Order Conditions

All conditions of the framework shall apply as supplemented by the terms selected below. The two sets of conditions become a binding contract at the time of signature on the Schedule.

Type of Contract

Competitive Competitive Award Criteria Weightings	☒ <u>Most Economically Advantageous Tender (MEAT)</u> The Evaluation Criteria weightings are: ▪ Technical – 60% ▪ Financial – 40% ▪ Commercial – Pass or Fail <u>Technical</u> Each line of the Work Packages have been given a weighting based of the importance to successfully delivering the requirement and the availability of the skill set within the market. The Technical proposal will be scored and then be turn into a percentage of the weighing available for that section. A minimum threshold will have to be achieved in some areas. The final Technical score will be based on the total score made up of all sections. <u>Price</u> 100% Cost – Lowest Cost receives highest score with remaining Bidders scores reducing as a percentage to Lowest cost Bid (i.e. 10% more cost = 10% less) <u>Commercial</u> Commercial T's & Cs (Not Scored) – Bidders must confirm acceptance of ALL MOD Ts & Cs unconditionally. Bids will be assessed as Fully Compliant,. Partially Compliant, or Non-Compliant. Bids considered Non-Compliant will be immediately de-selected during initial sift and take no further part in the competition. Partially Compliant Bids could be disadvantaged when Technical and Commercially scores are combined in order to ascertain the Most Economically Advantageous Tender for Contract award (ie If two Bids have equal points after combining their technical and commercial scores, the Bid that is most commercially compliant will win)
