

The Play Area

How would you rate the quality of the children's play area?

Very Poor Excellent

How do you think the children's play area could be improved?

Better variety of equipment would be good.
Sindelfingen park has excellent facilities including
rope climbing frames and more modern swings etc.
Cliffe park is lovely it has just become a bit
tired and needs a revamp.

If we are successful in this stage of the competition we will hold consultation events to help us get through to the second stage. If you would like to be involved please let us have your email address.

Recently the small play equipment has been removed so this could do with being replaced for children under 5.
Also the large climbing frame and slide is often broken and taped off so at the very least this should be repaired, made safe and re-painted.
All wants some TLC as looks a bit tired.

More Swings, Climbing apparatus and Slides
definitely a Water/Splash area.
Something for older kids eg - Skate park - bigger
Swings, Zip wire.

Graves and millhouses have it all and Cliff park
definitely has the space to create something
great!
