Our deliveries, services and offers shall be made exclusively based on the attached General Terms and Conditions of Sale and Delivery of YXLON International GmbH, Version September 2019. These also apply to all future business transactions insofar as those transactions are legally of the same or similar nature.

Terms and conditions of the customer shall not apply, even if we do not separately object to their validity. Deviating or contradictory terms and conditions shall therefore only apply if they have been accepted by us in writing.

In deviation from the term stated in the contract text, a contract term of only 12 months can also be agreed. In this case, no price guarantee is given beyond this period. If a renewal is requested at the end of the contract year, the offer will be based on the price valid at that time.
