

NEW GROUNDS MAINTENANCE VEHICLE

Expression of interest

Bodmin Town Council

Expression of Interest

To supply a new grounds maintenance vehicle for Bodmin Town Council Estates team

1.1. BACKGROUND

Bodmin Town Council operates its own grounds maintenance team which has a small fleet of vehicles. An extra vehicle has been identified as a need within the ground's maintenance section of the Council.

1.2. PROJECT BRIEF

Quotes for the design and build of a new ground's maintenance vehicle for the Estates team. The vehicle must be able transport ride on mowers, fuel, and small hand-held equipment

The requirements of the vehicle are as follows:

Specification-

- Maximum 3.5 tonne
- Beaver tail with side boards – To allow for Kubota F3090 with Trimax flail deck.
- Secure tie down points
- Fuel storage (combi cans)
- Full chapter 8 compliance
- Amber beacons (front, rear, and above cab)
- Room for minimum of 2 operatives – Maximum of 3 operatives
- Tool storage pod (if room allows)
- Hands free phone connectivity

BTC would prefer to capital purchase the vehicle however operational lease options may be considered.

For Further information please contact either

- Andrew Banner (Estates Manager) – Andrew.banner@bodmin.gov.uk
- Richard Morris (Deputy Estates Manager) - Richard.morris@bodmin.gov.uk

Deadline for submitting expression of interest will be at 13:00 28th October 2022

Quotes should be submitted to Andrew.banner@bodmin.co.uk

Options for lease alternatives should also be included where appropriate.
