6th June 2024

To Whom It May Concern,

RE: HORNCASTLE CEMETERY TOWER

Further to our recent enquiry please find enclosed a copy of the tender documents for the proposed repairs to the damaged Cemetery Tower. The building is a Victorian cemetery chapel. Suspected corrosion of embedded metalwork has occurred in the masonry supporting the spire. The embedded ties and tie rods are to be replaced with stainless steel and the stonework is to be repaired using indent repairs and new stonework as appropriate. In order to access the stonework for repair it will be necessary to lift or remove the tiled timber spire construction temporarily.

Please see attached the enclosed documents to help with your tender:

- SPEC.6013-DRAFT
- COMPARISON Minor Works Building Contract

Please note that the tender returns should be marked 'Tender Return' and sent to:

The Town Clerk
Horncastle Town Council
Town Council Office
Boston Road
Horncastle
LN9 6NF

or to tender@horncastletowncouncil.co.uk prior the opening of tender on Tuesday 2nd July at 8am. Please provide an indication of your earliest start date and estimated duration of works with your tender return.

If you wish to visit the property a MEWP will be made available on Thursday 27th and Friday the 28th of June for further inspection. Please contact us directly to make an appointment.

Yours sincerely

Theodore Rennie
