- 19.1 The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Agreement and such efforts shall involve the escalation of the dispute to an appropriately senior representative of each Party.
- 19.2 If the dispute cannot be resolved by the Parties within one month of being escalated as referred to in clause 19.1, the dispute may by agreement between the Parties be referred to a neutral adviser or mediator (the “**Mediator**”) chosen by agreement between the Parties. All negotiations connected with the dispute shall be conducted in confidence and without prejudice to the rights of the Parties in any further proceedings.
- 19.3 If the Parties fail to appoint a Mediator within one month, or fail to enter into a written agreement resolving the dispute within one month of the Mediator being appointed, either Party may exercise any remedy it has under applicable law.

20 GENERAL

- 20.1 Each of the Parties represents and warrants to the other that it has full capacity and authority, and all necessary consents, licences and permissions to enter into and perform its obligations under the Agreement, and that the Agreement is executed by its duly authorised representative.
- 20.2 A person who is not a party to the Agreement shall have no right to enforce any of its provisions which, expressly or by implication, confer a benefit on him, without the prior written agreement of the Parties.
- 20.3 The Agreement cannot be varied except in writing signed by a duly authorised representative of both the Parties.
- 20.4 The Agreement contains the whole agreement between the Parties and supersedes and replaces any prior written or oral agreements, representations or understandings between them. The Parties confirm that they have not entered into the Agreement on the basis of any representation that is not expressly incorporated into the Agreement. Nothing in this clause shall exclude liability for fraud or fraudulent misrepresentation.
- 20.5 Any waiver or relaxation either partly, or wholly of any of the terms and conditions of the Agreement shall be valid only if it is communicated to the other Party in writing and expressly stated to be a waiver. A waiver of any right or remedy arising from a breach of contract shall not constitute a waiver of any right or remedy arising from any other

OFFICIAL

breach of the Agreement.

- 20.6 The Agreement shall not constitute or imply any partnership, joint venture, agency, fiduciary relationship or other relationship between the Parties other than the contractual relationship expressly provided for in the Agreement. Neither Party shall have, nor represent that it has, any authority to make any commitments on the other Party's behalf.
- 20.7 Except as otherwise expressly provided by the Agreement, all remedies available to either Party for breach of the Agreement (whether under the Agreement, statute or common law) are cumulative and may be exercised concurrently or separately, and the exercise of one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.
- 20.8 If any provision of the Agreement is prohibited by law or judged by a court to be unlawful, void or unenforceable, the provision shall, to the extent required, be severed from the Agreement and rendered ineffective as far as possible without modifying the remaining provisions of the Agreement, and shall not in any way affect any other circumstances of or the validity or enforcement of the Agreement.

21 NOTICES

- 21.1 Any notice to be given under the Agreement shall be in writing and may be served by personal delivery, first class recorded or, subject to clause 21.3, e-mail to the address of the relevant Party set out in the Award Letter, or such other address as that Party may from time to time notify to the other Party in accordance with this clause:
- 21.2 Notices served as above shall be deemed served on the Working Day of delivery provided delivery is before 5.00pm on a Working Day. Otherwise delivery shall be deemed to occur on the next Working Day. An email shall be deemed delivered when sent unless an error message is received.
- 21.3 Notices under clauses 15 (Force Majeure) and 16 (Termination) may be served by email only if the original notice is then sent to the recipient by personal delivery or recorded delivery in the manner set out in clause 21.1.

22 GOVERNING LAW AND JURISDICTION

- 22.1 The validity, construction and performance of the Agreement, and all contractual and non-contractual matters arising out of it, shall be governed by English law and shall be subject to the exclusive jurisdiction of the English courts to which the Parties submit.

1. PURPOSE

- 1.1 The Authority is seeking a Provider to build and deliver an online communications platform/channel that shares experiences and best practice of when public private partnerships in the UK, and in other countries, have helped to tackle the most important challenges in society. The Authority requires the platform to be accessed and contributed to by civil servants, philanthropic organisations, civil society and businesses around the world.
- 1.2 The Authority also requires the potential Provider to create content for the channel so they will need to have experience for writing for this audience.

2. BACKGROUND TO THE CONTRACTING AUTHORITY

- 2.1 The Authority (Cabinet Office) supports the Prime Minister, and ensures the effective running of government. The Authority is also the corporate headquarters for government, in partnership with HM Treasury, and takes the lead in certain critical policy areas.

3. BACKGROUND TO REQUIREMENT/OVERVIEW OF REQUIREMENT

- 3.1 The Authority has been tasked with finding a way to share experiences and best practice of when businesses have partnered with government to tackle the most important challenges in society. The Authority requires the channel to be accessed and contributed to by civil servants and businesses around the world.
- 3.2 The Authority is seeking a Provider who has expertise in writing to a public policy audience as the Authority will require them to write articles on an ongoing basis to share the work and partnerships the Business Partnerships Team (BPT) within the Authority have. This will amplify the impact of the BPT work, by bringing together the world's most powerful partnership-driven solutions and its most incisive experts.
- 3.3 The Authority requires a platform that shares best practice around responsible business to public servants and businesses will also allow the Authority to design and scale deep, durable partnerships with businesses and the non-profit sector – as laid out in the new Prime Minister's policy priorities – to tackle society's largest and most complex problems.
- 3.4 The new partnerships highlighted and facilitated by the potential channel present an important opportunity for business, both in terms of growth and as a means of moving towards the greater alignment of revenue generation with positive social impact.
- 3.5 The Business Partnerships Team already specialises in finding ways to help private enterprise do well and do good at the same time; a strong external communications channel will take that work further, fostering new opportunities for the Authority, the businesses and partners involved, and ultimately for our society.

6. THE REQUIREMENT

- 6.1 The Authority is seeking a Provider to build and deliver an online communications platform/channel.
- 6.2 The platform shall have a global reach and relevance given best practice in partnerships can come from anywhere.
- 6.3 The platform shall be built with a focus on design and usability as research shows poor design is often a barrier to usefulness and longevity of use for busy policy makers.
- 6.4 The platform shall be dynamic, so its content adapts with the changing need of policy makers and business.
- 6.5 The platform shall have a network component, to enable members to contribute content and find and connect with peers and experts.

- 6.9 The Provider shall have expertise in writing for the target audience — who are public servants from across the world and businesses interested in projects which address a key societal challenge.
