Location

Braunstone is the largest civil parish within the district of Blaby in Leicestershire and one of the largest parishes in England (494 hectares). The population recorded in the 2011 Census is 16,850 (8,371 Males and 8,479 Females). In 2019, the electorate was 12,555. In 2020, there are 7,112 households.

Braunstone Town is suburban and to the north shares a common boundary with the City of Leicester and immediately inside the city boundary is the Braunstone Park estate. To the west of the parish lies the M1 motorway with junction 21 at the south western tip. To the south lies Fosse Shopping Park and Grove Triangle retail parks.

The western part of the parish adjacent to the M1 and west of the Leicester outer ring road contains the Meridian Business and Leisure Parks and a modern housing development, Thorpe Astley.

The Council

Braunstone Town Council comprises of 21 Councillors who are elected every four years. Each year the Council elects from amongst its number the Town Mayor, Deputy Town Mayor, Leader of the Council and Deputy Leader of the Council.

The Town Council provides a wide range of services to the citizens of Braunstone Town together with social and recreational facilities. The Council also promotes the interests of the town in its representation to other bodies. It works in partnership with the larger District Council and County Council to provide and supplement local government services within the town area. The focus of our work is summed up in our Mission Statement:

We exist to ensure that local services and the environment reach the highest possible standards, within the resources available, for citizens, visitors and those who work in Braunstone Town:

- *to provide a focus for civic pride;*
- *to listen, identify and respond to agreed local needs; and*
- *to help develop a strong, secure, self-reliant, self-confident community, free from unlawful discrimination.*

"Spectemur. Agendo" translates "Let us be Judged by Our Actions"

The Council was granted Quality Status in February 2004, re-accredited in January 2009 and was awarded Foundation status under the Local Council Awards Scheme in January 2014.

Our Open Spaces & Parks

The Town Council is responsible for maintaining the Town's open spaces and parks, the objectives of the Town Council in this respect is:

- to provide and maintain parks and open spaces to a high standard;
- to provide quality sports facilities to meet identified needs;
- to provide and maintain play equipment to a high and safe standard; and
- to help fight pollution by planting trees on our parks.

We are responsible for nearly 32 hectares of land, which includes sports pitches, playgrounds, nature areas, woodland, an orchard and meadow.

For the nature lovers, a small brook runs through the park, and there are a huge amount of wooded areas and natural areas around the park. A woodland walk eventually connects to the Osiers nature reserve.

Mosssdale Meadows also connects to Merrileys Park, a natural woodland and wildlife area. In total, the park is 9.51 hectares / 23.5 acres in total.

To reach the park by car, your best option will be the Kingsway entrance, which has a small car park.

Mosssdale Meadows

Mosssdale Meadows is one of the Town Council's larger parks, and hosts our yearly Summer Fete. It is quite a varied park, with a good range of sports equipment and pitches, as well as plenty of natural areas.

The main entrance is off the Kingsway itself, with a decent sized car park available. Next to the car park there is a children's play area, and a multi-use games area including a skateboard area and a basketball court.

Further into the park, there is a changing room and numerous football pitches.
