extra costs occasioned by any discrepancies, errors or omissions therein.

1.7. Conflicts of Interest

- 1.7.1. The Contractor shall take appropriate steps to ensure that neither the Contractor nor any Staff is placed in a position where, in the reasonable opinion of the Client, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Contractor and the duties owed to the Client under the provisions of the Contract. The Contractor will disclose to the Client full particulars of any such conflict of interest which may arise.
- 1.7.2. The Client reserves the right to terminate the Contract immediately by notice in writing and/or to take such other steps it deems necessary where, in the reasonable opinion of the Client, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Contractor and the duties owed to the Client under the provisions of the Contract. The actions of the Client pursuant to this clause shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to the Client.

2. SUPPLY OF SERVICES

2.1. The Services

- 2.1.1. The Contractor shall supply the Services during the Contract Period in accordance with the Client's requirements as set out in the Specification and the provisions of the Contract in consideration of the payment of the Contract Price. The Client may inspect and examine the manner in which the Contractor supplies the Services at the Premises during normal business hours on reasonable notice.
- 2.1.2. If the Client informs the Contractor in writing that the Client reasonably believes that any part of the Services does not meet the requirements of the Contract or differ in any way from those requirements, and this is other than as a result of a Default by the Client, the Contractor shall at its own expense re-schedule and carry out the Services in accordance with the requirements of the Contract within such reasonable time as may be specified by the Client.

2.2. Provision and Removal of Equipment

- 2.2.1. The Contractor shall provide all the Equipment necessary for the supply of the Services.
- 2.2.2. The Contractor shall not deliver any Equipment nor begin any work on the Premises without obtaining prior Approval.
- 2.2.3. All Equipment brought onto the Premises shall be at the Contractor's own risk and the Client shall have no liability for any loss of or damage to any Equipment unless the Contractor is able to demonstrate that such loss or damage was caused or contributed to by the Client's Default. The Contractor shall provide for the haulage or carriage thereof to the Premises and the removal of Equipment when no longer required at its sole cost. Unless otherwise agreed, Equipment brought onto the Premises will

remain the property of the Contractor.

2.2.4. The Contractor shall maintain all items of Equipment within the Premises in a safe, serviceable and clean condition.

2.2.5. The Contractor shall, at the Client's written request, at its own expense and as soon as reasonably practicable:

- remove from the Premises and Equipment which in the reasonable opinion of the Client is either hazardous, noxious or not in accordance with the Contract; and
- replace such item with a suitable substitute item of Equipment.

2.2.6. On completion of the Services the Contractor shall remove the Equipment together with any other materials used by the Contractor to supply the Services and shall leave the Premises in a clean, safe and tidy condition. The Contractor is solely responsible for making good any damage to the Premises or any objects contained thereon, other than fair wear and tear, which is caused by the Contractor or any Staff.

2.3. Manner of Carrying Out the Services

2.3.1. The Contractor shall at all times comply with the Quality Standards, and where applicable shall maintain accreditation with the relevant Quality Standards authorisation body. To the extent that the standard of Services has not been specified in the Contract, the Contractor shall agree the relevant standard of the Services with the Client prior to the supply of the Services and, in any event, the Contractor shall perform its obligations under the Contract in accordance with the Law and Good Industry Practice.

2.3.2. The Contractor shall ensure that all Staff supplying the Services shall do so with all due skill, care and diligence and shall possess such qualifications, skills and experience as are necessary for the proper supply of the Services.

2.4. Key Personnel

2.4.1. The Contractor acknowledges that the Key Personnel are essential to the proper provision of the Services to the Client.

2.4.2. The Key Personnel shall not be released from supplying the Services without the agreement of the Client, except by reason of long-term sickness, maternity leave, paternity leave or termination of employment and other extenuating circumstances.

2.4.3. Any replacements to the Key Personnel shall be subject to the agreement of the Client. Such replacements shall be of at least equal status or of equivalent experience and skills to the Key Personnel being replaced and be suitable for the responsibilities of that person in relation to the Services.

2.4.4. The Client shall not unreasonably withhold its agreement under clauses 2.4.2 or 2.4.3. Such agreement shall be conditional on appropriate arrangements being made by the Contractor to minimise any adverse impact on the Contract which could be caused by a change in Key

Personnel.

2.5. Contractor's Staff

2.5.1. The Client may, by written notice to the Contractor, refuse to admit onto, or withdraw permission to remain on, the Premises:

- any member of the Staff; or
- any person employed or engaged by any member of the Staff,
- whose admission or continued presence would, in the reasonable opinion of the Client, be undesirable.

2.5.2. At the Client's written request, the Contractor shall provide a list of the names and addresses of all persons who may require admission in connection with the Contract to the Premises, specifying the capacities in which they are concerned with the Contract and giving such other particulars as the Client may reasonably request.

2.5.3. The Contractor's Staff, engaged within the boundaries of the Premises, shall comply with such rules, regulations and requirements (including those relating to security arrangements) as may be in force from time to time for the conduct of personnel when at or outside the Premises.

2.5.4. The Contractor shall comply with Staff Vetting Procedures in respect of all persons employed or engaged in the provision of the Services. The Contractor confirms that all persons employed or engaged by the Contractor were vetted and recruited on a basis that is equivalent to and no less strict than the Staff Vetting Procedures.

2.5.5. The Client may require the Contractor to ensure that any person employed in the provision of the Services has undertaken a Criminal Records Bureau check as per the Staff Vetting Procedures. The Contractor shall ensure that no person who discloses that he/she has a Relevant Conviction, or is found by the Contractor to have a Relevant Conviction (whether as a result of a police check or through the Criminal Records Bureau check or otherwise) is employed or engaged in the provision of any part of the Services.

2.5.6. If the Contractor fails to comply with clause 2.5.2 within 2 Months of the date of the request and in the reasonable opinion of the Client, such failure may be prejudicial to the interests of the Crown, then the Client may terminate the Contract, provided always that such termination shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to the Client.

2.5.7. The decision of the Client as to whether any person is to be refused access to the Premises and as to whether the Contractor has failed to comply with clause 2.5.2 shall be final and conclusive.

2.6. Inspection of Premises

2.6.1. Save as the Client may otherwise direct, the Contractor is deemed to have inspected the Premises before submitting its Tender and to have made appropriate enquiries so as to be satisfied in relation to all matters

connected with the performance of its obligations under the Contract.

2.7. Licence to occupy Premises

- 2.7.1. Any land or Premises made available from time to time to the Contractor by the Client in connection with the Contract shall be made available to the Contractor on a non-exclusive licence basis free of charge and shall be used by the Contractor solely for the purpose of performing its obligations under the Contract. The Contractor shall have the use of such land or Premises as licensee and shall vacate the same on completion, termination or abandonment of the Contract.
- 2.7.2. The Contractor shall limit access to the land or Premises to such Staff as is necessary to enable it to perform its obligations under the Contract and the Contractor shall co-operate (and ensure that its Staff co-operate) with such other persons working concurrently on such land or Premises as the Client may reasonably request.
- 2.7.3. Should the Contractor require modifications to the Premises, such modifications shall be subject to prior Approval and shall be carried out by the Client at the Contractor's expense. The Client shall undertake approved modification work without undue delay. Ownership of such modifications shall rest with the Client.
- 2.7.4. The Contractor shall (and shall ensure that its Staff shall) observe and comply with such rules and regulations as may be in force at any time for the use of such Premises as determined by the Client, and the Contractor shall pay for the cost of making good any damage caused by the Contractor or its Staff other than fair wear and tear. For the avoidance of doubt, damage includes damage to the fabric of the buildings, plant, fixed equipment or fittings therein.
- 2.7.5. The Parties agree that there is no intention on the part of the Client to create a tenancy of any nature whatsoever in favour of the Contractor or its Staff and that no such tenancy has or shall come into being and, notwithstanding any rights granted pursuant to the Contract, the Client retains the right at any time to use any premises owned or occupied by it in any manner it sees fit.

2.8. Property

- 2.8.1. Where the Client issues Property free of charge to the Contractor such Property shall be and remain the property of the Client and the Contractor irrevocably licences the Client and its agents to enter upon any premises of the Contractor during normal business hours on reasonable notice to recover any such Property. The Contractor shall not in any circumstances have a lien or any other interest on the Property and the Contractor shall at all times possess the Property as fiduciary agent and bailee of the Client. The Contractor shall take all reasonable steps to ensure that the title of the Client to the Property and the exclusion of any such lien or other interest are brought to the notice of all sub-contractors and other appropriate persons and shall, at the Client's request, store the Property separately and ensure that it is clearly identifiable as belonging to the Client.

- 2.8.2. The Property shall be deemed to be in good condition when received by or on behalf of the Contractor unless the Contractor notifies the Client otherwise within 5 Working Days of receipt.
- 2.8.3. The Contractor shall maintain the Property in good order and condition (excluding fair wear and tear), and shall use the Property solely in connection with the Contract and for no other purpose without prior Approval.
- 2.8.4. The Contractor shall ensure the security of all the Property whilst in its possession, either on the Premises or elsewhere during the supply of the Services, in accordance with the Client's reasonable security requirements as required from time to time.
- 2.8.5. The Contractor shall be liable for all loss of, or damage to, the Property (excluding fair wear and tear), unless such loss or damage was caused by the Client's Default. The Contractor shall inform the Client within 2 Working Days of becoming aware of any defects appearing in, or losses or damage occurring to, the Property.

2.9. Offers of Employment

- 2.9.1. For the duration of the Contract and for a period of 12 months thereafter neither the Client nor the Contractor shall employ or offer employment to any of the other Party's staff who have been associated with the procurement and/or the contract management of the Services without that other Party's prior written consent.

3. PAYMENT AND CONTRACT PRICE

3.1. Contract Price

- 3.1.1. In consideration of the Contractor's performance of its obligations under the Contract, the Client shall pay the Contract Price in accordance with clause 3.2 (Payment and VAT).
- 3.1.2. The Client shall, in addition to the Contract Price and following Receipt of a valid VAT invoice, pay the Contractor a sum equal to the VAT chargeable on the value of the Services supplied in accordance with the Contract.

3.2. Payment and VAT

- 3.2.1. The Client shall pay all sums due to the Contractor within 30 days of Receipt of a valid invoice, submitted monthly in arrears.
- 3.2.2. The Contractor shall ensure that each invoice contains all appropriate references and a detailed breakdown of the Services supplied and that it is supported by any other documentation reasonably required by the Client to substantiate the invoice.
- 3.2.3. Where the Contractor enters into a sub-contract with a supplier or contractor for the purpose of performing its obligations under the Contract, it shall ensure that a provision is included in such a sub-contract which requires payment to be made of all sums due by the Contractor to the sub-contractor within a specified period not exceeding 30 days from the receipt

of a valid invoice.

- 3.2.4. The Contractor shall add VAT to the Contract Price at the prevailing rate as applicable.
- 3.2.5. The Contractor shall indemnify the Client on a continuing basis against any liability, including any interest, penalties or costs incurred, which is levied, demanded or assessed on the Client at any time in respect of the Contractor's failure to account for or to pay any VAT relating to payments made to the Contractor under the Contract. Any amounts due under this clause 3.2.5 shall be paid by the Contractor to the Client not less than 5 Working Days before the date upon which the tax or other liability is payable by the Client.
- 3.2.6. The Contractor shall not suspend the supply of the Services unless the Contractor is entitled to terminate the Contract under clause 8.2.3 (Termination on Default) for failure to pay undisputed sums of money. Interest shall be payable by the Client on the late payment of any undisputed sums of money properly invoiced in accordance with the Late Payment of Commercial Debts (Interest) Act 1998.

3.3. Recovery of Sums Due

- 3.3.1. Wherever under the Contract any sum of money is recoverable from or payable by the Contractor (including any sum which the Contractor is liable to pay to the Client in respect of any breach of the Contract), the Client may unilaterally deduct that sum from any sum then due, or which at any later time may become due to the Contractor under the Contract or under any other agreement or contract with the Client.
- 3.3.2. Any overpayment by either Party, whether of the Contract Price or of VAT or otherwise, shall be a sum of money recoverable by the Party who made the overpayment from the Party in receipt of the overpayment.
- 3.3.3. The Contractor shall make all payments due to the Client without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Contractor has a valid court order requiring an amount equal to such deduction to be paid by the Client to the Contractor.
- 3.3.4. All payments due shall be made within a reasonable time unless otherwise specified in the Contract, in cleared funds, to such bank or building society account as the recipient Party may from time to time direct.

3.4. Price adjustment on extension of the Initial Contract Period

- 3.4.1. The Contract Price shall apply for the Initial Contract Period. In the event that the Client agrees to extend the Initial Contract Period pursuant to clause 6.7 (Extension of Initial Contract Period) the Client shall, in the 6 month period prior to the expiry of the Initial Contract Period, enter into good faith negotiations with the Contractor (for a period of not more than 30 Working Days) to agree a variation in the Contract Price.
- 3.4.2. If the Parties are unable to agree a variation in the Contract Price in accordance with clause 6.4.1, the Contract shall terminate at the end of the

Initial Contract Period.

3.4.3. If a variation in the Contract Price is agreed between the Client and the Contractor, the revised Contract Price will take effect from the first day of any period of extension and shall apply during such period of extension.

3.4.4. Any increase in the Contract Price pursuant to clause 6.4.1 shall not exceed the percentage change in the Office of National Statistics' Consumer Prices Index (CPI) (or another such index specified in the Pricing Schedule) between the Commencement Date and the date 6 Months before the end of the Initial Contract Period.

3.5. Euro

3.5.1. Any requirement of Law to account for the Services in Euro, (or to prepare for such accounting) instead of and/or in addition to sterling, shall be implemented by the Contractor free of charge to the Client.

3.5.2. The Client shall provide all reasonable assistance to facilitate compliance with clause 3.5.1 by the Contractor.

4. STATUTORY OBLIGATIONS AND REGULATIONS

4.1. Prevention of Corruption

4.1.1. The Contractor shall not offer or give, or agree to give, to the Client or any other public body or any person employed by or on behalf of the Client or any other public body any gift or consideration of any kind as an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to the obtaining or execution of the Contract or any other contract with the Client or any other public body, or for showing or refraining from showing favour or disfavour to any person in relation to the Contract or any such contract.

4.1.2. The Contractor warrants that:

- it has not paid commission or agreed to pay commission to the Client or any other public body or any person employed by or on behalf of the Client or any other public body in connection with the Contract; or
- otherwise committed an offence under the Bribery Act 2010.

4.1.3. If the Contractor, its Staff or anyone acting on the Contractor's behalf, engages in conduct prohibited by clauses 4.1.1 or 4.1.2, the Client may:

- 6.5.4. If the Contractor fails to supply any of the Services in accordance with the provisions of the Contract and such failure is capable of remedy, then the Client shall instruct the Contractor to remedy the failure and the Contractor shall at its own cost and expense remedy such failure (and any damage resulting from such failure) within 10 Working Days or such other period of

However, if such Force Majeure prevents either Party from performing its material obligations under the Contract for a period in excess of 6 Months, either Party may terminate the Contract with immediate effect by notice in writing.

8.7.2. Any failure or delay by the Contractor in performing its obligations under the Contract which results from any failure or delay by an agent, sub-contractor or supplier shall be regarded as due to Force Majeure only if that agent, sub-contractor or supplier is itself impeded by Force Majeure from complying with an obligation to the Contractor.
