

Kitchen and Bathroom Installations – Additional Information and Members List

This Contract Notice has been published by Efficiency East Midlands Limited ("EEM") on behalf of their members and the other organisations described below as being Authorised Users. EEM is incorporated as companies limited by guarantee. The Framework Agreements being procured by the procurement exercise begun by publication of this Contract Notice will be entered by EEM as the Contracting Authorities which will have undertaken and completed that procurement exercise. Any reference in this Contract Notice to Contracting Authority is deemed to be and include a reference to EEM.

The current members of EEM are detailed in Annexe A. All of the current members are to be regarded as Contracting Authorities under the Public Contracts Regulations 2015 for the purpose of the procurement exercise begun by publication of this Contract Notice and Authorised Users entitled to access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of this Contract Notice.

The Authorised Users of the Framework Agreements being advertised by this Contract Notice and entitled to access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of this Contract Notice are:

1 Any current EEM Member - being an organisation which is a member of EEM at the date of this Contract Notice and being one of the organisations identified in Annex A; and

2 Any Future Member of EEM - being a local authority i.e. County, Metropolitan (City), District, Borough Council or a Unitary Authority in England and Wales, any Arm's Length Management Organisation ("ALMO") or any statutory replacement or successor organisation managed by such local authority under a Management Agreement under Section 27 of the Housing Act 1985 (or subsequent legislation) or a Registered Provider (under the Housing and Regeneration Act 2008 or subsequent legislation) (and/or (in the case of EEM) is any NHS Trust or organisation, police authority, fire authority, ambulance trust, university, higher education or further education college or other public sector organisation) and in all cases being an organisation which has applied to join and has joined EEM as a member in accordance with the constitutional documents of EEM and in respect of which such organisation notice has been given to the economic operators that are a party to the Framework Agreements awarded at conclusion of the procurement exercise begun by publication of this Contract Notice that such organisation is an Authorised User. Future EEM Members may include consortia made up of organisations which would themselves individually be a Future EEM Member and may include any special purpose vehicle (of whatever nature) owned and controlled by the consortia members and would include in those circumstances the individual consortia members of the special purpose vehicle that own and control that special purpose vehicle; and

3 An EEM Participant - being an organisation which is neither a current EEM Member (as defined at 1 above) nor a Future Member of EEM (as defined at 2 above) based within England and Wales which owns and/or maintains/manages housing stock in one or more geographic area in which it operates and is a local authority i.e.. a County, Metropolitan (City), District or Borough Council or a Unitary Authority in England or Wales or is an Arm's Length Management Organisation ("ALMO") or any statutory replacement or successor organisation managed by such local authority under a management agreement under section 27 of the Housing Act 1985 (or subsequent legislation) or is a Registered Provider under the Housing and Regeneration Act 2008 (or subsequent legislation) (and (in the case

of EEM) is any NHS Trust or organisation, police authority, fire authority, ambulance trust, university, higher education or further education college or other public sector organisation) and which is itself a Contracting Authority for the purpose of the Public Contracts Regulations 2015 and in respect of which organisation notice has been given by EEM to the economic operators that are a party to the Framework Agreements awarded at conclusion of the procurement exercise being advertised by this Contract Notice that such organisation is an Authorised User of the Framework Agreements, EEM Participants may include consortia made up of organisations which would themselves individually be an EEM Participant and may include any special purpose vehicle (of whatever nature) owned and controlled by the consortia members and would include in those circumstances the individual consortia members of that special purpose vehicle that own and control that special purpose vehicle.

Details of the Members of EEM at the date of this Contract Notice and the current Authorised Users can be obtained from the following website address www.efficiency-em.co.uk. For the purpose of this Notice, the geographical area of local authorities and the names of those authorities are identifiable by reference to the DirectGov website at www.gov.uk. A full list of all current registered providers can be found at www.homesandcommunities.gov.uk.

Reference to legislation in this Contract Notice includes successor and/or replacement legislation. EEM reserves the right not to award any Framework Agreements at the end of the procurement exercise begun by publication of this Contract Notice or to award only part of parts of the proposed works and reserves the right not to award any one or more Lot.

The Authorised Users will have requirements predominantly within the East Midlands but not exclusively so and may in the future have requirements in other parts of England and Wales. Authorised Users in other parts of England and Wales may also access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of this Contract Notice. The successful economic operators may therefore expect the Framework Agreements to be awarded at conclusion of this procurement exercise to be operated and implemented throughout England and Wales.

EEM operates a range of existing supply chain arrangements with which successful economic operators will need to interface. Framework Agreements may be awarded on a multi client as well as a single client basis with the facility for Authorised Users to join both.

Organisations expressing interest and receiving PQQ documents should be aware that TUPE legislation may apply to the arrangements which are being advertised by this Contract Notice; EEM for themselves and all Authorised Users express no view or opinion about whether TUPE legislation will or will not apply and all organisations expressing interest in response to publication of this Contract Notice and selected to be invited to tender must take their own legal and other relevant advice at all Stages.

The Lotting Strategy adopted by EEM is explained in the procurement documents.

EEM reserve the right to amend the procurement documents prior to issuing the ITT for whatever reason and in response to comments and observations received from interested economic operators.

The Call Off Contracts to be awarded pursuant to the Framework Agreements to be entered at conclusion of the procurement exercise begun by publication of this Contract Notice may extend for a duration of up to two years beyond expiry of the four year term of the Framework Agreements.

Economic operators should also note that the procurement documents will contain the opportunity for bidders to express interest in working in areas other than the geographical areas within the Lots described in the procurement documents.
