consent of the Authority or the relevant Authority Service Recipient which shall not be unreasonably withheld;

For the avoidance of doubt, for the purpose of this Clause 5.5, any reference to a "Party" or the "Parties" shall be interpreted as including any Authority Service Recipient.
- 5.6 For the avoidance of doubt, the fact that any provision within this Contract is expressed as a warranty shall not preclude any right of termination the

If the Supplier cannot obtain for the Authority or the relevant Authority Service Recipient a licence materially in accordance with the licence terms set out in Clause 24.8 (Licences granted by the Supplier: Project Specific IPR) and Clause 24.14 (Authority's right to assign/novate licences) in respect of any such Third Party IPR, the Supplier shall:
- 24.18.1 notify the Authority in writing giving details of what licence terms can be obtained from the relevant third party and whether there are alternative providers which the Supplier could seek to use; and

- 24.21 The Supplier shall, if requested by the Authority or the relevant Authority Service Recipient as a result of a contract termination in accordance with Clause 32 (Authority Termination Rights), grant (or procure the grant) to the Replacement Supplier of a licence to use any Supplier Background IPR and/or Third Party IPR on terms equivalent to those set out in Clause 24.8 (Licence granted by the Supplier: Project Specific IPR) subject to the Replacement Supplier entering into reasonable confidentiality undertakings with the Supplier.
- 24.22 The licence granted pursuant to Clause 24.19 (Licence granted by the Authority) and any sub-licence granted by the Supplier in accordance with Clause 24.19 (Licence granted by the Authority) shall terminate automatically on the Contract Expiry Date and the Supplier shall:
- 24.22.1 immediately cease all use of the Authority Background IPR and the Authority Data (as the case may be);

- 24.24 If an IPR Claim is made, or the Supplier anticipates that an IPR Claim might be made, the Supplier may, at its own expense and sole option, either:
- 24.24.1 procure for the Authority, the Authority Service Recipient (as applicable) or an Indemnified Person the right to continue using the relevant item which is subject to the IPR Claim; or
 - 24.24.2 replace or modify the relevant item with non-infringing substitutes provided that:

- 24.24.2.1 the performance and functionality of the replaced or modified item is at least equivalent to the performance and functionality of the original item;
 - 24.24.2.2 the replaced or modified item does not have an adverse effect on any other Services;
 - 24.24.2.3 there is no additional cost to the Authority, the Authority Service Recipient (as applicable) or relevant Indemnified Person (as the case may be); and
 - 24.24.2.4 the terms and conditions of this Contract shall apply to the replaced or modified Services.
- 24.25 If the Supplier elects to procure a licence in accordance with Clause 24.24.1 (IPR Indemnity) (or to modify or replace an item pursuant to Clause 24.24.2 (IPR Indemnity)), but this has not avoided or resolved the IPR Claim, then:
 - 24.25.1 the Authority may terminate this Contract by written notice with immediate effect; and
 - 24.25.2 without prejudice to the indemnity set out in Clause 24.23 (IPR Indemnity), the Supplier shall be liable for all reasonable and unavoidable costs of the substitute services including the additional costs of procuring, implementing and maintaining the substitute items.

28. INSURANCE

- 28.1 Notwithstanding any benefit to the Authority or any Authority Service Recipient of the policy or policies of insurance referred to in this Clause 28 (Insurance) of the Contract, the Supplier shall effect and maintain such further policy or policies of insurance or extensions to such existing policy or policies of insurance procured under the Contract in respect of all risks which may be incurred by the Supplier arising out of its performance of its obligations under this Contract.
- 28.2 Without limitation to the generality of Clause 28.1 (Insurance) the Supplier shall ensure that it maintains the following policies of insurance:

 - 28.2.2 Employers' Liability Insurance: £10,000,000 per claim (minimum of £10,000,000 each and every claim);

 - 28.2.4.1 Subject to Clauses 28.2.4.2 (Insurance) and 28.2.4.3 (Insurance) below, £5,000,000 per claim (minimum of £5,000,000 each and every claim).
 - 28.2.4.2 The Authority may review the minimum level of Cyber Liability Insurance cover required three (3) months after the Contract Commencement Date and every three (3) months thereafter. Following such a review, the Authority may (in its sole discretion), on written notice, increase the level of Cyber Liability Insurance cover required up to £10,000,000 per claim (minimum of £10,000,000 each and every claim).
 - 28.2.4.3 If the Authority notifies the Supplier that it requires a higher level of Cyber Liability Insurance cover, the Supplier shall procure and maintain Cyber Liability Insurance at the required amount within 10 (ten) Working Days of such notice.
- 28.3 The Supplier shall either:
- 28.3.1 effect and maintain the policy or policies of insurance referred to in Clause 28.2 (Insurance); or
 - 28.3.2 ensure that the policy or policies referred to in Clause 28.2 (Insurance) are written on a 'claims occurring' basis and that such

policy or policies will cover any claim made by the Authority against the Supplier,

for a period of six (6) years after the Contract Expiry Date.

- 28.4 The insurance policies referred to in Clause 28.2 (Insurance) shall be maintained in accordance with Good Industry Practice and (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time.
- 28.5 The insurance policies referred to in Clause 28.2 (Insurance) shall be taken out and maintained with insurers who are:
 - 28.5.1 of good financial standing;
 - 28.5.2 appropriately regulated;
 - 28.5.3 regulated by the applicable regulatory body and are in good standing with that regulator; and
 - 28.5.4 of good repute in the international insurance market.
- 28.6 The Supplier shall ensure that the public liability policy referred to in Clause 28.2.1 (Insurance) shall contain an indemnity to principals clause under which the Authority and/or the relevant Authority Service Recipients shall be indemnified in respect of claims made against the Authority and/or the relevant Authority Service Recipients in respect of death or bodily injury or third party property damage arising out of or in connection with the Contract and for which the Supplier is legally liable.
- 28.7 The Supplier shall give the Authority, on request, copies of all insurance policies referred to in Clause 28.2 (Insurance) or a broker's verification of insurance to demonstrate that the appropriate cover is in place, together with receipts or other evidence of payment of the latest premiums due under those policies.
- 28.8 Without limiting the other provisions of this Contract, the Supplier shall:
 - 28.8.1 take or procure the taking of all reasonable risk management and risk control measures in relation to the Services as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers; and
 - 28.8.2 promptly notify the insurers in writing of any relevant material fact under any insurance policies of which the Supplier is or becomes aware.
- 28.9 If, for whatever reason, the Supplier fails to give effect to and maintain the insurance policies required under this Clause 28 (Insurance), the Authority may make alternative arrangements to protect its interests and may recover the premium and other costs of such arrangements as a debt due from the Supplier.
- 28.10 The provisions of any insurance or the amount of cover shall not relieve the Supplier of any liability under this Contract. It shall be the responsibility of the Supplier to determine the amount of insurance cover that will be adequate to

enable the Supplier to satisfy any liability in relation to the performance of its obligations under this Contract.

- 28.11 The Supplier shall ensure that nothing is done which would entitle the relevant insurer to cancel, rescind or suspend any insurance or cover, or to treat any insurance, cover or claim as voided in whole or part. The Supplier shall use all reasonable endeavours to notify the Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.
- 28.12 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Services and/or this Contract for which it may be entitled to claim under any of the insurance policies listed in Clause 28.2 (Insurance). In the event that the Authority and/or any Authority Service Recipient receives a claim relating to or arising out of the Services and/or this Contract, the Supplier shall co-operate with the Authority and/or the Authority Service Recipient and assist it in dealing with such claims at its own expense including without limitation providing information and documentation in a timely manner.
- 28.13 The Supplier shall maintain a register of all claims under any of the insurance policies listed in Clause 28.2 (Insurance) in connection with this Contract and shall allow the Authority to review such register at any time.
- 28.14 Where any of the insurance policies listed in Clause 28.2 (Insurance) requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.
- 28.15 Where any of the insurance policies listed in Clause 28.2 (Insurance) is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the Authority and/or any Authority Service Recipient any sum paid by way of excess or deductible under the Insurances whether under the terms of this Contract or otherwise.

I. REMEDIES AND RELIEF

29. AUTHORITY REMEDIES FOR DEFAULT

Remedies

- 29.1 Without prejudice to any other right or remedy of the Authority or any Authority Service Recipient howsoever arising, if the Supplier commits any Default of this Contract then the Authority may (whether or not any part of the Services have been delivered) do any of the following:
- 29.1.1 at the Authority's or the relevant Authority Service Recipient's option, give the Supplier the opportunity (at the Supplier's expense) to remedy the Default together with any damage resulting from such Default (where such Default is capable of remedy) or to supply Replacement Services and carry out any other necessary work to ensure that the terms of this Contract are fulfilled, in accordance with the Authority's or the relevant Authority Service Recipient's instructions;

- 29.1.2 carry out, at the Supplier's expense, any work necessary to make the provision of the Services comply with this Contract;
- 29.1.3 if the Default is a material Default that is capable of remedy (and for these purposes a material Default may be a single material Default or a number of Defaults or repeated Defaults - whether of the same or different obligations and regardless of whether such Defaults are remedied - which taken together constitute a material Default):
 - 29.1.3.1 instruct the Supplier to comply with the Rectification Plan Process;
 - 29.1.3.2 suspend this Contract (whereupon the relevant provisions of Clause 35 (Partial Termination, Suspension and Partial Suspension) shall apply) and step-in to itself supply or procure a third party to supply (in whole or in part) the Services;
 - 29.1.3.3 without terminating or suspending the whole of this Contract, terminate or suspend this Contract in respect of part of the provision of the Services only (whereupon the relevant provisions of Clause 35 (Partial Termination, Suspension and Partial Suspension) shall apply) and step-in to itself supply or procure a third party to supply (in whole or in part) such part of the Services;
- 29.2 Where the Authority exercises any of its step-in rights under Clauses 29.1.3.2 or 29.1.3.3 (Remedies), the Authority shall have the right to charge the Supplier for and the Supplier shall on demand pay any costs reasonably incurred by the Authority or any Authority Service Recipient (including any reasonable administration costs) in respect of the supply of any part of the Services by the Authority or a third party and provided that the Authority uses its reasonable endeavours to mitigate any additional expenditure in obtaining Replacement Services.

Rectification Plan Process

- 29.3 Where the Authority has instructed the Supplier to comply with the Rectification Plan Process pursuant to Clause 29.1.3.1 (Remedies):
 - 29.3.1 the Supplier shall submit a draft Rectification Plan to the Authority and/or the Authority Service Recipient for it to review as soon as possible and in any event within 10 (ten) Working Days (or such other period as may be agreed between the Parties) from the date of Authority's instructions. The Supplier shall submit a draft Rectification Plan even if the Supplier disputes that it is responsible for the Default giving rise to the Authority's request for a draft Rectification Plan.
 - 29.3.2 the draft Rectification Plan shall set out:
 - 29.3.2.1 full details of the Default that has occurred, including a cause analysis;
 - 29.3.2.2 the actual or anticipated effect of the Default; and
 - 29.3.2.3 the steps which the Supplier proposes to take to rectify

the Default (if applicable) and to prevent such Default from recurring, including timescales for such steps and for the rectification of the Default (where applicable).

- 29.4 The Supplier shall promptly provide to the Authority and/or the Authority Service Recipient any further documentation that the Authority and/or the Authority Service Recipient requires to assess the Supplier's root cause analysis. If the Parties do not agree on the root cause set out in the draft Rectification Plan, either Party may refer the matter to be determined by an expert in accordance with Paragraph 5 of Contract SCHEDULE 6.3 (Dispute Resolution Procedure).
- 29.5 The Authority may reject the draft Rectification Plan by notice to the Supplier if, acting reasonably, it considers that the draft Rectification Plan is inadequate, for example because the draft Rectification Plan:
- 29.5.1 is insufficiently detailed to be capable of proper evaluation;
 - 29.5.2 will take too long to complete;
 - 29.5.3 will not prevent reoccurrence of the Default; and/or
 - 29.5.4 will rectify the Default but in a manner which is unacceptable to the Authority.
- 29.6 The Authority shall notify the Supplier whether it consents to the draft Rectification Plan as soon as reasonably practicable. If the Authority rejects the draft Rectification Plan, the Authority shall give reasons for its decision and the Supplier shall take the reasons into account in the preparation of a revised Rectification Plan. The Supplier shall submit the revised draft of the Rectification Plan to the Authority and/or the Authority Service Recipient for review within five (5) Working Days (or such other period as agreed between the Parties) of the Authority's notice rejecting the first draft.
- 29.7 If the Authority consents to the Rectification Plan, the Supplier shall immediately start work on the actions set out in the Rectification Plan.

30. SUPPLIER RELIEF DUE TO AUTHORITY CAUSE

- 30.1 If the Supplier has failed to:
- 30.1.1 provide the Services in accordance with the Key Performance Indicators; or
 - 30.1.2 comply with its obligations under this Contract,
- (each a "**Supplier Non-Performance**"), and can demonstrate that the Supplier Non-Performance would not have occurred but for an Authority Cause, then (subject to the Supplier fulfilling its obligations in Clause 13 (Supplier Notification of Authority Cause)):
- 30.1.2.1 the Supplier shall not be treated as being in breach of this Contract to the extent the Supplier can demonstrate that the Supplier Non-Performance was caused by the Authority Cause;
 - 30.1.2.2 the Authority shall not be entitled to exercise any rights that may arise as a result of that Supplier

Non-Performance to terminate this Contract pursuant to Clause 32 (Authority Termination Rights) except Clause 32.9 (Authority Termination Without Cause);

- 30.2 Where the Supplier Non-Performance constitutes a KPI Failure, the Supplier shall be entitled to invoice for the Contract Charges for the provision of the relevant Services affected by the Authority Cause, in each case, to the extent that the Supplier can demonstrate that the KPI Failure was caused by the Authority Cause.
- 30.3 In order to claim any of the rights and/or relief referred to in Clauses 30.1 and 30.2 (Supplier Relief due to Authority Cause), the Supplier shall:
 - 30.3.1 comply with its obligations under Clause 13 (Supplier Notification of Authority Cause); and
 - 30.3.2 as soon as reasonably practicable and in any event within ten (10) Working Days of becoming aware that an Authority Cause has caused, or is likely to cause, a Supplier Non-Performance, give the Authority notice (a “**Relief Notice**”) setting out details of:
 - 30.3.2.1 the Supplier Non-Performance;
 - 30.3.2.2 the Authority Cause and its effect on the Supplier’s ability to meet its obligations under this Contract; and
 - 30.3.2.3 the relief claimed by the Supplier.
- 30.4 Following the receipt of a Relief Notice, the Authority shall as soon as reasonably practicable consider the nature of the Supplier Non-Performance and the alleged Authority Cause and whether it agrees with the Supplier’s assessment set out in the Relief Notice as to the effect of the relevant Authority Cause and its entitlement to relief, consulting with the Supplier where necessary.
- 30.5 The Supplier shall use all reasonable endeavours to eliminate or mitigate the consequences and impact of an Authority Cause, including any Losses that the Supplier may incur and the duration and consequences of any delay or anticipated delay.
- 30.6 Without prejudice to Clause 9.12 (Continuing Obligation to Provide the Services) if a Dispute arises as to:
 - 30.6.1 whether a Supplier Non-Performance would not have occurred but for an Authority Cause; and/or
 - 30.6.2 the nature and/or extent of the relief claimed by the Supplier,

either Party may refer the Dispute to the Dispute Resolution Procedure. Pending the resolution of the Dispute both Parties shall continue to resolve the causes of, and mitigate the effects of, the Supplier Non-Performance.

31. FORCE MAJEURE AND BUSINESS CONTINUITY

Business Continuity

- 31.1 Within one (1) month from the Contract Commencement Date, the Supplier will ensure that it has put in place a Business Continuity Plan. The Supplier

will use all reasonable endeavours to ensure its Business Continuity Plan operates effectively (alongside the Authority or the relevant Authority Service Recipient's business continuity plan, where relevant) to ensure the continued provision of the Services.

- 31.2 The Supplier shall test its Business Continuity Plan at reasonable intervals, and in any event no less than once every 12 months or such other period as may be agreed between the Parties taking into account the criticality of this Contract to the Authority and the Authority Service Recipients and the size and scope of the Supplier's business operations. The Supplier shall promptly provide to the Authority or the Authority Service Recipient (as relevant), at Authority's or the Authority Service Recipient's (as relevant) written request, copies of its Business Continuity Plan, reasonable and proportionate documentary evidence that the Supplier tests its Business Continuity Plan in accordance with the requirements of this Clause 31.2 and reasonable and proportionate information regarding the outcome of such tests. The Supplier shall provide to Authority or the Authority Service Recipient (as relevant) a copy of any updated or revised Business Continuity Plan within 14 Working Days of any material update or revision to the Business Continuity Plan.
- 31.3 Should a Business Continuity Event occur at any time, the Supplier shall implement and comply with its Business Continuity Plan and provide regular written reports to Authority or the Authority Service Recipient (as relevant) on such implementation.

Force Majeure Event

- 31.4 Subject to the remainder of Clause 31 (Force Majeure and Business Continuity), a Party may claim relief under Clause 31 (Force Majeure and Business Continuity) from liability for failure to meet its obligations under this Contract for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Supplier in performing its obligations under this Contract which results from a failure or delay by an agent, Sub-Contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-Contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Supplier.
- 31.5 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.
- 31.6 If the Supplier is the Affected Party, it shall not be entitled to claim relief under this Clause 31 (Force Majeure and Business Continuity) to the extent that consequences of the relevant Force Majeure Event:
- 31.6.1 are capable of being mitigated by any of the provision of any Services, but the Supplier has failed to do so; and/or
 - 31.6.2 should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Contract.
- 31.7 Subject to Clause 31.8 (Force Majeure and Business Continuity), as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use

reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.

- 31.8 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.
- 31.9 Where, as a result of a Force Majeure Event, an Affected Party fails to perform its obligations in accordance with this Contract, then during the continuance of the Force Majeure Event:
 - 31.9.1 the other Party shall not be entitled to exercise any rights to terminate this Contract in whole or in part as a result of such failure unless the provision of the Services is materially impacted by a Force Majeure Event which endures for a continuous period of more than ninety (90) days; and
 - 31.9.2 the Supplier shall not be liable for any Default and the Authority and/or any Authority Service Recipient shall not be liable for any Authority Cause arising as a result of such failure;
- 31.10 Where, as a result of a Force Majeure Event the Supplier fails to perform its obligations in accordance with this Contract:
 - 31.10.1 the Authority shall not be entitled during the continuance of the Force Majeure Event to exercise its step-in rights under Clause 29.1.2 and 29.1.3 (Authority Remedies for Default) as a result of such failure; and
 - 31.10.2 the Supplier shall be entitled to receive payment of the Contract Charges (or a proportional payment of them) only to the extent that the Services (or part of the Services) continue to be provided in accordance with the terms of this Contract during the occurrence of the Force Majeure Event.
- 31.11 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Contract.

BACKGROUND

In May 2017, the system for the funding and procurement of apprenticeship training changed with the introduction of the Apprenticeship Levy. This requires public sector employers with a pay bill of over £3 million each year to make an investment into apprenticeships amounting to 0.5% of their annual pay bill.

A levy-paying employer accesses their levy fund through a Digital Apprenticeship Account (DAA) controlled by the ESFA. The DAA is hosted on a system known as the Digital Apprenticeship Service (DAS). Each levy-paying employer has a virtual account equivalent in value to its contribution, minus an amount equivalent to the notional contribution for its employees that live in Scotland, Wales and Northern Ireland, plus a Government top-up of 10%.

Funds in the DAA can only be used to cover the cost of apprenticeship training and end point assessment for apprenticeships undertaken in England. To access the funds, an employer will need to show, through the DAS, that it has a contract for the delivery of recognised apprenticeship training services by a registered provider. For these purposes, a registered provider is a training provider that appears on the ESFA's Register of Apprenticeship Training Providers (RoATP).

The administration and management of apprenticeship training and apprenticeship participation must be carried out in accordance with ESFA registration.

The current "Public Sector Apprenticeship Target" means that public bodies in England with 250 or more staff as of 31st March 2021 have a target to employ at least 2.3% of their staff as new apprentice starts over the period of 1 April 2021 to 31 March 2022.

However, Civil Service Departments (the employer) will ensure that they adhere to future targets as agreed with ESFA and future strategies of apprentice starts each year.

1. INTRODUCTION

- 1.1 The Cabinet Office (the Authority) is seeking to award contracts to certified Apprenticeship training providers to deliver national and regional coverage for the Apprenticeships training provision across England to Civil Service Departments (each an employer).
- 1.2 The Contracts are intended to offer each Civil Service Department (employer) flexibility in Apprenticeship learning. The use of the Contracts will be at the discretion of individual Civil Service Departments (employer), based on which particular programmes are most appropriate to meet their specific requirements.
- 1.3 Nothing herein is intended to create, nor shall it be construed as creating, any exclusive arrangement with a Supplier. The Contract shall not restrict each Civil Service Department (employer) from acquiring similar Services from other entities or sources.
- 1.4 No guarantee is given by the Authority in respect of the levels, or aggregate value, of the Services that the Civil Service Departments shall require the Supplier to provide during the Contract period (see paragraph 1.6 below). Any levels or aggregate values of Services referred to in the Annex 2 (Apprenticeship Standards Required) of this Statement of Requirement are indicative only and shall not be binding on the Authority.
- 1.5 The Authority reserves the right to amend the Contract, using the Variation process, in order to ensure compliance with new and updated Apprenticeship Standards and requirements that take effect during the term of the Contract. The Authority will agree such amendments with the Profession Lead and the CSAU, as part of the continuous improvement of the service offering. The CSAU is responsible for supporting the development and implementation of the 2021/22 Civil Service Apprenticeship strategy as well as the future strategy. The CSAU will work with each Civil Service Department (employer)'s Profession Lead and wider stakeholders to deliver a number of measures and utilise their outputs to develop future aims and apprenticeship ambitions.
- 1.6 Each Contract will be for an initial period of 24 months, with a unilateral option for the Authority to extend the term of the Contract for a period of up to two years (on the basis of two periods of 12 months) (i.e. the total possible duration of each Contract is a 2 +1+1 year contract) (see Clause 6 of the Contract).

2. THE REQUIREMENT

- 2.1 The Cabinet Office, as the CSAU, will manage each Contract on behalf of each Civil Service Department (employer). The Cabinet Office will work in collaboration with each Civil Service Department (employer) to create a managed contract that provides access to ESFA-registered apprenticeship training providers to provide training and apprenticeship training services that meet standards for England.
- 2.2 The CSAU is a centrally delivered support function for departments and suppliers for all aspects of Apprenticeship delivery as part of the Civil Service strategy. The CSAU team is made up of commercial experts embedded within the Cabinet Office and operate as part of the wider Government commercial organisation across the Civil Service alongside other commercial colleagues.
- 2.3 The Contract will be available for use by the Civil Service Departments

described in Annex 1 (Civil Service Departments) and any future successors to these organisations. Each Civil Service Department (employer) will have the right to request the provision of the Services from the Supplier by completing and submitting a Services Request Form in accordance with the process set out in Clause 10 of the Contract. The CSAU will be responsible for monitoring overall spend and usage by each Civil Service Department (employer) throughout the term of the Contract as part of the contact management process (described in further detail in Schedule 2.2 (Performance Levels)).

- 2.4 A review conducted by the CSAU on behalf of the Cabinet Office highlighted the need for a more flexible and varied contracting approach. The requirement has been split into lots, based on the various areas, as follows:

National Lots and Regional Sub-Lots

- a) The Services have been divided firstly into eight (8) main national lots based on profession areas (the “**National Lots**”) as listed below:

- b) Each profession area is also divided into eight (8) ‘sub-lots’ by region as set out below (the “**Regional Sub-Lots**”) – for each of the above profession areas:
- A. North East - Northumberland, Tyne and Wear, Durham
 - B. North West - Cumbria, Lancashire, Greater Manchester, Merseyside, Cheshire
 - C. Yorkshire and the Humber - North Yorkshire, West Yorkshire, East Riding, South Yorkshire
 - D. East Midlands - Derbyshire, Nottinghamshire, Lincolnshire, Leicestershire, Northamptonshire

- c) The relevant “Region” is determined by the region in which the Apprentices’ office is based but the Supplier notes that Apprentices

may spend time in other regions or outside England and should refer to Section 6 (Locations) below.

- 2.5 Further details of the Apprenticeship Standards which the Supplier must meet for each lot are set out in Annex 2 (Apprenticeship Standards Required) of this Statement of Requirement. This Annex 2 details the breakdown of forecasted annual volumes of Apprentice starts per lot and the Apprenticeship Standards (with their levels) which the Supplier will be required to be able to deliver under each Lot.
- 2.6 The Cabinet Office is acting on behalf of the Civil Service Departments to procure high quality Apprenticeship training and related services, which offer good value for money. Consistency of learning across all formats of learning is a priority for the Civil Service. To this end, the Supplier shall be expected to work in collaboration with all other suppliers who provide learning to the Civil Service to make sure that there is consistency of models used, so as to ensure that if an Apprentice is undertaking core curriculum learning or Apprenticeship training, they receive the same messages. The Supplier acknowledges and agrees that it may be required to take on and provide the Services to current and existing Apprentices and, where this is the case, the Supplier will be required to recognise any "prior learning" delivered to these Apprentices.
- 2.7 Services Request Forms will be used by each Civil Service Department (employer) (including the Authority) to obtain particular Services from the Supplier under the Contract. The Services Request Form can be submitted to the Supplier either by the Cabinet Office, as the Authority acting on behalf of the relevant Civil Service Department (employer), or directly by the Profession Lead of the relevant Civil Service Department (employer).
- 2.8 The Supplier can choose whether to provide the Services directly, or by sub-contracting the provision of the Services to other RoATP certified apprenticeship training service providers. The precise details of any Additional Service(s) required (as defined in Schedule 1 of the Contract) will be given by the relevant Civil Service Department (employer) in the Services Request Form.

5. Review of Targets

Changes to KPIs shall be dealt with in accordance with Clauses 8.4 and 8.5 (Changes to Key Performance Indicators) of the Contract.

6. Service Points and Repeat KPI Failures

Service Points

- 6.1 The CSAU (on behalf of both the Authority and the Authority Service Recipients) shall use the following system to monitor the performance of the Supplier through the application of Service Points.
- 6.2 If the level of performance of the Supplier during a Measurement Period achieves the Target Performance Level in respect of a Key Performance Indicator, no Service Points shall applied to the Supplier in respect of that Key Performance Indicator.
- 6.3 After the Grace Period, if the level of performance of the Supplier during a Measurement Period is below the Target Performance Level in respect of a Key Performance Indicator, Service Points shall accrue to the Supplier in respect of that Key Performance Indicator as set out in Paragraph 6.4 below.
- 6.4 The number of Service Points that shall accrue to the Supplier in respect of a KPI Failure shall be the applicable number set out in Table 3 below depending on whether the KPI Failure is a Minor KPI Failure, a Serious KPI Failure or a Severe KPI Failure, unless the KPI Failure is a Repeat KPI Failure when the provisions of Paragraphs 6.5 and 6.6 below shall apply.

Table 3

	Service Availability Severity Levels	Service point	Description
Gold	Above Target Performance Level 100%	0	To be reviewed as part of quarterly performance monitoring reviews to ensure alignment with specified requirements of the Services and to encourage continuous improvement.
Green	Target Performance Level 95%	0	No action required.
Amber	Minor KPI Failure 94.9% - 90%	1	Where this amounts to a Material KPI Failure, the CSAU (on behalf of both the Authority and the Authority Service Recipients) will require the Supplier to identify the reason(s) for not meeting the minimum service requirements. The CSAU will work with the Supplier to agree a Rectification Plan towards meeting minimum service requirements. The Supplier shall complete the Rectification Plan (a template of which has been included at appendix A of this Schedule 2.2) in accordance with Clause 29.3 (Rectification Plan Process) which shall include SMART objectives that are time specific and will require regular updates on
	Serious KPI Failure 89.9% - 85%	2	
	Severe KPI Failure 84.9% - 75%	2	

			progress-to-date. Progress against the action plan will be monitored at each contract review meeting .
Red	KPI Service Threshold below 75%	3	As above but if the Supplier fails to improve performance despite the Rectification Plan being in place for six (6) months and continues to fail to meet any KPI Service Threshold the Authority may deem this a material Default which has not been remedied and may terminate in accordance with Clause 32.1.5 of the Contract.

Repeat KPI Failures

6.5 If a KPI Failure occurs in respect of the same Key Performance Indicator in any two consecutive Measurement Periods, the second and any subsequent such KPI Failure shall be a "Repeat KPI Failure".

6.6 The number of Service Points that shall accrue to the Supplier in respect of a KPI Failure that is a Repeat KPI Failure shall be calculated as follows:

$$SP = P \times 2$$

where:

SP = the number of Service Points that shall accrue for the Repeat KPI Failure; and

P = the applicable number of Service Points for that KPI Failure as set out in Table 3 depending on whether the Repeat KPI Failure is a Minor KPI Failure, a Serious KPI Failure, a Severe KPI Failure or a failure to meet the KPI Service Threshold.

Worked Example

*The highest severity level of KPI failure (where performance of a KPI falls below 75%) is **3 Service Points**. As there are, 37 Key Performance indicators if Supplier achieves 75% for all 37 KPIs in any period of 2 months then it would amount to a Critical Performance Failure.*

However If the Supplier achieves 92% for KPI1 (Communication) in a given Measurement Period, it will incur a Minor KPI Failure for KPI1 in that Measurement Period and accordingly accrue 1 Service Point. If, in the next Measurement Period, it achieves 80% for KPI1 (Communication), it will incur a Severe KPI Failure and accordingly accrue 2 Service Points but, as the failure is a Repeat Failure, this amount is doubled and so the Supplier will incur 4 Service Points for the failure (i.e. $SP = 2 \times 2$). If, in the next Measurement Period, the Supplier achieves 80% for KPI1 (Communication), the Supplier will again incur 4 Service Points.

7. Performance Management

Reports

7.1 To ensure the delivery of the Services meets the expectations of the Authority

and the Authority Service Recipients, the Supplier will be required to provide contract management reports to the Authority on its performance of the Services and the operation of the Contract prior to the date of the formal contract review meetings.

Such approval should be given or withheld by the Supplier within ten Working Days of receipt of such minutes. Where no response is received within such period, the Supplier will be deemed to have agreed the content of the relevant minutes.

- 7.8 The CSAU (on behalf of the Authority and the Authority Service Recipient) will undertake an annual review of the Services, including:
- 7.8.1 an audit of Supplier's processes for recruiting, training and managing talent coaches and tutors; and
 - 7.8.2 meeting with Apprentices, line managers and end users to discuss the performance of the Supplier in relation to the Services.
- 7.9 The CSAU contract management team (on behalf of the Authority and the Authority Service Recipient) will need to investigate any issues identified as part of an annual review and shall work with the Supplier to agree an action plan for resolving the issues identified. 2. EMPLOYMENT REGULATIONS EXIT PROVISIONS

- 2.1 The Authority and the Supplier acknowledge that subsequent to the commencement of the provision of the Services, the identity of the provider of the Services (or any part of the Services) may change (whether as a result of termination or Partial Termination of this Contract or otherwise) resulting in the Services being undertaken by a Replacement Supplier and/or a Replacement Sub-Contractor. Such change in the identity of the Supplier of such Services may constitute a Relevant Transfer to which the Employment Regulations and/or the Acquired Rights Directive will apply. The Authority and the Supplier further agree that, as a result of the operation of the Employment Regulations, where a Relevant Transfer occurs, the contracts of employment between the Supplier and the Transferring Supplier Employees (except in relation to any contract terms disapplied through operation of regulation 10(2) of the Employment Regulations) will have effect on and from the Service Transfer Date as if originally made between the Replacement Supplier and/or a Replacement Sub-Contractor (as the case may be) and each such Transferring Supplier Employee.
- 2.2 The Supplier shall, and shall procure that each Sub-Contractor shall, comply with all its obligations in respect of the Transferring Supplier Employees arising under the Employment Regulations in respect of the period up to (but not including) the Service Transfer Date and shall perform and discharge, and procure that each Sub-Contractor shall perform and discharge, all its obligations in respect of all the Transferring Supplier Employees arising in respect of the period up to (and including) the Service Transfer Date (including the payment of all remuneration, benefits, entitlements and outgoings, all wages, accrued but untaken holiday pay, bonuses, commissions, payments of PAYE, national insurance contributions and pension contributions which in any case are attributable in whole or in part to the period ending on (and including) the Service Transfer Date) and any necessary apportionments in respect of any periodic payments shall be made between: (i) the Supplier and/or the Sub-Contractor (as appropriate); and (ii) the Replacement Supplier and/or Replacement Sub-Contractor.
- 2.3 Subject to Paragraph 2.4, where a Relevant Transfer occurs the Supplier shall indemnify the Authority and/or the Replacement Supplier and/or any Replacement Sub-Contractor against any Employee Liabilities in respect of

any Transferring Supplier Employee (or, where applicable any employee representative as defined in the Employment Regulations) arising from or as a result of:

- 2.3.1 any act or omission of the Supplier or any Sub-Contractor whether occurring before, on or after the Service Transfer Date;

 - 2.3.4.1 in relation to any Transferring Supplier Employee, to the extent that the proceeding, claim or demand by HMRC or other statutory authority relates to financial obligations arising on and before the Service Transfer Date; and
 - 2.3.4.2 in relation to any employee who is not a Transferring Supplier Employee, and in respect of whom it is later alleged or determined that the Employment Regulations applied so as to transfer his/her employment from the Supplier to the Authority and/or Replacement Supplier and/or any Replacement Sub-Contractor, to the extent that the proceeding, claim or demand by HMRC or other statutory authority relates to financial obligations arising on or before the Service Transfer Date;
- 2.3.5 a failure of the Supplier or any Sub-Contractor to discharge or procure the discharge of all wages, salaries and all other benefits and all PAYE tax deductions and national insurance contributions relating to the Transferring Supplier Employees in respect of the period up to (and including) the Service Transfer Date);
- 2.3.6 any claim made by or in respect of any person employed or formerly employed by the Supplier or any Sub-Contractor other than a Transferring Supplier Employee for whom it is alleged the Authority

and/or the Replacement Supplier and/or any Replacement Sub-Contractor may be liable by virtue of this Contract and/or the Employment Regulations and/or the Acquired Rights Directive; and

- 2.3.7 any claim made by or in respect of a Transferring Supplier Employee or any appropriate employee representative (as defined in the Employment Regulations) of any Transferring Supplier Employee relating to any act or omission of the Supplier or any Sub-Contractor in relation to its obligations under regulation 13 of the Employment Regulations, except to the extent that the liability arises from the failure by the Authority and/or Replacement Supplier to comply with regulation 13(4) of the Employment Regulations.
- 2.4 The indemnities in Paragraph 2.3 shall not apply to the extent that the Employee Liabilities arise or are attributable to an act or omission of the Replacement Supplier and/or any Replacement Sub-Contractor whether occurring or having its origin before, on or after the Service Transfer Date, including any Employee Liabilities:

- 2.6 If such offer is accepted, or if the situation has otherwise been resolved by the Supplier or a Sub-Contractor, the Authority shall procure that the Replacement Supplier shall, or procure that the Replacement Sub-Contractor shall, immediately release or procure the release of the person from his/her employment or alleged employment.

- 1.1 This SCHEDULE 12 shall apply to the conduct, by a Party from whom an indemnity is sought under this Contract (the “**Indemnifier**”), of claims made by a third person against a Party having (or claiming to have) the benefit of the indemnity (the “**Beneficiary**”). For the avoidance of doubt, for the purpose of this SCHEDULE 12, any reference to a “Party” or the “Parties” shall be interpreted as including any Authority Service Recipient.
- 1.2 If the Beneficiary receives any notice of any claim for which it appears that the Beneficiary is, or may become, entitled to indemnification under this Contract (a “**Claim**”), the Beneficiary shall give notice in writing to the Indemnifier as soon as reasonably practicable and in any event within 10 Working Days of receipt of the same.
- 1.3 Subject to Paragraph 2 of this SCHEDULE 12, on the giving of a notice by the Beneficiary, where it appears that the Beneficiary is or may be entitled to indemnification from the Indemnifier in respect of all (but not part only) of the liability arising out of the Claim, the Indemnifier shall (subject to providing the Beneficiary with a secured indemnity to its reasonable satisfaction against all costs and expenses that it may incur by reason of such action) be entitled to dispute the Claim in the name of the Beneficiary at the Indemnifier’s own expense and take conduct of any defence, dispute, compromise or appeal of the Claim and of any incidental negotiations relating to the Claim. If the Indemnifier does elect to conduct the Claim, the Beneficiary shall give the Indemnifier all reasonable cooperation, access and assistance for the purposes of such Claim and, subject to Paragraph 2.2 of this SCHEDULE 12, the Beneficiary shall not make any admission which could be prejudicial to the defence or settlement of the Claim without the prior written consent of the Indemnifier.
- 1.4 With respect to any Claim conducted by the Indemnifier pursuant to Paragraph 1.3 of this SCHEDULE 12:
 - 1.4.1 the Indemnifier shall keep the Beneficiary fully informed and consult with it about material elements of the conduct of the Claim;

- 1.5 The Beneficiary shall be entitled to have conduct of the Claim and shall be free to pay or settle any Claim on such terms as it thinks fit and without prejudice to its rights and remedies under this Contract if:
 - 1.5.1 the Indemnifier is not entitled to take conduct of the Claim in accordance with Paragraph 1.3 above;
 - 1.5.2 the Indemnifier fails to notify the Beneficiary in writing of its intention

to take conduct of the relevant Claim within 10 Working Days of the notice from the Beneficiary or if the Indemnifier notifies the Beneficiary in writing that it does not intend to take conduct of the Claim; or

If the Beneficiary withholds such consent and elects to conduct the defence, dispute, compromise or appeal of the Sensitive Claim itself, it shall conduct the Sensitive Claim with all due diligence and if it fails to do so, the Indemnifier shall only be liable to indemnify the Beneficiary in respect of that amount which would have been recoverable by the Beneficiary had it conducted the Sensitive Claim with all due diligence.
- 2.2 The Beneficiary shall be free at any time to give written notice to the Indemnifier that it is retaining or taking over (as the case may be) the conduct of any Claim, to which Paragraph 1.3 above applies if, in the reasonable opinion of the Beneficiary, the Claim is, or has become, a Sensitive Claim.

3. RECOVERY OF SUMS

- 3.1 If the Indemnifier pays to the Beneficiary an amount in respect of an indemnity and the Beneficiary subsequently recovers (whether by payment, discount, credit, saving, relief or other benefit or otherwise) a sum which is directly referable to the fact, matter, event or circumstances giving rise to the Claim, the Beneficiary shall forthwith repay to the Indemnifier whichever is the lesser of:
 - 3.1.1 an amount equal to the sum recovered (or the value of the discount, credit, saving, relief, other benefit or amount otherwise obtained) less any out-of-pocket costs and expenses properly incurred by the Beneficiary in recovering or obtaining the same; and
