

HSE FLEXIBLE WORKFORCE SOLUTIONS FRAMEWORK ORDER FORM

PART 1 : CLIENT INFORMATION

HEALTH AND SAFETY EXECUTIVE CUSTOMER	Are they going to totally revise the scope of work – if so then they would need to start again. If they are just requesting a minor change to the scope of work then why can they not ask all the bidders to send in a revised quote. How did they choose the winning bid – was it just on cost or was it also on lead in time etc. If it was on all of these factors and the scope is not revised too much then maybe they could go back to the winning bidder but they could be open to a challenge if we did not give the other bidders the opportunity to revise their costs.
