

Amendment to MFF108

Clarification: AOC certificate is only required for public transport activities and All other activities will come under Part SPO. If you do not have an AOC certificate this does not preclude you from tendering.

Paragraph 2 of Part B of Section one the words are amended to the following:

2. Movement of Personnel associated with the works and Public transport

- a. The Contractor may be required to provide aerial transportation of personnel associated with the works or provide public transport.
- b. The Contractor will be required to provide proof of any relevant certification/ licences required to carry personnel associated with the works or provide public transport.
- c. The number of personnel to be transported may vary significantly so the contractor is required to specify how many people their machine/s can carry at any one time.

Paragraph 7 of Part C of Section one the words are amended to the following:

7. Aerial Transport of people.

7.1. Task Specialist aerial transport

- 7.1.1. It may be necessary to aurally transport personnel associated with the works.
- 7.1.2. Employees of the Contractor or sub-contractor or MFFP must not be flown to Site in an aircraft unless that aircraft is being operated in conjunction with a valid Part SPO.
- 7.1.3. The Contractor must ensure that the use of helicopters complies with all CAA and HSE guidelines.

7.2. Public transport flying (aoc)

- 7.2.1. It may be necessary to conduct public transport flying. All public to be lifted onto Sites must be briefed by the Contractor.
- 7.2.2. Licences and Certificates:
- 7.2.3. Pilots must have a Commercial Pilots Licence.
- 7.2.4. The Contractor must ensure that the use of helicopters complies with all CAA and HSE guidelines
- 7.2.5. The Contractor or Sub-contractor undertaking the Aerial Works must also hold a CAA Type B Operating Licence.
