- 2.3 The BCDR Plan shall be divided into three sections:
- 2.3.1 Section 1 which shall set out general principles applicable to the BCDR Plan;
 - 2.3.2 Section 2 which shall relate to business continuity (the "**Business Continuity Plan**"); and
 - 2.3.3 Section 3 which shall relate to disaster recovery (the "**Disaster Recovery Plan**").
- 2.4 Following receipt of the draft BCDR Plan from the Supplier, the Parties shall use reasonable endeavours to agree the contents of the BCDR Plan. If the Parties are unable to agree the contents of the BCDR Plan within twenty (20) Working Days of its submission, then such Dispute shall be resolved in accordance with the Dispute Resolution Procedure.

3. General Principles of the BCDR Plan (Section 1)

- 3.1 Section 1 of the BCDR Plan shall:
- 3.1.1 set out how the business continuity and disaster recovery elements of the BCDR Plan link to each other;
 - 3.1.2 provide details of how the invocation of any element of the BCDR Plan may impact upon the provision of the Deliverables and any goods and/or services provided to the Buyer by a Related Supplier;
 - 3.1.3 contain an obligation upon the Supplier to liaise with the Buyer and any Related Suppliers with respect to business continuity and disaster recovery;
 - 3.1.4 detail how the BCDR Plan interoperates with any overarching disaster recovery or business continuity plan of the Buyer and any of its other Related Supplier in each case as notified to the Supplier by the Buyer from time to time;
 - 3.1.5 contain a communication strategy including details of an incident and problem management service and advice and help desk facility which can be accessed via multiple channels;
 - 3.1.6 contain a risk analysis, including:
 - (a) failure or disruption scenarios and assessments of likely frequency of occurrence;
 - (b) identification of any single points of failure within the provision of Deliverables and processes for managing those risks;
 - (c) identification of risks arising from the interaction of the provision of Deliverables with the goods and/or services provided by a Related Supplier; and
 - (d) a business impact analysis of different anticipated failures or disruptions;

- 3.1.7 provide for documentation of processes, including business processes, and procedures;
- 3.1.8 set out key contact details for the Supplier (and any Subcontractors) and for the Buyer;
- 3.1.9 identify the procedures for reverting to "normal service";
- 3.1.10 set out method(s) of recovering or updating data collected (or which ought to have been collected) during a failure or disruption to minimise data loss;
- 3.1.11 identify the responsibilities (if any) that the Buyer has agreed it will assume in the event of the invocation of the BCDR Plan; and
- 3.1.12 provide for the provision of technical assistance to key contacts at the Buyer as required by the Buyer to inform decisions in support of the Buyer's business continuity plans.
- 3.2 The BCDR Plan shall be designed so as to ensure that:
 - 3.2.1 the Deliverables are provided in accordance with this Contract at all times during and after the invocation of the BCDR Plan;
 - 3.2.2 the adverse impact of any Disaster is minimised as far as reasonably possible;
 - 3.2.3 it complies with the relevant provisions of ISO/IEC 27002; ISO22301/ISO22313 and all other industry standards from time to time in force; and
 - 3.2.4 it details a process for the management of disaster recovery testing.
- 3.3 The BCDR Plan shall be upgradeable and sufficiently flexible to support any changes to the Deliverables and the business operations supported by the provision of Deliverables.
- 3.4 The Supplier shall not be entitled to any relief from its obligations under the Performance Indicators (PI's) or Service levels, or to any increase in the Charges to the extent that a Disaster occurs as a consequence of any breach by the Supplier of this Contract.

4. Business Continuity (Section 2)

- 4.1 The Business Continuity Plan shall set out the arrangements that are to be invoked to ensure that the business processes facilitated by the provision of Deliverables remain supported and to ensure continuity of the business operations supported by the Services including:
 - 4.1.1 the alternative processes, options and responsibilities that may be adopted in the event of a failure in or disruption to the provision of Deliverables; and
 - 4.1.2 the steps to be taken by the Supplier upon resumption of the provision of Deliverables in order to address the effect of the failure or disruption.

Call-Off Schedule 8 (Business Continuity and Disaster Recovery)

Call-Off Ref:

4.2 The Business Continuity Plan shall:

- 4.2.1 address the various possible levels of failures of or disruptions to the provision of Deliverables;
- 4.2.2 set out the goods and/or services to be provided and the steps to be taken to remedy the different levels of failures of and disruption to the Deliverables;
- 4.2.3 specify any applicable Performance Indicators with respect to the provision of the Business Continuity Services and details of any agreed relaxation to the Performance Indicators (PI's) or Service Levels in respect of the provision of other Deliverables during any period of invocation of the Business Continuity Plan; and
- 4.2.4 set out the circumstances in which the Business Continuity Plan is invoked.

5. Disaster Recovery (Section 3)

- 5.1 The Disaster Recovery Plan (which shall be invoked only upon the occurrence of a Disaster) shall be designed to ensure that upon the occurrence of a Disaster the Supplier ensures continuity of the business operations of the Buyer supported by the Services following any Disaster or during any period of service failure or disruption with, as far as reasonably possible, minimal adverse impact.
- 5.2 The Supplier's BCDR Plan shall include an approach to business continuity and disaster recovery that addresses the following:
 - 5.2.1 loss of access to the Buyer Premises;
 - 5.2.2 loss of utilities to the Buyer Premises;
 - 5.2.3 loss of the Supplier's helpdesk or CAFM system;
 - 5.2.4 loss of a Subcontractor;
 - 5.2.5 emergency notification and escalation process;
 - 5.2.6 contact lists;
 - 5.2.7 staff training and awareness;
 - 5.2.8 BCDR Plan testing;
 - 5.2.9 post implementation review process;
 - 5.2.10 any applicable Performance Indicators (PI's) with respect to the provision of the disaster recovery services and details of any agreed relaxation to the Performance Indicators (PI's) or Service Levels in respect of the provision of other Deliverables during any period of invocation of the Disaster Recovery Plan;
 - 5.2.11 details of how the Supplier shall ensure compliance with security standards ensuring that compliance is maintained for any period during which the Disaster Recovery Plan is invoked;

5.2.12 access controls to any disaster recovery sites used by the Supplier in relation to its obligations pursuant to this Schedule; and

5.2.13 testing and management arrangements.

6. Review and changing the BCDR Plan

6.1 The Supplier shall review the BCDR Plan:

6.1.1 on a regular basis and as a minimum once every six (6) Months;

6.1.2 within three (3) calendar Months of the BCDR Plan (or any part) having been invoked pursuant to Paragraph 7; and

6.1.3 where the Buyer requests in writing any additional reviews (over and above those provided for in Paragraphs 6.1.1 and 6.1.2 of this Schedule) whereupon the Supplier shall conduct such reviews in accordance with the Buyer's written requirements. Prior to starting its review, the Supplier shall provide an accurate written estimate of the total costs payable by the Buyer for the Buyer's approval. The costs of both Parties of any such additional reviews shall be met by the Buyer except that the Supplier shall not be entitled to charge the Buyer for any costs that it may incur above any estimate without the Buyer's prior written approval.

6.2 Each review of the BCDR Plan pursuant to Paragraph 6.1 shall assess its suitability having regard to any change to the Deliverables or any underlying business processes and operations facilitated by or supported by the Services which have taken place since the later of the original approval of the BCDR Plan or the last review of the BCDR Plan, and shall also have regard to any occurrence of any event since that date (or the likelihood of any such event taking place in the foreseeable future) which may increase the likelihood of the need to invoke the BCDR Plan. The review shall be completed by the Supplier within such period as the Buyer shall reasonably require.

6.3 The Supplier shall, within twenty (20) Working Days of the conclusion of each such review of the BCDR Plan, provide to the Buyer a report (a **"Review Report"**) setting out the Supplier's proposals (the **"Supplier's Proposals"**) for addressing any changes in the risk profile and its proposals for amendments to the BCDR Plan.

6.4 Following receipt of the Review Report and the Supplier's Proposals, the Parties shall use reasonable endeavours to agree the Review Report and the Supplier's Proposals. If the Parties are unable to agree Review Report and the Supplier's Proposals within twenty (20) Working Days of its submission, then such Dispute shall be resolved in accordance with the Dispute Resolution Procedure.

6.5 The Supplier shall as soon as is reasonably practicable after receiving the approval of the Supplier's Proposals effect any change in its practices or procedures necessary so as to give effect to the Supplier's Proposals. Any such change shall be at the Supplier's expense unless it can be reasonably

Call-Off Schedule 8 (Business Continuity and Disaster Recovery)

shown that the changes are required because of a material change to the risk profile of the Deliverables.

7. Testing the BCDR Plan

7.1 The Supplier shall test the BCDR Plan:

7.1.1 regularly and in any event not less than once in every Contract Year;

7.1.2 in the event of any major reconfiguration of the Deliverables

7.1.3 at any time where the Buyer considers it necessary (acting in its sole discretion).

7.2 If the Buyer requires an additional test of the BCDR Plan, it shall give the Supplier written notice and the Supplier shall conduct the test in accordance with the Buyer's requirements and the relevant provisions of the BCDR Plan. The Supplier's costs of the additional test shall be borne by the Buyer unless the BCDR Plan fails the additional test in which case the Supplier's costs of that failed test shall be borne by the Supplier.

7.3 The Supplier shall undertake and manage testing of the BCDR Plan in full consultation with and under the supervision of the Buyer and shall liaise with the Buyer in respect of the planning, performance, and review, of each test, and shall comply with the reasonable requirements of the Buyer.

7.4 The Supplier shall ensure that any use by it or any Subcontractor of "live" data in such testing is first approved with the Buyer. Copies of live test data used in any such testing shall be (if so required by the Buyer) destroyed or returned to the Buyer on completion of the test.

7.5 The Supplier shall, within twenty (20) Working Days of the conclusion of each test, provide to the Buyer a report setting out:

7.5.1 the outcome of the test;

7.5.2 any failures in the BCDR Plan (including the BCDR Plan's procedures) revealed by the test; and

7.5.3 the Supplier's proposals for remedying any such failures.

7.6 Following each test, the Supplier shall take all measures requested by the Buyer to remedy any failures in the BCDR Plan and such remedial activity and re-testing shall be completed by the Supplier, at its own cost, by the date reasonably required by the Buyer.

8. Invoking the BCDR Plan

8.1 In the event of a complete loss of service or in the event of a Disaster, the Supplier shall immediately invoke the BCDR Plan (and shall inform the Buyer promptly of such invocation). In all other instances the Supplier shall invoke or test the BCDR Plan only with the prior consent of the Buyer.

Call-Off Schedule 9 (Security)

Part A: Short Form Security Requirements

1. Definitions

- 1.1 In this Schedule, the following words shall have the following meanings and they shall supplement Joint Schedule 1 (Definitions):

"Breach of Security"

1 the occurrence of:

- a) any unauthorised access to or use of the Deliverables, the Sites and/or any Information and Communication Technology ("ICT"), information or data (including the Confidential Information and the Government Data) used by the Buyer and/or the Supplier in connection with this Contract; and/or
- b) the loss and/or unauthorised disclosure of any information or data (including the Confidential Information and the Government Data), including any copies of such information or data, used by the Buyer and/or the Supplier in connection with this Contract,

2 in either case as more particularly set out in the Security Policy where the Buyer has required compliance therewith in accordance with paragraph 2.2;

"Security Management Plan"

3 the Supplier's security management plan prepared pursuant to this Schedule, a draft of which has been provided by the Supplier to the Buyer and as updated from time to time.

2. Complying with security requirements and updates to them

- 2.1 The Buyer and the Supplier recognise that, where specified in Framework Schedule 4 (Framework Management), CCS shall have the right to enforce the Buyer's rights under this Schedule.
- 2.2 The Supplier shall comply with the requirements in this Schedule in respect of the Security Management Plan. Where specified by a Buyer that has undertaken a Further Competition it shall also comply with the Security Policy

Call-Off Schedule 9 (Security)

Call-Off Ref:

and shall ensure that the Security Management Plan produced by the Supplier fully complies with the Security Policy.

- 2.3 Where the Security Policy applies the Buyer shall notify the Supplier of any changes or proposed changes to the Security Policy.
- 2.4 If the Supplier believes that a change or proposed change to the Security Policy will have a material and unavoidable cost implication to the provision of the Deliverables it may propose a Variation to the Buyer. In doing so, the Supplier must support its request by providing evidence of the cause of any increased costs and the steps that it has taken to mitigate those costs. Any change to the Charges shall be subject to the Variation Procedure.
- 2.5 Until and/or unless a change to the Charges is agreed by the Buyer pursuant to the Variation Procedure the Supplier shall continue to provide the Deliverables in accordance with its existing obligations.

3. Security Standards

- 3.1 The Supplier acknowledges that the Buyer places great emphasis on the reliability of the performance of the Deliverables, confidentiality, integrity and availability of information and consequently on security.
- 3.2 The Supplier shall be responsible for the effective performance of its security obligations and shall at all times provide a level of security which:
 - 3.2.1 is in accordance with the Law and this Contract;
 - 3.2.2 as a minimum demonstrates Good Industry Practice;
 - 3.2.3 meets any specific security threats of immediate relevance to the Deliverables and/or the Government Data; and
 - 3.2.4 where specified by the Buyer in accordance with paragraph 2.2 complies with the Security Policy and the ICT Policy.
- 3.3 The references to standards, guidance and policies contained or set out in Paragraph 3.2 shall be deemed to be references to such items as developed and updated and to any successor to or replacement for such standards, guidance and policies, as notified to the Supplier from time to time.
- 3.4 In the event of any inconsistency in the provisions of the above standards, guidance and policies, the Supplier should notify the Buyer's Representative of such inconsistency immediately upon becoming aware of the same, and the Buyer's Representative shall, as soon as practicable, advise the Supplier which provision the Supplier shall be required to comply with.

4. Security Management Plan

4.1 Introduction

- 4.1.1 The Supplier shall develop and maintain a Security Management Plan in accordance with this Schedule. The Supplier shall thereafter comply with its obligations set out in the Security Management Plan.

Call-Off Schedule 9 (Security)

Call-Off Ref:

Crown Copyright 2020

4.2 Content of the Security Management Plan

4.2.1 The Security Management Plan shall:

- a) comply with the principles of security set out in Paragraph 3 and any other provisions of this Contract relevant to security;
- b) identify the necessary delegated organisational roles for those responsible for ensuring it is complied with by the Supplier;
- c) detail the process for managing any security risks from Subcontractors and third parties authorised by the Buyer with access to the Deliverables, processes associated with the provision of the Deliverables, the Buyer Premises, the Sites and any ICT, Information and data (including the Buyer's Confidential Information and the Government Data) and any system that could directly or indirectly have an impact on that Information, data and/or the Deliverables;
- d) be developed to protect all aspects of the Deliverables and all processes associated with the provision of the Deliverables, including the Buyer Premises, the Sites, and any ICT, Information and data (including the Buyer's Confidential Information and the Government Data) to the extent used by the Buyer or the Supplier in connection with this Contract or in connection with any system that could directly or indirectly have an impact on that Information, data and/or the Deliverables;
- e) set out the security measures to be implemented and maintained by the Supplier in relation to all aspects of the Deliverables and all processes associated with the provision of the Goods and/or Services and shall at all times comply with and specify security measures and procedures which are sufficient to ensure that the Deliverables comply with the provisions of this Contract;
- f) set out the plans for transitioning all security arrangements and responsibilities for the Supplier to meet the full obligations of the security requirements set out in this Contract and, where necessary in accordance with paragraph 2.2 the Security Policy; and
- g) be written in plain English in language which is readily comprehensible to the staff of the Supplier and the Buyer engaged in the provision of the Deliverables and shall only reference documents which are in the possession of the Parties or whose location is otherwise specified in this Schedule.

4.3 Development of the Security Management Plan

- #### **4.3.1**
- Within twenty (20) Working Days after the Start Date and in accordance with Paragraph 4.4, the Supplier shall prepare and deliver to the Buyer for Approval a fully complete and up to date Security Management Plan which will be based on the draft Security Management Plan.

Call-Off Schedule 9 (Security)

Call-Off Ref:

Crown Copyright 2020

- 4.3.2 If the Security Management Plan submitted to the Buyer in accordance with Paragraph 4.3.1, or any subsequent revision to it in accordance with Paragraph 4.4, is Approved it will be adopted immediately and will replace the previous version of the Security Management Plan and thereafter operated and maintained in accordance with this Schedule. If the Security Management Plan is not Approved, the Supplier shall amend it within ten (10) Working Days of a notice of non-approval from the Buyer and re-submit to the Buyer for Approval. The Parties will use all reasonable endeavours to ensure that the approval process takes as little time as possible and in any event no longer than fifteen (15) Working Days from the date of its first submission to the Buyer. If the Buyer does not approve the Security Management Plan following its resubmission, the matter will be resolved in accordance with the Dispute Resolution Procedure.
- 4.3.3 The Buyer shall not unreasonably withhold or delay its decision to Approve or not the Security Management Plan pursuant to Paragraph 4.3.2. However a refusal by the Buyer to Approve the Security Management Plan on the grounds that it does not comply with the requirements set out in Paragraph 4.2 shall be deemed to be reasonable.
- 4.3.4 Approval by the Buyer of the Security Management Plan pursuant to Paragraph 4.3.2 or of any change to the Security Management Plan in accordance with Paragraph 4.4 shall not relieve the Supplier of its obligations under this Schedule.

4.4 Amendment of the Security Management Plan

- 4.4.1 The Security Management Plan shall be fully reviewed and updated by the Supplier at least annually to reflect:
- a) emerging changes in Good Industry Practice;
 - b) any change or proposed change to the Deliverables and/or associated processes;
 - c) where necessary in accordance with paragraph 2.2, any change to the Security Policy;
 - d) any new perceived or changed security threats; and
 - e) any reasonable change in requirements requested by the Buyer.
- 4.4.2 The Supplier shall provide the Buyer with the results of such reviews as soon as reasonably practicable after their completion and amendment of the Security Management Plan at no additional cost to the Buyer. The results of the review shall include, without limitation:
- a) suggested improvements to the effectiveness of the Security Management Plan;
 - b) updates to the risk assessments; and

Call-Off Schedule 9 (Security)

Call-Off Ref:

c) suggested improvements in measuring the effectiveness of controls.

4.4.3 Subject to Paragraph 4.4.4, any change or amendment which the Supplier proposes to make to the Security Management Plan (as a result of a review carried out in accordance with Paragraph 4.4.1, a request by the Buyer or otherwise) shall be subject to the Variation Procedure.

4.4.4 The Buyer may, acting reasonably, Approve and require changes or amendments to the Security Management Plan to be implemented on timescales faster than set out in the Variation Procedure but, without prejudice to their effectiveness, all such changes and amendments shall thereafter be subject to the Variation Procedure for the purposes of formalising and documenting the relevant change or amendment.

5. Security breach

5.1 Either Party shall notify the other in accordance with the agreed security incident management process (as detailed in the Security Management Plan) upon becoming aware of any Breach of Security or any potential or attempted Breach of Security.

5.2 Without prejudice to the security incident management process, upon becoming aware of any of the circumstances referred to in Paragraph 5.1, the Supplier shall:

5.2.1 immediately take all reasonable steps (which shall include any action or changes reasonably required by the Buyer) necessary to:

- a) minimise the extent of actual or potential harm caused by any Breach of Security;
- b) remedy such Breach of Security to the extent possible and protect the integrity of the Buyer and the provision of the Goods and/or Services to the extent within its control against any such Breach of Security or attempted Breach of Security;
- c) prevent an equivalent breach in the future exploiting the same cause failure; and
- d) as soon as reasonably practicable provide to the Buyer, where the Buyer so requests, full details (using the reporting mechanism defined by the Security Management Plan) of the Breach of Security or attempted Breach of Security, including a cause analysis where required by the Buyer.

5.3 In the event that any action is taken in response to a Breach of Security or potential or attempted Breach of Security that demonstrates non-compliance of the Security Management Plan with the Security Policy (where relevant in accordance with paragraph 2.2) or the requirements of this Schedule, then any

required change to the Security Management Plan shall be at no cost to the Buyer.

Call-Off Schedule 9 (Security)

Call-Off Ref:

Crown Copyright 2020

Annex 1 – DIT Security Guidance

DIT takes the security of all its assets very seriously including Information, Personnel, and Physical assets and the information outlined in this schedule contributes to ensuring all risks, breaches or incidents are managed appropriately.

All DIT third party suppliers must maintain an appropriate level of security to ensure the protection of DIT assets throughout the duration of the contract and to safeguard DIT assets from any unauthorised access, loss or disclosure of information handled in respect of the contract.

Security Policy

DIT has security policies and procedures for the protection of all assets including detecting, reporting, responding to and handling security incidents and breaches. Suppliers must adhere to DIT protective security requirements to ensure they manage risks and protect DIT Assets when handling them on behalf of DIT - (This will include any sub-contractors).

Information Security

Information security is the preservation of confidentiality, integrity and availability of DIT information. It may also include the authenticity, accountability, non-repudiation and reliability of information.

Government Security Classifications Policy

Suppliers handling DIT information must do so in accordance with the HMG Security Classifications Policy and designated handling instructions.

OFFICIAL

The supplier must ensure all personnel having access to DIT OFFICIAL information have undergone basic recruitment checks (further details given below in Personnel Security).

Access to OFFICIAL information with the OFFICIAL-SENSITIVE handling caveat must be confined to individuals on a “need-to-know” basis and whose access is essential for the purpose of their duties.

UK SENSITIVE INFORMATION

Information will only be handled by a Supplier where DIT has notified the Supplier prior to receipt of this information and the supplier must implement measures as agreed with DIT in order to ensure that information is safeguarded in accordance with the applicable HMG Standards and DIT policy & procedures.

Personnel Security

Any supplier accessing DIT buildings unaccompanied or accessing DIT information must be subject to pre-employment screening checks commensurate with the security requirements. This entails identity, nationality and criminal record checks. This will be at least Baseline Personnel Security Standard (BPSS) but National Security Vetting up to SC or DV Clearance will be required for work on UK sensitive information. All supplier personnel required to undergo the relevant security checks will be sponsored to do so by DIT.

Call-Off Schedule 9 (Security)

Call-Off Ref:

Training

Supplier personnel who will be given unaccompanied access to DIT premises must attend a DIT security induction prior to being permitted to have unaccompanied access to DIT premises.

If supplier personnel are not working on DIT premises they must have regular and or equivalent security training for staff.

All individuals working on UK sensitive information must receive the relevant DIT training before they are permitted access to the classified materials.

Risk Management and Security Plan

A Security Plan will be required from the Supplier where work is identified as being high risk. This should be developed and maintained for the duration of the contract period.

Legislative, Regulatory and Contractual Requirements

DIT requires the security of its information to be maintained in order to ensure reliability of its information for business needs; to meet statutory; regulatory; legislative and policy obligations. Suppliers handling DIT information must do so in accordance with relevant legislation.

Suppliers sharing DIT information will be subject to a confidentiality clause or non-disclosure agreement and are subject to the Official Secrets Act.

- Where relevant the following legislation may apply:
- Data Protection Act 2018 (GDPR)
- Public Records Acts 1958
- Freedom of Information Act 2000
- Environmental Information Regulations 2004
- Human Rights Act 1998
- Computer Misuse Act 1990
- Copyright (Computer Programs) Regulations
- Communications Act 2003
- Regulation of Investigatory Powers Act 2000

The Codes of conduct for suppliers outline the standards and behaviours that the government expects of all suppliers and grant recipients.

General Data Protection Regulation (GDPR)

If the supplier handles personal data a 'Data Privacy Impact Assessment' (DPIA) will be carried out. The DPIA assesses the risks against the GDPR and DIT legal requirements.

Access to DIT Information & Systems

Call-Off Schedule 9 (Security)

Call-Off Ref:

Crown Copyright 2020

Any supplier granted access to DIT information assets and systems must comply with the requirements of DIT Acceptable Use Policy. Failure to comply with these policies and other relevant instructions may constitute a breach of contract and lead to termination or legal action.

Information Assurance Questionnaire

If the supplier is required to handle DIT data on behalf of DIT then a cyber security risk assessment will be carried out.

The Cyber and Information Assurance Questionnaire is a series of questions which seeks to identify the risks and establish what security controls are required. Only the successful Tenderer will be required to complete the Cyber and Information Assurance Questionnaire.

Physical Security

Where the service delivery is to be carried out on the supplier's own premises or buildings, the supplier must have policies and building facilities, which protect DIT assets and maintain the principle standards for protection at the OFFICIAL level for relevant working space. Including appropriate security policies in adherence to DIT security practices e.g.

- Clear desk & Screen policy for all staff with access to DIT information must be followed;
- Suitable secure storage facilities must be provided;
- Policy for working with and the secure movement (internally), or transportation (externally) of sensitive material must be followed;
- Only staff with the need to know should have access to DIT information;
- Disposal and destruction facilities must be appropriate for the classification level of the information.

Data Loss and Incident Management & Response

The supplier must have a security incident reporting process in place to ensure that any incidents involving DIT information or business are immediately reported to DIT Departmental Security Unit (DSU). Suppliers must agree to undertake any remedial action required by DIT and ensure that this is implemented in an auditable way. Any security incident involving OFFICIAL-SENSITIVE information or above and/or personal information, must be immediately reported to DSU.

DIT Right to Audit

The Supplier's delivery and implantation of appropriate security requirements outlines in the contract and specified in the security plan will be monitored by DIT.

DIT maintains the right to audit and test the suppliers or any sub-contractor's security controls periodically, or upon significant changes or its contractual relationships. DIT may require annual assurance from suppliers based on the risks.

Call-Off Schedule 9 (Security)

Call-Off Ref:

Crown Copyright 2020

DIT also expects suppliers to manage any sub-contractors in complying with DIT Security requirements, including auditing or seeking assurances from sub-contractors when required.

Return/ Disposal/Destruction of Information

It is the Supplier's responsibility to ensure that DIT data/documentation is appropriately handled. During the lifecycle of the contract, the Supplier should securely return/retain/store/archive information upon DIT's request.

At contract expiry or termination, when the data is no longer required for its intended use or purpose, where possible, information should be returned to DIT electronically. All other data should be destroyed by the Supplier in accordance with NCSC guidance.
