

ECITB SCHOLARSHIP (Scotland) SPECIFICATION 2021

Project Control Only

This document specifies the skills and knowledge delivery services required for the 2021 ECITB Scholarship Programme (Project Control Pathway) to be delivered in Scotland.

Note: unlike other pathways in the Scottish Scholarship Programme, Project Control Scholars have not been aligned to a specific Modern Apprenticeship and as such will be assessed against the ECITB Level 3 Diploma in Project Controls Practice and Techniques (RQF) whilst on programme. On completion of the programme the Project Control Scholars will be available as direct site hires.

CONTRACT SPECIFICATION

The ECITB's contractual requirement is for the training provider to deliver skills, knowledge training and assessment and behavioral training leading to skilled employment status in the Engineering Construction or related industries.

This specification document describes the activities and processes required to be undertaken by the appointed provider (Approved Centre) in order to ensure that all learners achieve the requirements contained within the ECITB's Scholarship Programme (**table 1**).

Please note that the final number of learners, discipline and location will not be confirmed until the conclusion of the tendering process.

1 TERMS AND DEFINITIONS

The following definitions and rules of interpretation apply in this specification:

1.1 Approved Centre

means an organisation having met all the regulatory authority's criteria approved by awarding bodies to offer delivery and assessment of the Knowledge Qualifications.

1.2 Awarding Organisation

this is the term used to describe an organisation approved by UK government appointed regulatory authorities to award qualifications, including Competence Qualifications. The ECITB is the UK's principal awarding body for engineering construction qualifications.

1.3 Modern Apprenticeship Framework

means the requirements that must be met and the qualifications to be achieved by an apprentice in order for them to successfully complete a Modern Apprenticeship.

1.4 Competence Qualification

means the qualification a learner must complete and which attests his or her ability

to do a job of work to a nationally recognised standard. A learner will complete the relevant skills training during the scholarship following which they will be assessed against Competence Qualification in real work situations through employment or progression onto a Modern Apprenticeship.

1.5 Funding Contract

The Approved Centre will secure and maintain a contract with the relevant funding agency for the purposes of funding the delivery of the Knowledge component (National Certificate) of the Scholarship Programme.

1.6 Knowledge Qualification

means the qualification a learner must complete that confirms their knowledge of the fundamental aspects of their discipline to underpin. This qualification will be achieved during the Scholarship Programme and must meet the requirements as detailed in **(table 1)**.

1.7 Pathway

means the discipline/s or occupation that the learner will follow during the Scholarship Programme.

1.8 Practical Exercises

means the ECITB Practical Exercises that must be achieved as part of the Scholarship Programme.

1.9 Skills Training

means the practical skills training that the learner will complete to prepare them for assessment in the workplace.

1.10 Technical Programme means the programme which will be direct entry at RQF level 3 or Scottish equivalents over the duration of the programme in technical related pathways (Electrical Maintenance, Mechanical Maintenance, Instrument & Control, Design & Draught, etc.)

2. KNOWLEDGE QUALIFICATION REQUIREMENTS

2.1 The Approved Centre shall have all arrangements in place to deliver the Knowledge Qualification(s) as detailed in **(table 1)**.

2.2 The Approved Centre shall be able to deliver the Knowledge Qualification(s) from a location within the identified region.

2.3 The Approved Centre will fund the delivery of the Knowledge Qualification(s) through a public funding contract.

3. SKILLS QUALIFICATION/TRAINING & ASSESSMENT REQUIREMENTS

3.1 The Approved Centre shall have all arrangements in place to deliver a period of skills training and assessment throughout the programme to reflect the requirements of the discipline specific ECITB vocational qualification(s) in this instance the ECITB Level 3 Diploma in Project Controls Practice and Techniques (RQF).

3.2 The Approved Centre shall be able to deliver the skills training and assessment against the stated VQ from a location within the identified region.

The Training Provider shall possess, or be able to access through a partnering arrangement, the essential physical resources to deliver the skills and assessments relating to the Pathways as listed in **(table 1)**.

ECITB Scholarship Programme Content;

The programme content in the table below lists the requirements of the Technical Scholarship (Project Control). In summary the Technical Scholarship is direct entry at RQF Level 3 or Scottish equivalents.

Where an ECITB qualification is referenced in the specification, formal contract execution will only be completed once the ECITB Awarding Organisation are satisfied the provider can meet all the criteria required to deliver the qualification.
