 - (3) at its discretion, provide the Contractor with a sample of the Contractor Deliverable or consignment for validation or testing purposes by the Contractor (at the Contractor's own risk and expense);
 - (4) give the Contractor a further 20 Business Days or such other reasonable period agreed by the Authority, from the date of the inspection at 30.c.(2).(i) or the provision of a sample at 30.c.(2).(ii), to comment on whether the Contractor Deliverable or consignment meets the definition of Counterfeit Materiel; and

- (5) determine, on the balance of probabilities and strictly on the evidence available to it at the time, whether the Contractor Deliverable or consignment meets the definition of Counterfeit Materiel.
- d. Where the Authority has determined that the Contractor Deliverable, part or consignment of Contractor Deliverables contain Counterfeit Material then it may reject the Contractor Deliverable, part or consignment under 30.a and 30.b (Rejection), and provide written notification to the Contractor of the rejection.
- e. In addition to its rights under 30.a and 30.b (Rejection), where the Authority has determined that any Contractor Deliverable or consignment of Contractor Deliverables contains Counterfeit Materiel, it shall be entitled to:
 - (1) retain any Counterfeit Materiel; and/or
 - (2) retain the whole or any part of such Contractor Deliverable or consignment where it is not possible to separate the Counterfeit Materiel from the rest of the Contractor Deliverable, or consignment;

and such retention shall not constitute acceptance under Condition 29 (Acceptance).
- f. Where the Authority intends to exercise its rights under clause 30.e, the Contractor may, subject to the agreement of the Authority (and at the Contractor's own risk and expense and subject to any reasonable controls and timeframe agreed), arrange for:
 - (1) the separation of Counterfeit Materiel from any Contractor Deliverable or part of a Contractor Deliverable; and/or
 - (2) the removal of any Contractor Deliverable or part of a Contractor Deliverable that the Authority is reasonably satisfied does not contain Counterfeit Materiel.
- g. In respect of any Contractor Deliverable, consignment or part thereof that is retained in accordance with clause 30.e, including where the Authority permits the Contractor to remove non-Counterfeit Materiel under clause 30.f but the Contractor fails to do so within the period agreed and subject to clause 30.k, the Authority shall be entitled to exercise any, all, or any combination of, the following rights:
 - (1) to dispose of it responsibly, and in a manner that does not permit its reintroduction into the supply chain or market;
 - (2) to pass it to a relevant investigatory or regulatory authority;
 - (3) to retain conduct or have conducted further testing including destructive testing, for further investigatory, regulatory or risk management purposes. Results from any such tests shall, at the discretion of the Authority, be shared with the Contractor; and/or
 - (4) to recover the appropriate, attributable, and reasonable costs incurred by the Authority in respect of testing, storage, access, and/or disposal of it from the Contractor;

and exercise of the rights granted at clauses 30.g.(1) to 30.g.(3) shall not constitute acceptance under Condition 29 (Acceptance).
- h. Any scrap or other disposal payment received by the Authority shall be off set against any amount due to the Authority under clause 30.g.(4). If the value of the scrap or other disposal payment exceeds the amount due to the Authority under clause 30.g.(4) then the balance shall accrue to the Contractor.

- i. The Authority shall not use a retained Contract Deliverable or consignment other than as permitted in clauses 30.c – 30.k.
- j. The Authority may report a discovery of Counterfeit Materiel and disclose information necessary for the identification of similar materiel and its possible sources.
- k. The Contractor shall not be entitled to any payment or compensation from the Authority as a result of the Authority exercising the rights set out in clauses 30.c – 30.k except:
 - (1) in relation to the balance that may accrue to the Contractor in accordance with clause 30.h; or
 - (2) where it has been determined in accordance with Condition 40 (Dispute Resolution) that the Authority has made an incorrect determination in accordance with clause 30.c.(5). In such circumstances the Authority shall reimburse the Contractor's reasonable costs of complying with clause 30.c.

31. Diversion Orders

- a. The Authority shall notify the Contractor at the earliest practicable opportunity if it becomes aware that a Contractor Deliverable is likely to be subject to a Diversion Order.
- b. The Authority may issue a Diversion Order for the urgent delivery of the Contractor Deliverables identified in it. These Contractor Deliverables are to be delivered by the Contractor using the quickest means available as agreed by the Authority.
- c. The Authority reserves the right to cancel the Diversion Order.
- d. If the terms of the Diversion Order are unclear, the Contractor shall immediately contact the Representative of the Authority who issued it for clarification and/or further instruction.
- e. If the Diversion Order increases the quantity of Contractor Deliverables beyond the scope of the Contract, it is to be returned immediately to the Authority's Commercial Officer with an appropriate explanation.
- f. The Contractor shall be entitled to reasonable additional delivery and packaging costs incurred in complying with the Diversion Order or cancellation. Claims are to be submitted by the Contractor to the Authority's Commercial Officer together with applicable receipts and agreed as an amendment to the Contract in accordance with Condition 6 (Formal Amendments to the Contract). The Contractor shall comply with the requirements of the Diversion Order upon receipt of the Diversion Order.

32. Self-to-Self Delivery

Where it is stated in Schedule 3 (Contract Data Sheet) that any Contractor Deliverable is to be Delivered by the Contractor to their own premises, or to those of a Subcontractor ('self-to-self delivery'), the risk in such a Contractor Deliverable shall remain vested in the Contractor until such time as it is handed over to the Authority.

Licences and Intellectual Property

33. Import and Export Licences

- a. If, in the performance of the Contract, the Contractor is required to import into or export out of the UK anything not supplied by or on behalf of the Authority and for which a UK Licence is required, the Contractor is responsible for applying for and maintaining that Licence.
- b. Without prejudice to the HM Government's position on the validity of any claim by a foreign government to extra-territoriality, the Authority shall provide the Contractor with sufficient information, certification, documentation, and other reasonable assistance to obtain Licences from the UK or a foreign government for the performance of the Contract.
- c. The Contractor shall consult the Authority as soon as reasonably practicable if a Licence is required from a foreign government. Where the Contractor is the applicant for obtaining Licences they shall ensure that when Restrictions apply to all or part of any Contractor Deliverables (which for the purposes of this Condition) shall also include information, technical data, software and services) unless otherwise agreed with the Authority, they shall identify in the application:
 - (1) the end user as: The Secretary of State for Defence of the United Kingdom of Great Britain and Northern Ireland (hereinafter "UK MOD"); and
 - (2) the end use as: For the Purposes of UK MOD; and
 - (3) include in the submission for the Licence a statement that "information on the status of processing this application may be shared with the Ministry of Defence of the United Kingdom".
- d. The Contractor shall take expeditious action to arrange the application for the foreign Licences required to import or export any Materiel not supplied by or on behalf of the Authority or perform any services for which a Licence is required by a foreign government; this includes, but is not limited to, compliance with the ITAR, EAR, FMS and any applicable UK-US agreements. The Contractor shall include the dependencies for the Licence application, grant, and maintenance in the Contract risk register and in the risk management plan for the Contract, with appropriate review points. Where a risk management plan is not required under the Contract the Contractor shall inform the Authority's representative accordingly.
- e. During the term of the Contract and for up to two years after Contract completion, the Authority may make a written request to the Contractor to seek a variation to the conditions of a foreign Licence to enable the Authority to re-export or re-transfer a licenced or authorised Materiel from the UK and/or to a non-licenced third party. If the Authority makes such a request, it will consult the Contractor before making a determination on which party is best placed to seek a variation. Where the Contractor is best placed to seek a variation:
 - (1) the Contractor shall, expeditiously file an application to seek a variation of the applicable Licence in accordance with the procedures of the foreign government or raise their objection to the request. Where the Contractor has an objection to the variation request, the Parties shall meet within 5 Business Days to resolve the issue; should they fail to do so, the matter shall be escalated to an appropriate level within both Parties' organisations, to include their respective export or import control subject matter experts; and
 - (2) the Authority shall provide sufficient information, certification, documentation, and other reasonable assistance necessary to support the application to seek a variation.
- f. Where the Authority determines that it is best placed to make such a request for

variation, the Contractor shall provide sufficient information, certification, documentation, and other reasonable assistance necessary to support the Authority to make the application for the requested variation.

- g. Where the Authority invokes clause 33.e or 33.f the Authority will pay the Contractor a fair and reasonable price for this service based on the cost of providing it.
- h. The Contractor shall use all reasonable endeavours to incorporate in each relevant Subcontract equivalent terms regarding foreign export and/or import controls to those set out in this Condition. Where it is not possible to include equivalent terms to those set out in this Condition, the Contractor shall promptly report that fact and the circumstances to the Authority.
- i. The Authority shall use reasonable endeavours to identify any Restrictions that apply to Materiel to be provided to the Contractor as Government Furnished Assets.
- j. Where the Authority is to provide Materiel necessary to enable the Contractor to perform the Contract, or in respect of which the services are to be provided, and that is subject to Restrictions the Authority shall provide a completed DEFFORM 528 (and a copy of any applicable Licence, where available) to the Contractor as soon as reasonably practicable and no later than 30 days prior to the delivery of such Materiel to the Contractor. If the DEFFORM 528 provided is found to be inaccurate or incomplete the Authority shall deliver a new DEFFORM 528 as soon as reasonably practicable.
- k. Where Restrictions are advised by the Authority to the Contractor in a DEFFORM 528 provided pursuant to clause 33.j or any of the information provided by the Authority in any DEFFORM 528 is inaccurate or incomplete the Parties shall promptly agree on the best course of action and implement it to mitigate the impact of the incomplete or inaccurate disclosure under the terms of Condition 6 (Formal Amendments to the Contract), or as may otherwise be provided by the Contract. If there is no alternative or appropriate mitigation available, the Authority may terminate the Contract in accordance with Condition 42 (Termination for Convenience), as appropriate and as referenced in the Contract. Providing the Contractor has taken such steps as are reasonable to mitigate the impact the Contractor shall be relieved of their obligation to perform those elements of the Contract affected by the Restrictions or provision of incorrect or incomplete information.
- l. The Contractor shall use reasonable endeavours to identify whether any Contractor Deliverable is subject to any foreign Licence including those that impose or will impose Restrictions. During the term of the Contract the Contractor shall inform the Authority of any foreign Licence and/or any Restrictions not already disclosed at the Effective Date of Contract or relevant amendment. This does not include the Intellectual Property-specific restrictions of the type referred to in Condition 34 (Third Party Intellectual Property – Rights and Restrictions).
- m. The Contractor shall notify the Authority of all, or any part of the Contractor Deliverables identified within clause 33. l, by submitting a DEFFORM 528 or other mutually agreed alternative format as soon as reasonably practicable and no less than 30 days prior to delivery of the Contractor Deliverables. Such notification shall include an update on the validity of all previous information submitted and shall include any Restrictions (not already disclosed to the Authority) notified to the Contractor by any of their Subcontractors, suppliers, or other third parties. The Contractor, within 10 Business Days (or such longer period as shall have been agreed in writing by the Parties) of such notification shall submit a proposal to the Authority outlining actions to mitigate the impact of such Restrictions. Such proposals may include, where appropriate, mutually supported attempts to obtain removal of or modification to the Restrictions, or to obtain appropriate authorisations from the relevant foreign government. The Authority shall

inform the Contractor within 10 Business Days (or such longer period as shall have been agreed in writing by the Parties) of receipt of the proposal whether it is acceptable and where appropriate the Contract shall be modified in accordance with Condition 6 (Formal Amendments to the Contract) or as otherwise provided by the Contract to implement the proposal.

- n. If the Contractor is unable to perform their obligations under the Contract due to the Restrictions notified in accordance with clauses 33.l and 33.m and the Restrictions are not capable of being removed, modified, or otherwise satisfactorily managed within a reasonable time, the Authority may at its absolute discretion amend the Contract in accordance with Condition 6 (Formal Amendments to the Contract) or as otherwise provided by the Contract or terminate the Contract. Except where clause 33.o applies, termination shall be on fair and reasonable terms having regard to all the circumstances including payments already made and those due under the Contract, costs incurred by the Contractor and benefits received by the Authority. The Parties, acting in good faith, shall use all reasonable endeavours to agree such fair and reasonable terms failing which either Party may refer the matter to dispute resolution in accordance with Condition 40 (Dispute Resolution). Providing the Contractor has taken such steps as are reasonable to mitigate the impact the Contractor shall be relieved of their obligation to perform those elements of the Contract directly affected by the Restrictions or provision of incorrect or incomplete information.
- o. Where the Contractor knew or ought reasonably to have known that the Contract Deliverables were subjected to the Restrictions notified in accordance with clauses 33.l and 33.m, either at the Effective Date of Contract or at the date of submission of the most recent previous DEFFORM 528 to the Authority in accordance with clause 33.m, and failed to notify the Authority or the information disclosed was inaccurate or incomplete, the termination of the Contract will be in accordance with Condition 43 (Material Breach) and the provisions of clause 33.n with respect to termination will not apply.
- p. For a period of up to 2 years from the completion of the Contract, and in response to a specific written request from the Authority, the Contractor shall notify the Authority as soon as reasonably practicable of any change to the Restrictions applicable to any Materiel provided under the Contract by issuing an updated DEFFORM 528 to the Authority.

34. Third Party Intellectual Property – Rights and Restrictions

 - (1) any invention or design the subject of patent or registered Design Rights (or application thereof) owned by a third party which appears to be relevant to the performance of the Contract or to use by the Authority of anything required to be done or delivered under the Contract;
 - (2) any restriction as to disclosure or use, or obligation to make payments in respect of any other intellectual property (including technical Information) required for the purposes of the Contract or subsequent use by the Authority of anything delivered under the Contract and, where appropriate, the notification shall include such Information as is required by Section 2 of the Defence Contracts Act 1958;

The Contractor shall indemnify the Authority, its officers, agents and employees against any liability and cost arising from such allegation. This Condition shall not apply if:

 - (2) the Authority has entered or enters into any discussions on such question with any third party without the prior written agreement of the Contractor;
 - (3) the Authority has entered or enters into negotiations in respect of any relevant claim for compensation in respect of Crown Use under Section 55 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949;

- d. The indemnity in clause 34.c does not extend to use by the Authority of anything supplied under the Contract where that use was not reasonably foreseeable at the time of the Contract.
- e. In the event that the Authority has entered into negotiation in respect of a claim for compensation, or legal proceedings in respect of the Crown Use have commenced, the Authority shall forthwith authorise the Contractor for the purposes of performing the Contract (but not otherwise) to utilise a relevant invention or design in accordance with Sections 55 and 56 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949 and to use any model, document or information relating to any such invention or design which may be required for that purpose.
- f. For all other Contractor Deliverables patents and registered designs in the UK, if a relevant invention or design has been notified to the Authority by the Contractor prior to the Effective Date of Contract, then unless it has been otherwise agreed, under the provisions of Sections 55 and 56 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949, the Contractor is hereby authorised to utilise that invention or design, notwithstanding the fact that it is the subject of a UK Patent or UK Registered Design, for the purpose of performing the Contract.
- g. If, under clause 34.a, a relevant invention or design is notified to the Authority by the Contractor after the Effective Date of Contract, then:

- (1) if the owner (or its exclusive licensee) takes or threatens in writing to take any relevant action against the Contractor, the Authority shall issue to the Contractor a written authorisation in accordance with the provisions of Sections 55 and 56 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949, and
 - (2) in any event, unless the Contractor and the Authority can agree an alternative course of action, the Authority shall not unreasonably delay the issue of a written authorisation in accordance with the provisions of Sections 55 and 56 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949.
- h. The Authority shall assume all liability and shall indemnify the Contractor, their officers, agents and employees against liability, including the Contractor's costs, as a result of infringement by the Contractor or their suppliers of any patent, utility model, registered design or like protection outside the United Kingdom in the performance of the Contract when such infringement arises from or is incurred by reason of the Contractor following any specification, statement of work or instruction in the Contract or using, keeping or disposing of any item given by the Authority for the purpose of the Contract in accordance with the Contract.
- i. The Contractor shall assume all liability and shall indemnify the Authority, its officers, agents and employees against liability, including the Authority's costs, as a result of infringement by the Contractor or their suppliers of any patent, utility model, registered design or like protection outside the UK in the performance of the Contract when such infringement arises from or is incurred otherwise than by reason of the Contractor following any specification, statement of work or instruction in the Contract or using, keeping or disposing of any item given by the Authority for the purpose of the Contract in accordance with the Contract.
- j. The Contractor shall not be entitled to any reimbursement of any royalty, licence fee or similar expense incurred in respect of anything to be done under the Contract, where:
 - (1) a relevant discharge has been given under Section 2 of the Defence Contracts Act 1958, or relevant authorisation in accordance with Sections 55 or 57 of the Patents Act 1977, Section 12 of the Registered Designs Act 1949 or Section 240 of the Copyright, Designs and Patents Act 1988 in respect of any intellectual property; or
 - (2) any obligation to make payments for intellectual property has not been promptly notified to the Authority under clause 34.a.
- k. Where authorisation is given by the Authority under clause 34.e, 34.f or 34.g, to the extent permitted by Section 57 of the Patents Act 1977, Section 12 of the Registered Designs Act 1949 or Section 240 of the Copyright, Designs and Patents Act 1988, the Contractor shall also be:
 - (1) released from payment whether by way of royalties, licence fees or similar expenses in respect of the Contractor's use of the relevant invention or design, or the use of any relevant model, document or information for the purpose of performing the Contract; and
 - (2) authorised to use any model, document or information relating to any such invention or design which may be required for that purpose.
- l. The Contractor shall assume all liability and indemnify the Authority and its officers, agents and employees against liability, including costs as a result of:

- (2) misuse of any confidential information, trade secret or the like by the Contractor in performing the Contract;
 - (3) provision to the Authority of any Information or material which the Contractor does not have the right to provide for the purpose of the Contract.
- m. The Authority shall assume all liability and indemnify the Contractor, their officers, agents and employees against liability, including costs as a result of:
- (1) infringement or alleged infringement by the Contractor or their suppliers of any copyright, database right, Design Right or the like protection in any part of the world in respect of any item provided by the Authority for the purpose of the Contract but only to the extent that the item is used for the purpose of the Contract;
 - (2) alleged misuse of any confidential Information, trade secret or the like by the Contractor as a result of use of Information provided by the Authority for the purposes of the Contract, but only to the extent that Contractor's use of that Information is for the purposes intended when it was disclosed by the Authority.
- n. The general authorisation and indemnity is:
- (1) clauses 34.a – 34.m represents the total liability of each Party to the other under the Contract in respect of any infringement or alleged infringement of patent or other Intellectual Property Right (IPR) owned by a third party;

 - (3) a Party against whom a claim is made or action brought, shall promptly notify the other Party in writing if such claim or action appears to relate to an infringement which is the subject of an indemnity or authorisation given under this Condition by such other Party. The notification shall include particulars of the demands, damages and liabilities claimed or made of which the notifying Party has notice;
 - (4) the Party benefiting from the indemnity or authorisation shall allow the other Party, at its own expense, to conduct any negotiations for the settlement of the same, and any litigation that may arise therefrom and shall provide such information as the other Party may reasonably require;
 - (5) following a notification under clause 34.n.(3), the Party notified shall advise the other Party in writing within thirty (30) Business Days whether or not it is assuming conduct of the negotiations or litigation. In that case the Party against whom a claim is made or action brought shall not make any statement which might be prejudicial to the settlement or defence of such a claim without the written consent of the other Party;
 - (6) the Party conducting negotiations for the settlement of a claim or any related litigation shall, if requested, keep the other Party fully informed of the conduct and progress of such negotiations.
- o. If at any time a claim or allegation of infringement arises in respect of copyright, database right, Design Right or breach of confidence as a result of the provision of any Contractor Deliverable by the Contractor to the Authority, the Contractor may at their own expense replace the item with an item of equivalent functionality and performance

so as to avoid infringement or breach. The Parties will co-operate with one another to mitigate any claim or damage which may arise from use of third party IPR.

- p. Nothing in Condition 34 shall be taken as an authorisation or promise of an authorisation under Section 240 of the Copyright, Designs and Patents Act 1988.
- q. Notwithstanding any other provisions of the Contract and for the avoidance of doubt, award of the Contract by the Authority and placement of any contract task under it does not constitute an authorisation by the Crown under Sections 55 and 56 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949. The Contractor acknowledges that any such authorisation by the Authority under its statutory powers must be expressly provided in writing, with reference to the acts authorised and the specific intellectual property involved.

- r. Where any of the conditions listed below (1 to 3) have been added to the Conditions of the Contract as project specific DEFCONs at Clause 45, or where required by Clauses 34.a. - 34.q., the Contractor warrants and confirms that all Intellectual Property Rights restrictions and associated export restrictions relating to the use or disclosure of the Contractor Deliverables that are notifiable under those Conditions, or of which the Contractor is or should reasonably be aware as at Effective Date of Contract, are disclosed in Schedule 10 (Notification of Intellectual Property Rights (IPR) Restrictions).

- t. Any amendment to Schedule 10 shall be made in accordance with Condition 6.

Pricing and Payment

35. Contract Price

- a. The Contractor shall provide the Contractor Deliverables to the Authority at the Contract Price. The Contract Price shall be a Firm Price unless otherwise stated in Schedule 3 (Contract Data Sheet).
- b. Subject to clause 35.a the Contract Price shall be inclusive of any UK custom and excise or other duty payable. The Contractor shall not make any claim for drawback of UK import duty on any part of the Contractor Deliverables supplied which may be for shipment outside of the UK.

36. Payment and Recovery of Sums Due

- a. Payment for Contractor Deliverables will be made by electronic transfer and prior to submitting any claims for payment under clause 36.b the Contractor will be required to register their details (Supplier on-boarding) on the Contracting, Purchasing and Finance (CP&F) electronic procurement tool.

- b. Where the Contractor submits an invoice to the Authority in accordance with clause 36.a, the Authority will consider and verify that invoice in a timely fashion.
- c. The Authority shall pay the Contractor any sums due under such an invoice no later than a period of 30 days from the date on which the Authority has determined that the invoice is valid and undisputed.
- d. Where the Authority fails to comply with clause 36.a and there is undue delay in considering and verifying the invoice, the invoice shall be regarded as valid and undisputed for the purpose of clause 36.c after a reasonable time has passed.
- e. The approval for payment of a valid and undisputed invoice by the Authority shall not be construed as acceptance by the Authority of the performance of the Contractor's obligations nor as a waiver of its rights and remedies under the Contract.
- f. Without prejudice to any other right or remedy, the Authority reserves the right to set off any amount owing at any time from the Contractor to the Authority against any amount payable by the Authority to the Contractor under the Contract or under any other contract with the Authority, or with any other Government Department.

37. Value Added Tax and other Taxes

- a. The Contract Price excludes any UK output Value Added Tax (VAT) chargeable on the supply of Contractor Deliverables by the Contractor to the Authority.
- b. If the Contractor is required by UK VAT law to be registered for UK VAT (or has registered voluntarily) in respect of their business activities at the time of any supply, and the circumstances of any supply are such that the Contractor is liable to pay the tax due to HM Revenue and Customs (HMRC), the Authority shall pay to the Contractor in addition to the Contract Price (or any other sum due to the Contractor) a sum equal to the output VAT chargeable on the tax value of the supply of Contractor Deliverables, and all other payments under the Contract according to the law at the relevant tax point.
- c. The Contractor is responsible for the determination of VAT liability. The Contractor shall consult their Client Relationship Manager or the HMRC Enquiries Desk (and not the Authority's Representative (Commercial)) in cases of doubt. The Contractor shall notify the Authority's Representative (Commercial) of the Authority's VAT liability under the Contract, and any changes to it, within twenty (20) Business Days of becoming aware the liability is other than at the standard rate of VAT. In the event of any doubt about the applicability of the tax in such cases, the Authority may require the Contractor to obtain, and pass to the Authority, a formal ruling from HMRC. The Contractor shall comply promptly with any such requirement. Where the Contractor obtains a ruling from HMRC, they shall supply a copy to the Authority within three (3) Business Days of receiving that ruling unless they propose to challenge the ruling. Where the Contractor challenges the ruling they shall supply to the Authority a copy of any final decisions issued by HMRC on completion of the challenge within three (3) Business Days of receiving the decision.
- d. Where supply of Contractor Deliverables comes within the scope of UK VAT, but the Contractor is not required by UK VAT law to be registered for UK VAT (and has not registered voluntarily), the Authority shall be responsible for assessing and paying over directly to HMRC any UK output VAT due in respect of the Contractor Deliverables. The Contractor shall be responsible for ensuring they take into account any changes in VAT law regarding registration.
- e. Where Contractor Deliverables are deemed to be supplied to the Authority outside the UK, the Contractor may be required by the laws of the country where the supply takes

place to register there for tax purposes. In that event, it is the Contractor's responsibility to ensure the Contract Price captures this tax.

- f. In relation to the Contractor Deliverables supplied under the Contract the Authority shall not be required to pay any sum in respect of the Contractor's input VAT (or similar non-UK input taxes). However, these input taxes will be allowed where they were included in the Contract Price and it is established that, despite the Contractor having taken all reasonable steps to recover them, it has not been possible to do so. Where there is any doubt that the Contractor has complied with this requirement the matter shall be resolved in accordance with Condition 40 (Dispute Resolution).
- g. Should HMRC decide that the Contractor has incorrectly determined the VAT liability, in accordance with clause 37.b above, the Authority will pay the VAT assessed by HMRC. In the event that HMRC so determines, the Contractor shall pay any interest charged on any assessment or penalties or both directly to HMRC. Such interest or penalties or both shall not be recoverable from the Authority under the Contract or any other contract. The Contractor shall supply the Authority with a copy of all correspondence between HMRC and the Contractor's advisors regarding the VAT assessment within three (3) Business Days of a written request from the Authority for such correspondence.

38. Debt Factoring

- a. Subject to the Contractor obtaining the prior written consent of the Authority in accordance with Condition 10 (Assignment of Contract), the Contractor may assign to a third Party ("the Assignee") the right to receive payment of the Contract Price or any part thereof due to the Contractor under the Contract (including interest which the Authority incurred through late payment under the Late Payment of Commercial Debts (Interest) Act 1998 ("the Act")). Any assignment of the right to receive payment of the Contract Price (or any part thereof) under this Condition 38 shall be subject to:
 - (1) reduction of any sums in respect of which the Authority exercises its right of recovery under clause 36.f;
 - (2) all related rights of the Authority under the Contract in relation to the recovery of sums due but unpaid; and
 - (3) the Authority receiving notification under both clauses 38.b and 38.c.(2).
- b. In the event that the Contractor obtains from the Authority the consent to assign the right to receive the Contract Price (or any part thereof) under clause 38.a, the Contractor shall notify the Authority in writing of the assignment and the date upon which the assignment becomes effective.
- c. The Contractor shall ensure that the Assignee:
 - (1) is made aware of the Authority's continuing rights under clauses 38.a.(1) and 38.a.(2); and
 - (2) notifies the Authority of the Assignee's contact information and bank account details to which the Authority shall make payment, subject to any reduction made by the Authority in accordance with clauses 38.a.(1) and 38.a.(2).
- d. The provisions of Condition 36 (Payment and Recovery of Sums Due) shall continue to apply in all other respects after the assignment and shall not be amended without the prior approval of the Authority.

39. Subcontracting and Prompt Payment

- a. Subcontracting any part of the Contract shall not relieve the Contractor of any of the Contractor's obligations, duties or liabilities under the Contract.
- b. Where the Contractor enters into a subcontract, they shall cause a term to be included in such subcontract:
