1. Background to the Buyer

- 1.1 The Buyer currently operates a fleet of eleven sea going patrol craft operating in both UK National and International waters. These vessels consist of five steel-hulled patrol vessels of 42m to 47m and six Coastal Patrol Vessels of RHIB design with Hypalon sponsons.
- 1.2 The primary role of the fleet is:
 - 1.2.1 To provide a mobile, flexible, seaborne force capable of maintaining an effective deterrent against illegal immigration, smuggling and other breaches of the law administered by Border Force both within and outside the territorial waters of the UK in support of the UK's national security strategy.
 - 1.2.2 To increase maritime intelligence, undertake surveillance and improve international liaison in combating illegal immigration, the smuggling of drugs and movement of instruments of terrorism by sea.
 - 1.2.3 To intercept suspect vessels in territorial and international waters; and
 - 1.2.4 To provide mutual assistance to EU countries, the Channel Isles, the Isle of Man, and other partners on the UK border.
- 1.3 In addition to these primary responsibilities, Border Force also undertake tasks on behalf of the Ministry of Defence, Maritime and Coastguard Agency, National Crime Agency, Police and UK Fisheries Agencies.

2. Background to the Requirement

- 2.1 The Buyer has many years' experiences in using Zodiac Milpro DURATANE™ and MaxiStow Polyurethane inflatable fenders due to their robust nature and ease of repair. The Buyer wishes to remain with this type of fender or one of a very similar nature.
- 2.2 The Buyer wishes to set up a contract for four (4) year's supply of inflatable fenders for use when in port alongside marina pontoons and harbour walls.

3. Requirement

- 3.1 The Supplier shall supply an initial batch of nine (9) inflatable fenders, for use when in port alongside marina pontoons and harbour walls.

- 3.2 The Supplier shall have the ability to repair inflatable fenders from time to time.
- 3.3 The Buyer may require to purchase further fenders during the life of the contract, to the same configuration as defined in Table 1, from time to time.
- 3.4 By submitting a quote, the Supplier acknowledges that the Buyer offers no guarantee that further fenders, in addition to the initial nine (9), will be bought.
- 3.5 By submitting a quote, the Supplier agrees to deliver the fenders to the address in § [6](#) under the incoterm Delivered Duty Paid (DDP)¹.
