I am writing about the agreement made on 9 February 2022 between the Department for Transport ("**the Employer**") and Steer Davies & Gleave Ltd ("**the Supplier**") regarding the above work package order.

This letter is to extend the original agreement by one month until 28 April 2022 and in accordance with the same terms and conditions as specified in the original agreement of 9 February 2022. The contract amendment is required to ensure the supplier has enough time to engage sufficiently with the stakeholders and material. The contract value remains unchanged at **£27,420 excluding VAT**.

The Supplier's services under this Work Package Order will continue to be charged on a Time/Material basis as governed by the NEC 4 Professional Services Contract.

Please acknowledge receipt and acceptance of this letter by signing and returning an electronic copy to me. [REDACTED] discuss detailed arrangements for the continuation of this work package.

Yours sincerely,
