Schedule 1 – Statement of Requirement

Schedule 1

The Requirement

Joint Force Headquarters (JFHQ) is one of the MOD's extremely high readiness contingency headquarters able to respond globally across a range of crises. The organisation trains and assures its own Operational Liaison and Reconnaissance Teams (OLRTs) twice a year through two, five-week long, IPDT packages. The Contract will be for one iteration of these exercises until a long-term solution is identified.

Ex ASSEGA is the test and assure phase of each of those IPDT packages and must be completed by all JFHQ new entrants, if they are to serve as part of an OLRT and respond to global crises on behalf of Defence.

In order to ensure that all risks that can be mitigated by appropriate training, including risk to life, are properly addressed, JFHQ requires niche support from professional role players, that provide critical realism and an immersive experience to that training. Trainees are generally OF3-OF4, (with some OR2-4) and are an experienced cohort.

The course is circa 20 pax large, and is routinely held at Longmoor camp, with all RLS (accommodation, food etc) provided. If the location changes, all RLS will remain provided.

Specifically, provision must include:

Professional role-player support of Ex ASSEGA.

1. Specialism in supporting crisis response exercises/scenarios with suitably qualified and experienced actors/managers in order to ensure training is of the highest standard possible. This presents an opportunity to align JFHQ training with other Government Departments crisis training (FCDO JFHQ & HRG) and provide a fused, cross Whitehall (X-WH) package coherent with Defence Fusion Doctrine.
2. About 15 actors (spread across various roles)
3. Costumes, uniforms, weapons, and other props required.
4. Professional medical prosthetics to ensure medical training is as realistic as possible, and exposes trainees to the stress of medical serials, and the associated response.
5. Experience of using trauma medical prosthetics, and medical experience to ensure accuracy on provision to actors and troops during training.
6. Experience of dealing with partners across Government and delivering training, critically to the
7. Foreign Commonwealth and Development Office Rapid Deployment Teams, and, ideally Border Force, and the International Police Cadre.

8. Ability to help refine character biographies and scripts.

Authority Cancellation

In the event the exercise is cancelled, the Authority will inform the Contractor in writing and on payment of a fair and reasonable cancellation fee.

Cancellation:

- a. More than 2 weeks (equal to or greater than 15 days) before the confirmed start date of delivery, the Authority will not be liable to the Contractor for any charges.
- b. Up to 2 weeks (14 days) before the confirmed start date of delivery, the Authority shall be liable for 50% of the firm price of the agreed exercise.
- c. Up to 1 week (7 days) before the confirmed start date of delivery, the Authority shall be liable for 75% of the firm price of the agreed exercise.
- d. Less than 1 week (<7 days) before the confirmed start date of delivery, or during the training event the Authority shall be liable for 100% of the firm price of the agreed tasking.

Contractor Cancellation

In the event delivery is cancelled by the Contractor prior to the exercise, the Authority will not be liable to the Contractor for any charges. If cancellation occurs during delivery, the Contractor must inform the Authority in writing as soon as possible, including reasons for cancellation. The Authority will assess the impact and work with the Contractor to mutually agree an outcome acceptable to both parties. Where this cannot be achieved the conditions of the contract will be applied.

Deferment Terms

If the Authority wishes to defer delivery of an exercise the Authority must notify the Contractor in writing its desire to defer a minimum of two weeks (equal to or greater than 15 days) prior to the exercise start date. The Contractor will, wherever possible, mutually agree a change to the original exercise delivery dates to avoid occurring charges.
