Clarification Question	Question	Response	Date Received
1	<p>Thank you for sending through the procurement documents.</p> <p>There are a few limitations to our ability to deliver the requested service and I was wondering if you could advise whether a bid from us would still be considered:</p> <p>We can provide a supply only and disposal service within 24 hours. We can also provide a supply only and disposal service within 5 days. Regrettably we cannot provide any install services or repair call out services.</p> <p>Your advice based on the above would be gratefully appreciated.</p>	<p>Thank you for your email and raising this clarification. Rooftop requires Service Providers to have the ability to deliver a supply, installation and disposal service as well as repair call out services.</p>	18/04/2024
2	<p>Just wanted to clarify.. on the tender where it changes from quantity 1 to quantity 2, are you wanting the same make/model used for quantity 1, but with costings for two of them? Hope that makes sense.</p>	<p>Yes please enter the same model for both quantities</p>	18/04/2024
