1. INTRODUCTION

1.1 The following definitions shall apply in addition to the definitions contained in the Framework Schedule 1 (Definitions):

"Supplier Framework Manager"	has the meaning given to it in paragraph 2.1.1 of this Framework Schedule 8
"Supplier Review Meetings"	has the meaning given to it in paragraph 2.2.1. of this Framework Schedule 8

1.2 The successful delivery of this Framework Agreement will rely on the ability of the Supplier and the Authority in developing a strategic relationship immediately following the conclusion of this Framework Agreement with the Supplier and maintaining this relationship throughout the Framework Period.

1.3 To achieve this strategic relationship, there will be a requirement to adopt proactive framework management activities which will be informed by quality Management Information, and the sharing of information between the Supplier and the Authority.

1.4 This Framework Schedule 8 outlines the general structures and management activities that the Parties shall follow during the Framework Period.

2. FRAMEWORK MANAGEMENT

2.1 Framework Management Structure:

2.1.1 The Supplier shall provide a suitably qualified nominated contact (the **"Supplier Framework Manager"**) who will take overall responsibility for delivering the Services required within this Framework Agreement, as well as a suitably qualified deputy to act in their absence.

2.1.2 The Supplier shall put in place a structure to manage the Framework in accordance with Framework Schedule 2 (Services and Key Performance Indicators).

2.1.3 A full governance structure for the Framework will be agreed between the Parties during the Framework Agreement implementation stage.

2.1.4 Following discussions between the Parties following the Framework Commencement Date, the Authority shall produce and issue to the Supplier a draft Supplier Action Plan. The Supplier shall not unreasonably withhold its agreement to the draft Supplier Action Plan. The Supplier Action Plan shall, unless the Authority otherwise Approves, be agreed between the Parties and come into effect within two weeks from receipt by the Supplier of the draft Supplier Action Plan.

2.1.5 The Supplier Action Plan shall be maintained and updated on an ongoing basis by the Authority. Any changes to the Supplier Action Plan shall be notified by the Authority to the Supplier. The Supplier shall not unreasonably withhold its agreement to any changes to the Supplier Action Plan. Any such changes shall, unless the Authority otherwise Approves, be agreed between the Parties and come into

effect within two weeks from receipt by the Supplier of the Authority's notification.

2.2 Supplier Review Meetings

2.2.1 Regular performance review meetings will take place at the Authority's premises throughout the Framework Period and thereafter until the Framework Expiry Date ("**Supplier Review Meetings**").

2.2.2 The exact timings and frequencies of such Supplier Review Meetings will be determined by the Authority following the conclusion of the Framework Agreement. It is anticipated that the frequency of the Supplier Review Meetings will be once every month or less. The Parties shall be flexible about the timings of these meetings.

2.2.3 The purpose of the Supplier Review Meetings will be to review the Supplier's performance under this Framework Agreement and, where applicable, the Supplier's adherence to the Supplier Action Plan. The agenda for each Supplier Review Meeting shall be set by the Authority and communicated to the Supplier in advance of that meeting.

2.2.4 The Supplier Review Meetings shall be attended, as a minimum, by the Authority Representative(s) and the Supplier Framework Manager.

3. KEY PERFORMANCE INDICATORS

3.1 The KPIs applicable to this Framework Agreement are set out in Framework Schedule 2 (Services and Key Performance Indicators).

3.2 The Supplier shall establish processes to monitor its performance against the agreed KPIs. The Supplier shall at all times ensure compliance with the standards set by the KPIs.

3.3 The Authority shall review progress against these KPIs to evaluate the effectiveness and efficiency of which the Supplier performs its obligations to fulfil this Framework Agreement.

3.4 The Supplier's achievement of KPIs shall be reviewed during the Supplier Review Meetings, in accordance with paragraph 2.2 above, and the review and ongoing monitoring of KPIs will form a key part of the framework management process as outlined in this Framework Schedule 8.

3.5 The Authority reserves the right to adjust, introduce new, or remove KPIs throughout the Framework Period, however any significant changes to KPIs shall be agreed between the Authority and the Supplier.

3.6 The Authority reserves the right to use and publish the performance of the Supplier against the KPIs without restriction.

4. EFFICIENCY TRACKING PERFORMANCE MEASURES

4.1 The Supplier shall cooperate in good faith with the Authority to develop efficiency tracking performance measures for this Framework Agreement. This shall include but is not limited to:

4.1.1 tracking reductions in product volumes and product costs, in order to demonstrate that Contracting Bodies are consuming less and buying more smartly;

4.1.2 developing additional KPIs to ensure that the Framework Agreement supports the emerging target operating model across central government (particularly in line with centralised sourcing and category management, procurement delivery centres and payment processing systems and shared service centres).

4.2 The list in paragraph 4.1 is not exhaustive and may be developed during the Framework Period.

4.3 The metrics that are to be implemented to measure efficiency shall be developed and agreed between the Authority and the Supplier. Such metrics shall be incorporated into the list of KPIs set out in Framework Schedule 2 (Services and Key Performance Indicators).

4.4 The ongoing progress and development of the efficiency tracking performance measures shall be reported through framework management activities as outlined in this Framework Schedule 8.

5. ESCALATION PROCEDURE

5.1 In the event that the Authority and the Supplier are unable to agree the performance score for any KPI during a Supplier Review Meeting, the disputed score shall be recorded and the matter shall be referred to the Authority Representative and the Supplier Representative in order to determine the best course of action to resolve the matter (which may involve organising an ad-hoc meeting to discuss the performance issue specifically).

5.2 In cases where the Authority Representative and the Supplier Representative fail to reach a solution within a reasonable period of time, the matter shall be dealt with in accordance with the procedure set out in Clause 45 (Dispute Resolution).

FRAMEWORK SCHEDULE 9: MANAGEMENT INFORMATION

1. GENERAL REQUIREMENTS

- 1.1 The Supplier shall operate and maintain appropriate systems, processes and records to ensure that it can, at all times, deliver timely and accurate Management Information to the Authority in accordance with the provisions of this Framework Schedule 9.
- 1.2 The Supplier shall also supply such Management Information as may be required by a Contracting Body in accordance with the terms of a Call Off Agreement.

2. MANAGEMENT INFORMATION AND FORMAT

- 2.1 The Supplier agrees to provide timely, full, accurate and complete MI Reports to the Authority which incorporates the data, in the correct format, required by the MI Reporting Template. The initial MI Reporting Template is set out in the Annex to this Framework Schedule 9.
- 2.2 The Authority may from time to time make changes to the MI Reporting Template including to the data required or format of the report and issue a replacement version of the MI Reporting Template to the Supplier. The Authority shall give notice in writing of any such change to the MI Reporting Template and shall specify the date from which the replacement MI Reporting Template must be used for future MI Reports which date shall be at least thirty (30) calendar days following the date of the notice.
- 2.3 If the MI Reporting Template is amended by the Authority at any time, then the Supplier agrees to provide all future MI Reports in accordance with the most recent MI Reporting Template issued by the Authority.
- 2.4 The Authority may provide the Supplier with supplemental guidance for completing the MI Reporting Template or submitting MI Reports from time to time which may for example indicate which fields are mandatory and which are optional. The Supplier agrees to complete the Monthly MI Report in accordance with any such guidance.
- 2.5 The Supplier may not make any amendment to the current MI Reporting Template without the prior Approval of the Authority.
- 2.6 The Authority shall have the right from time to time (on reasonable written notice) to amend the nature of the Management Information which the Supplier is required to supply to the Authority.

3. FREQUENCY AND COVERAGE

- 3.1 All MI Reports must be completed by the Supplier using the MI Reporting Template and returned to the Authority on or prior to the Reporting Date every Month during the Framework Period and thereafter, until all transactions relating to Call Off Agreements have permanently ceased.
- 3.2 The MI Report should be used (among other things) to report Orders received and transactions occurring during the Month to which the MI Report relates, regardless of when the work was actually completed. For example, if an invoice is raised for October but the work was actually completed in September, the Supplier must report the invoice in October's MI Report and not September's. Each Order received by the Supplier must be reported only once when the Order is received.

3.3 The Supplier must return the MI Report for each Month even where there are no transactions to report in the relevant Month (a "**Nil Return**").

3.4 The Supplier must inform the Authority of any errors or corrections to the Management Information:

3.4.1 in the next MI Report due immediately following discovery of the error by the Supplier; or

3.4.2 as a result of the Authority querying any data contained in an MI Report.

4. SUBMISSION OF THE MONTHLY MI REPORT

4.1 The completed MI Report shall be completed electronically and returned to the Authority by uploading the electronic MI Report computer file to MISO in accordance with the instructions provided in MISO.

4.2 The Authority reserves the right (acting reasonably) to specify that the MI Report be submitted by the Supplier using an alternative communication to that specified in paragraph 4.1 above such as email. The Supplier agrees to comply with any such instructions provided they do not materially increase the burden on the Supplier.

5. DEFECTIVE MANAGEMENT INFORMATION

5.1 The Supplier acknowledges that it is essential that the Authority receives timely and accurate Management Information pursuant to this Framework Agreement because Management Information is used by the Authority to inform strategic decision making and allows it to calculate the Management Charge.

5.2 Following an MI Failure the Authority may issue reminders to the Supplier or require the Supplier to rectify defects in the MI Report provided to the Authority. The Supplier shall rectify any deficient or incomplete MI Report as soon as possible and not more than five (5) Working Days following receipt of any such reminder.

Meetings

5.3 The Supplier agrees to attend meetings between the Parties in person to discuss the circumstances of any MI Failure(s) at the request of the Authority (without prejudice to any other rights the Authority may have). If the Authority requests such a meeting the Supplier shall propose measures to ensure that the MI Failures are rectified and do not occur in the future. The Parties shall document these measures and continue to monitor the Supplier's performance.

Admin Fees

5.4 If, in any rolling three (3) Month period, two (2) or more MI Failures occur, the Supplier acknowledges and agrees that the Authority shall have the right to invoice the Supplier Admin Fees and (subject to paragraph 5.5) in respect of any MI Failures as they arise in subsequent Months.

5.5 If, following activation of the Authority's right to charge Admin Fee(s) in respect of MI Failures pursuant to paragraph 5.4, the Supplier submits the Monthly MI Report for two (2) consecutive Months and no MI Failure occurs then the right to charge the Admin Fee(s) shall lapse. For the avoidance of doubt the Authority shall not be prevented from exercising such right again during the Framework Period if the conditions in paragraph 5.4 are met.

5.6 The Supplier acknowledges and agrees that the Admin Fees are a fair reflection of the additional costs incurred by the Authority as a result of the Supplier failing to supply Management Information as required by this Framework Agreement.

5.7 The Authority shall notify the Supplier if any Admin Fees arise pursuant to paragraph 5.4 above and shall be entitled to invoice the Supplier for such Admin Fees which shall be payable in accordance with Clause 17 (Management Charge) as a supplement to the Management Charge. Any exercise by the Authority of its rights under this paragraph 5.7 shall be without prejudice to any other rights that may arise pursuant to the terms of this Framework Agreement.

6. DEFAULT MANAGEMENT CHARGE

6.1 If:

6.1.1 Two (2) MI Failures occur in any rolling six (6) Month period;

6.1.2 Two (2) consecutive MI Failures occur;

then a "**MI Default**" shall be deemed to have occurred.

6.2 If an MI Default occurs the Authority shall (without prejudice to any other rights or remedies available to it under this Framework Agreement) be entitled to determine the level of Management Charge in accordance with paragraph 6.3, which the Supplier shall be required to pay to the Authority ("**Default Management Charge**") and/or to terminate this Framework Agreement for material Default.

6.3 The Default Management Charge shall be calculated as the higher of:

6.3.1 the average Management Charge paid or payable by the Supplier to the Authority based on any Management Information submitted in the six (6) Month period preceding the date on which the MI Default occurred or, if the MI Default occurred within less than six (6) Months from the commencement date of the first Call Off Agreement, in the whole period preceding the date on which the MI Default occurred; or

6.3.2 the sum of five hundred pounds (£500).

6.4 If an MI Default occurs, the Authority shall be entitled to invoice the Supplier the Default Management Charge (less any Management Charge which the Supplier has already paid to the Authority in accordance with Clause 17 for any Months in which the Default Management Charge is payable) calculated in accordance with paragraph 6.3 above:

6.4.1 in arrears for those Months in which an MI Failure occurred; and

6.4.2 on an ongoing Monthly basis,

until all and any MI Failures have been rectified to the reasonable satisfaction of the Authority.

6.5 For the avoidance of doubt the Parties agree that:

6.5.1 the Default Management Charge shall be payable as though it was the Management Charge due in accordance with the provisions of Clause 17 of this Framework Agreement; and

6.5.2 any rights or remedies available to Authority under this Framework Agreement in respect of the payment of the Management Charge

shall be available to the Authority also in respect of the payment of the Default Management Charge.

6.6 If the Supplier provides sufficient Management Information to rectify any MI Failures to the satisfaction of the Authority and the Management Information demonstrates that:

6.6.1 the Supplier has overpaid the Management Charges as a result of the application of the Default Management Charge then the Supplier shall be entitled to a refund of the overpayment, net of any Admin Fees where applicable; or

6.6.2 the Supplier has underpaid the Management Charges during the period when a Default Management Charge was applied, then the Authority shall be entitled to immediate payment of the balance as a debt together with interest pursuant to Clause 17 (Management Charge).

FRAMEWORK SCHEDULE 14: INSURANCE REQUIREMENTS

1. OBLIGATION TO MAINTAIN INSURANCES

- 1.1 Without prejudice to its obligations to the Authority under this Framework Agreement, including its indemnity obligations, the Supplier shall for the periods specified in this Schedule 14 take out and maintain, or procure the taking out and maintenance of the insurances as set out in Annex 1 (Required Insurances) and any other insurances as may be required by applicable Law (together the “**Insurances**”). The Supplier shall ensure that each of the Insurances is effective no later than the Framework Commencement Date.
- 1.2 The Insurances shall be maintained in accordance with Good Industry Practice and (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time.
- 1.3 The Insurances shall be taken out and maintained with insurers who are of good financial standing and of good repute in the international insurance market.
- 1.4 The Supplier shall ensure that the public and products liability policy shall contain an indemnity to principals clause under which the Authority shall be indemnified in respect of claims made against the Authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Services and for which the Supplier is legally liable.

2. GENERAL OBLIGATIONS

- 2.1 Without limiting the other provisions of this Framework Agreement, the Supplier shall:
 - 2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to the Services as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;
 - 2.1.2 promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Supplier is or becomes aware; and
 - 2.1.3 hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other evidence of placing cover representing any of the Insurances to which it is a party.

3. FAILURE TO INSURE

- 3.1 The Supplier shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which would entitle any insurer to refuse to pay any claim under any of the Insurances.
- 3.2 Where the Supplier has failed to purchase any of the Insurances or maintain any of the Insurances in full force and effect, the Authority may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances, and the Authority shall be entitled to recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

4. EVIDENCE OF POLICIES

4.1 The Supplier shall upon the Framework Commencement Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Authority, that the Insurances are in force and effect and meet in full the requirements of this Framework Schedule 14. Receipt of such evidence by the Authority shall not in itself constitute acceptance by the Authority or relieve the Supplier of any of its liabilities and obligations under this Agreement.

5. AGGREGATE LIMIT OF INDEMNITY

5.1 Where the minimum limit of indemnity required in relation to any of the Insurances is specified as being "in the aggregate":

5.1.1 if a claim or claims which do not relate to this Framework Agreement are notified to the insurers which, given the nature of the allegations and/or the quantum claimed by the third party(ies), is likely to result in a claim or claims being paid by the insurers which could reduce the level of cover available below that minimum, the Supplier shall immediately submit to the Authority:

- (a) details of the policy concerned; and
- (b) its proposed solution for maintaining the minimum limit of indemnity specified; and

5.1.2 if and to the extent that the level of insurance cover available falls below that minimum because a claim or claims which do not relate to this Framework Agreement are paid by insurers, the Supplier shall:

- (a) ensure that the insurance cover is reinstated to maintain at all times the minimum limit of indemnity specified for claims relating to this Framework Agreement; or
- (b) if the Supplier is or has reason to believe that it will be unable to ensure that insurance cover is reinstated to maintain at all times the minimum limit of indemnity specified, immediately submit to the Authority full details of the policy concerned and its proposed solution for maintaining the minimum limit of indemnity specified.

6. CANCELLATION

6.1 The Supplier shall notify the Authority in writing at least five (5) Working Days prior to the cancellation, suspension, termination or non-renewal of any of the Insurances.

7. INSURANCE CLAIMS

7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Services and/or this Framework Agreement for which it may be entitled to claim under any of the Insurances. In the event that the Authority receives a claim relating to or arising out of the Services or this Framework Agreement, the Supplier shall co-operate with the Authority and assist it in dealing with such claims including without limitation providing information and documentation in a timely manner.

- 7.2 Except where the Authority is the claimant party, the Supplier shall give the Authority notice within twenty (20) Working Days after any insurance claim in excess of £5,000 relating to or arising out of the provision of the Services or this Framework Agreement on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the Authority) full details of the incident giving rise to the claim.
- 7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.
- 7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the Authority any sum paid by way of excess or deductible under the Insurances whether under the terms of this Framework Agreement or otherwise.

Price Card:

The Price Card defines the price for services. An example is given below but this can be tailored by suppliers.

Guidance:

Note that if a separately itemised element in the table below is included by a Supplier as an intrinsic part of their secure email offer (e.g. directory or mobile device management) it should be highlighted as such in their Service Package Service Description (above) and should not be priced separately in the table below.

“Licences” means any licence where the cost of which is over 5% of the total cost.

All prices per user per month unless otherwise stated and all prices must include the Management Charge.

All prices must assume the Basic Service Level; and the Supplier shall provide percentage uplifts for Standard and Enhanced Service levels in the relevant section below.
