--------------------------	---

Call-Off General Term 3.

3.1 The Supplier hereby grants to the Buyer or will procure the granting of to the Buyer from its Subcontractors (as applicable), any and all licences required in accordance with the Law, in order to receive, store and use for the Permitted Purpose, from the Call-Off Start Date, Relevant Data sourced from its Relevant Subcontractors, pursuant to providing the Deliverables in accordance with this Call-Off Contract. Such licences shall be non-exclusive, non-transferable, non-assignable, sublicensable in accordance with Call-Off General Term 20, and only revocable in accordance with Call-Off General Terms 5, 6 and 19. Each licence shall have a term limited to the period for which the Buyer has the right to store and/or use the applicable data in accordance with this Call-Off Contract.

Call-Off General Term 4.

4.1 Where there are Additional Terms, these shall apply only to the Relevant Data, as provided by the Relevant Subcontractor, both as listed in Column 1 of the same row of that table in Call-Off Special Schedule 1.

4.2 If there is a contradiction between the Call-Off General Terms 1-20 and the Additional Terms in respect of (i) the licences granted to the Buyer to the Relevant Data in accordance with Call-Off General Term 3.1; (ii) the permitted use of the Relevant Data by the Buyer; or (iii) the definition of Permitted Purpose (including where Additional Terms further amend or incorporate additional permissions, requirements or restrictions relating to the permitted use of the Relevant Data (or the definition of Permitted Purpose), Call-Off General Terms 1-20 shall take precedence over any such Additional Terms. For the Avoidance of doubt, nothing shall be construed to limit the Buyer's use of the Relevant Data in accordance with Call-Off General Term 3.1 and the Permitted Purpose (as defined at Call-Off General Term 2).

The Supplier will notify the Buyer immediately in writing if it becomes aware of such revocation of a licence pursuant to this Call-Off General Term.

For the avoidance of doubt, any Supplier Non-Performance which arises pursuant to the operation of this Call-Off General Term will constitute a Default, except as otherwise provided for by the applicable Core Terms.

Call-Off General Term 7.

The Buyer will only use the Relevant Data in accordance with the Law and for the Permitted Purpose and will delete the Relevant Data when it is no longer reasonably required for the Permitted Purpose, except to the extent retention is necessary to comply with the Law.

Call-Off General Term 8.

If the Buyer reasonably suspects it has breached any Call-Off Special Term, it will notify the Supplier in writing of such suspected breach, within 5 Working Days of becoming aware of such suspected breach.

Call-Off General Term 13.

The Buyer will not alter any Intellectual Property Rights acknowledgement or confidentiality marking incorporated in the reports which contain the Relevant Data and will ensure such markings if included in such reports are also included in copies of the reports made by the Buyer during this Call-Off Contract. The Supplier will ensure that the Deliverables clearly identify the sources of the Relevant Data so that the Buyer is able to comply with the above requirements.

certification by the Supplier (or any independent or impartial inspection agents or auditors, selected by the Supplier and not unreasonably objected to by the Buyer) to ascertain compliance with the applicable Call-Off Special Terms, with reasonable notice and during regular business hours. Reasonable notice for the purposes of this clause means written notice issued to the Buyer which includes full details of the access the Supplier will require, and which is issued to the Buyer at least 60 days in advance. Such request will be subject to any necessary consent or approval from a regulatory or supervisory authority within the country of the Buyer, and any internal governance approval processes the Buyer is subject to, which consent or approval the Buyer will attempt to obtain in a timely fashion. Any right to access the Buyer's data processing facilities, data files and documentation will cease on termination and/or expiry of this Call-Off Contract.

**Call-Off General Term 18.**

The Buyer shall only process Personal Data pursuant to this Call-Off Contract in accordance with its obligations under Data Protection Legislation.

The Buyer will, pursuant to the above, if required by Data Protection Legislation:

- (a) notify the individual whose Personal Data is being processed pursuant to this Call-Off Contract, that their information will be disclosed to a credit reference agency, which may keep a record of that information and disclose it (and the fact that a search was made) to its other customers, including for the Permitted Purposes; and
- (b) on request from the individual whose Personal Data is being processed pursuant to this Call-Off Contract (which may be received directly or via the Supplier), provide a copy of the notification used to satisfy the above obligations to the individual concerned.

If requested by the Supplier, the Buyer will notify the Supplier in writing of the parts of the Data Protection Legislation it is relying on in order to receive and use the Deliverables, within 10 Working Days of a request being made.
