ANNEX 3 – STATEMENT OF REQUIREMENTS

1. PURPOSE

- 1.1 The Government Internal Audit Agency (GIAA) is seeking a provider to deliver event planning, management, support and the delivery of a virtual all-staff conference for approximately 500 people/staff and cross-government stakeholders and external partners. Support and planning would start immediately after award, with the virtual event delivered in the first week of October 2021. An indicative agenda is in Appendix 1 at the foot of this page.

2. BACKGROUND TO THE CONTRACTING AUTHORITY

- 2.1 The Government Internal Audit Agency (GIAA) is an executive agency of HM Treasury. The Department was set up in April 2015 to improve the quality of internal audits provided to the central government. The GIAA provides internal audit services to three-quarters of the central government.

3. BACKGROUND TO REQUIREMENT/OVERVIEW OF REQUIREMENT

- 3.1 After a period of growth and change, incorporating internal audit teams from across central government, the Agency is maturing and has a clear vision and mission – better insights and better outcomes. An all-staff conference was held in Manchester in 2019, the first-time colleagues based around the UK had the opportunity to come together and meet in person. In 2020, to build on that success, and to mark the Agency's 5th year we held a second conference, this time virtually in response to the pandemic.
- 3.2 Our people survey results tell us our people are highly engaged with their work, but not necessarily with the GIAA. Therefore, **the primary objectives for this event are: 1) to enable our people to feel part of one organisation; 2) to share the cross-government perspective; 3) to drive our shared vision of the future; 4) and to inspire our people.**
- 3.3 It is important that the conference is run in a professional way, demonstrating that we want to invest in our people and collectively agree on our future direction. This needs to happen whilst ensuring prudent expenditure of public funds.

- 3.4 The proposed format is essentially a one-day virtual conference split over two days. **Day 1 (6 October 2021)** to start at 12.30 and finish at 3pm and **Day 2 (7 October 2021)** to start at 10am and finish at 2pm (to include lunch and comfort breaks). An outline agenda (Appendix 1) has been developed but is subject to change and confirmation.
- 3.5 The final programme will take into account feedback from last year's event, which will be shared with the supplier upon award of contract.

- 5.6 The breakout sessions and plenary sessions need to be recorded for future reference via the GIAA intranet. These will need to be subtitled, with copyright and IP owned by the GIAA.
- 5.7 The virtual staff conference needs to be accessible by GIAA staff through their supplied HMT technology infrastructure. ANNEX 5 – CLARIFICATIONS

Ref	Bid Clarification Question	Response	Date Issued
1	- Under section 6.4.1 in the SoR we included details of the <i>'Requirement for the development of creative assets that would be used during the Staff Conference such as animated infographics, short form videos, Staff Conference branded presentation decks for use by speakers, assets for staff award ceremony.'</i> We note that in the supplied response <u>while Live Group have included 'Graphic Designer (per day) to create animated info-graphics, branded presentation deck/s and assets / visuals for the short Awards session' they have omitted the short form videos, for which we require 6 x 60 sec of video assets with raw content delivered by us and branded. Could you please clarify this and cost?</u> - Do we need a new wireframe for the site, can't we just repurpose the wireframe that exists	This would require 1 or 2 days of video editing time at £960 per day – dependent on full scope While we can't use last year's site (due to the registration paths within it, updates to the site, site functionality, security etc), we can use some of the assets you provided to us last year and use that. The site will need to be rebuilt however once the project is signed off and GIAA have met their delivery team, they will share the build document with GIAA for	05/08/2021

OFFICIAL

	the specific question is: Does the £6,200 for design and build of the event hub take into account re-using last year's? I feel we've done all that already and all we really need is to rebrand it? With regards to the tech checks, I note the allowance of £480 but it would be good to know on what basis this is increased and by what amount. For example is it hourly and what the rate is.	the site and we can see what it is you're after this year, and what we have on file to do that, and therefore the gaps that we would need you to send us to fill This is done in day blocks, at £480 per day. However, this can be done in just the one day, if you want group sessions as opposed to one on one sessions – hence the one day allowance.	
2	Can you also confirm that the timeline for delivery of this requirement can be met	Yes, this can be met, however we will need sign off to take place within the next 3 (/5) working days in order to resource a team and set up kick off calls	05/08/2021
