplier shall be liable for all loss of, or damage to the Customer Property, (excluding fair wear and tear), unless such loss or damage was solely caused by a Customer Cause. The Supplier shall inform the Customer immediately of

becoming aware of any defects appearing in or losses or damage occurring to the Customer Property.

32. SUPPLIER EQUIPMENT

- 32.1 Unless otherwise stated in the Order Form (or elsewhere in this Call Off Contract), the Supplier shall provide all the Supplier Equipment necessary for the provision of the Goods and/or Services.
- 32.2 The Supplier shall not deliver any Supplier Equipment nor begin any work on the Customer Premises without obtaining Approval.
- 32.3 The Supplier shall be solely responsible for the cost of carriage of the Supplier Equipment to the Sites and/or any Customer Premises, including its off-loading, removal of all packaging and all other associated costs. Likewise on the Call Off Expiry Date the Supplier shall be responsible for the removal of all relevant Supplier Equipment from the Sites and/or any Customer Premises, including the cost of packing, carriage and making good the Sites and/or the Customer Premises following removal.
- 32.4 All the Supplier's property, including Supplier Equipment, shall remain at the sole risk and responsibility of the Supplier, except that the Customer shall be liable for loss of or damage to any of the Supplier's property located on Customer Premises which is due to the negligent act or omission of the Customer.
- 32.5 Subject to any express provision of the BCDR Plan to the contrary, the loss or destruction for any reason of any Supplier Equipment shall not relieve the Supplier of its obligation to supply the Goods and/or Services in accordance with this Call Off Contract, including the Service Level Performance Measures.
- 32.6 The Supplier shall maintain all Supplier Equipment within the Sites and/or the Customer Premises in a safe, serviceable and clean condition.
- 32.7 The Supplier shall, at the Customer's written request, at its own expense and as soon as reasonably practicable:
- 32.7.1 remove from the Customer Premises any Supplier Equipment or any component part of Supplier Equipment which in the reasonable opinion of the Customer is either hazardous, noxious or not in accordance with this Call Off Contract; and

If this Clause is specified to apply, and there are no values specified for 'X' and/or 'Y', in default, 'X' shall be two (2) and 'Y' shall be twelve (12). Where a failure of Supplier Equipment or any component part of Supplier Equipment causes X or more Service Failures in any Y Month period, the Supplier shall notify the Customer in writing and shall, at the Customer's request (acting reasonably), replace such Supplier Equipment or component part thereof at its own cost with a new item of Supplier Equipment or component part thereof (of the same specification or having the same capability as the Supplier Equipment being replaced).

33.3 Licence granted by the Supplier: Supplier Background IPR

33.3.1 The Supplier hereby grants to the Customer a perpetual, royalty-free and non-exclusive licence to use the Supplier Background IPR for any purpose relating to the Goods and/or Services (or substantially equivalent goods and/or services) or for any purpose relating to the exercise of the Customer's (or, if the Customer is a Central Government Body, any other Central Government Body's) business or function.

33.3.2 At any time during the Call Off Contract Period or following the Call Off Expiry Date, the Supplier may terminate a licence granted in respect of the Supplier Background IPR under Clause 33.3.1 by giving thirty (30) days' notice in writing (or such other period as agreed by the Parties) if there is a Customer Cause which constitutes a material breach of the terms of 33.3.1 which, if the breach is capable of remedy, is not

remedied within twenty (20) Working Days after the Supplier gives the Customer written notice specifying the breach and requiring its remedy.

33.3.3 In the event the licence of the Supplier Background IPR is terminated pursuant to Clause 33.3.2, the Customer shall:

- (a) immediately cease all use of the Supplier Background IPR;
- (b) at the discretion of the Supplier, return or destroy documents and other tangible materials that contain any of the Supplier Background IPR, provided that if the Supplier has not made an election within six (6) months of the termination of the licence, the Customer may destroy the documents and other tangible materials that contain any of the Supplier Background IPR; and
- (c) ensure, so far as reasonably practicable, that any Supplier Background IPR that is held in electronic, digital or other machine-readable form ceases to be readily accessible (other than by the information technology staff of the Customer) from any computer, word processor, voicemail system or any other device containing such Supplier Background IPR.

33.4 Customer's right to sub-license

33.4.1 The Customer shall be freely entitled to sub-license the rights granted to it pursuant to Clause 33.2.1 (Licence granted by the Supplier: Project Specific IPR).

33.4.2 The Customer may sub-license:

- (a) the rights granted under Clause 33.3.1 (Licence granted by the Supplier: Supplier Background IPR) to a third party (including for the avoidance of doubt, any Replacement Supplier) provided that:

If the Customer ceases to be a Central Government Body, the successor body to the Customer shall still be entitled to the benefit of the licences granted in Clause 33.2 (Licence granted by the Supplier: Project Specific IPR) and Clause 33.3 (Licence granted by the Supplier: Supplier Background IPR).

33.5.4 If a licence granted in Clause 33.2 (Licence granted by the Supplier: Project Specific IPR) and/or Clause 33.3 (Licence granted by the Supplier: Supplier Background IPR) is novated under Clauses 33.5.1 and/or 33.5.2 or there is a change of the Customer's status pursuant to Clause 33.5.3 (both such bodies being referred to as the "Transferee"), the rights acquired by the Transferee shall not extend beyond those previously enjoyed by the Customer.

33.6 Third Party IPR

- (a) notify the Customer in writing giving details of what licence terms can be obtained from the relevant third party and whether there are alternative providers which the Supplier could seek to use; and
- (b) only use such Third Party IPR if the Customer Approves the terms of the licence from the relevant third party.

33.7.1 The Customer hereby grants to the Supplier a royalty-free, non-exclusive, non-transferable licence during the Call Off Contract Period to use the Customer Background IPR and the Customer Data solely to the extent necessary for providing the Goods and/or Services in accordance with this Call Off Contract, including (but not limited to) the right to grant sub-licences to Sub-Contractors provided that:

 - (iii) there is no additional cost to the Customer; and
 - (iv) the terms and conditions of this Call Off Contract shall apply to the replaced or modified Goods and/or Services.
- 33.9.3 If the Supplier elects to procure a licence in accordance with Clause 33.9.2(a) or to modify or replace an item pursuant to Clause 33.9.2(b), but this has not avoided or resolved the IPR Claim, then:
- (i) the Customer may terminate this Call Off Contract by written notice with immediate effect; and
 - (ii) without prejudice to the indemnity set out in Clause 33.9.1, the Supplier shall be liable for all reasonable and unavoidable costs of the substitute goods and/or services including the additional costs of procuring, implementing and maintaining the substitute items.

Any change to the Call Off Contract Charges shall then be subject to the Variation Procedure.

- 34.2.8 If the Customer Data is corrupted, lost or sufficiently degraded as a result of a Default so as to be unusable, the Supplier may:
- (a) require the Supplier (at the Supplier's expense) to restore or procure the restoration of Customer Data to the extent and in accordance with the requirements specified in Call Off Schedule 9 (Business Continuity and Disaster Recovery) or as otherwise required by the Customer, and the Supplier shall do so as soon as practicable but not later than five (5) Working Days from the date of receipt of the Customer's notice; and/or

CALL OFF SCHEDULE 2: GOODS AND SERVICES

57. INTRODUCTION

57.1 This Call Off Schedule specifies the:

57.1.1 Services to be provided under this Call Off Contract, in Annex 1;

ANNEX 1: THE SERVICES

The Requirement

CQC requires a management company to deliver all our accessible communications requirements. The contract will be used mainly by our Inspectorate and Engagement directorates. The bulk of the work will come from the Editorial and Planning Team within the Engagement directorate, as they coordinate the requests for alternative formats, including easy reads, Braille, British Sign Language video and audio, as well as requests for interpreters on our inspections, and creation of translated documents.

These products and services can be required through our accessible communications policy (such as a full set of alternative versions for our key public leaflets), or they can be requested by our staff (such as inspectors who require interpreting assistance on an inspection), or they can be requested from health and social care bodies, people using these services or the general public.

The services CQC currently use range from those below; however the type of requirement may differ:

A. Easy read

Produce documents for people with learning disabilities using a wide selection of illustrations, photo symbols and photographs alongside concise text. Ideally co-produced with a user reference group for consultation.

Please see annex C (example paper)

B. Audio

Produce and supply mp3 and Audio CD versions of publications

C. Language translation

Produce and supply language translations of various documents. Our six core languages are Bengali, Chinese (Traditional), Polish, Punjabi (indian origin), Urdu and Gujarati for key corporate publications, but we would need access to all language translations as requested by the public living in England. The language, title of the publication and publication date will need to be written in English on the front cover of the document as well as in the translated language. Occasionally, translated documents can be used as evidence when we take legal action against a service. We would need the translator to agree to their translation potentially being used as evidence in a legal setting. Please see Annex D (example paper).

D. Interpreting services to cover England

Access to a pool of qualified interpreters for face-to-face and telephone interpreting.

We regularly use British Sign Language interpreters (BSL) as well as other languages. As well as other assignments such as attending events, interpreters will need to attend unannounced inspections of services, sometimes at short notice. This means the interpreter will need to keep any information about the service confidential and declare any conflict of interest.

E. Large print

Putting documents mainly from .pdf files into MS Word Arial font, point 18. Will need to be set up so can be read on screen readers.

F. British Sign Language video

Produce British sign language videos for the web and DVD with option of subtitles. Please click on link below to view CQC intranet page
[http://www.cqc.org.uk/content/publications-british-sign-language#expect-good-service.](http://www.cqc.org.uk/content/publications-british-sign-language#expect-good-service)

G. Braille

Produce Braille versions of our documents. The language, title of the publication and publication date will need to be written on the front cover of the document in 'standard' text as well as in Braille.

H. DRAGON software compatible documents

Produce MS Word documents that are compatible with DRAGON screen reading software.

I. Other alternative formats/accessible communications methods

We are committed to communicating with people who use care services in a way the best meets their needs. Due to new technologies, etc, we sometimes have requests from the public beyond those listed above, so it is important that our supplier has access to a full breadth of up-to-date accessible communications services.

See Annex A for more information on the nature and demand for these services.

The supplier will be required to reassure CQC that all staff appointed to work on this contract including subcontractors will follow good practice by following DBS enhanced checks: guidance for employers in conjunction with enhanced level (previously CRB checks). Supplier is responsible for the subcontractors and must maintain the appropriate levels of skills, checks and qualifications as applicable, for example:

- DBS checks
- Interpreters are registered with the appropriate organisation, eg National Register of Communication Professionals, National Register of Public Service Interpreters

The supplier should remain at the forefront of new developments in accessible communications and advise CQC of good practice and innovation.

Service Levels & Volumes

Service levels expectations:

- The account manager (or assigned colleague) must be available from 9am – 5pm, Monday – Friday. The contractor must provide an alternative contact to manage the project in their absence.
- All service requests should be acknowledged within 1 working day.
- 80% of service requests to be acknowledged within 2 hours during working day.
- All quotations must be approved by the Accessible Communications Officer, Editorial Manager, member of Editorial and Planning team, or (on occasions) other CQC representative before the service and any expense is begun.
- 80% of services to be quoted within 1-3 working days.
- All issues must be discussed with the account manager as soon as possible, with the view of resolution if necessary.
- Able to manage tight timescales, such as 24-hours' notice on urgent assignments.

Volumes/ cost expectations:

- CQC will request the supplier to produce accessible communications services if it cannot be provided in-house, e.g. audio recordings, British Sign Language videos, interpreters and translators. The supplier must always find the most cost-effective methods to produce accessible communications formats.

Authority Responsibilities

- Representative: CQC contract manager: Editorial Manager
- Accessible Communications Officer: To provide day-to-day contact. Should the accessible communications Officer be unavailable, CQC will ensure that the contractor will be able to contact another member of the team.
- CQC will manage the service through a contract manager and the Accessible Communications Officer. The Accessible Communications Officer will provide the relevant data to the supplier to allow contract delivery and to ensure the service runs smoothly. Contract management and service delivery meetings will be arranged with the supplier on a quarterly basis to review progress; ad hoc meetings will be arranged for other issues if needed.

- Assign primary point of contact for the successful contractor and assigned project manager.
- Ensure all payments are made promptly in line with the contract.
- Ensure that the cost of the contract does not exceed that agreed in the contract and that the contractor is apprised on anything that may affect the agreed cost or the performance of the contract.
- All Commercial contract issues will be dealt with by the Senior Commercial Lead.

Contractor Responsibilities

The contractor will;

- Have a fortnightly conference call with CQC (Face-to-face meetings to be organised as necessary) and give an alternative point of contact for any issues/escalations/updates.
- Supplier will be responsible to ensure internal escalation routes are being actioned including a weekly update.

Contract Management Arrangement

CQC will expect the supplier to fully cooperate in the exit strategy of the service at its contract end. This will include formulating a transition plan, possible parallel working and active cooperation with CQC and the incumbent supplier. The outgoing supplier will get a plan 6 months before the contract end date, with allowance for a 3-month exit period.

Supplier should have an account manager as the primary contact for CQC's Editorial and Planning team, both for contract and service implementation and for ongoing service fulfilment who would be responsible for attending quarterly review meetings. Editorial and Planning team should be able to contact the account manager or deputy directly via email and phone and expect an immediate response if needed.

Suppliers will be responsible for rectifying at nil cost any self-generated failures in quality, and for compensation over failure to meet any critical delivery deadlines with pre-agreed timescales (e.g. when an interpreter is needed for an inspection).

Additional requirements

- To have a nominated single point of contact / account holder for dealing with requests.

- One monthly invoice for Face-to-face interpreting, one monthly invoice for Telephone Interpreting. Translation and ancillary service invoices to be issued on completion of each project.
- Service-level agreements regarding timing and quality, including meeting short notice requests.
- Potential for direct interface/transaction with CQC staff and members of the public, such as through a customer portal, so that requests can be met directly by the supplier, rather than via CQC's Accessible Communications Officer.
