II.8) **Additional information:**

The purpose of this notice is to draw attention to a procurement that NHS Supply Chain intends to commence during the subsequent 12 months. The invitation to tender will be the subject of a separate notice and it is that notice to which potential suppliers will need to respond at the appropriate time. The Framework Agreement between NHS Supply Chain and successful suppliers will reserve the right to purchase the same or similar supplies and/or services from suppliers not appointed to the Framework Agreement at its sole discretion. Whilst it is anticipated that initial expenditure under any forthcoming procurement will be in the region of 25 000 000 GBP for this contract award this is approximate only and the values will be to such level as those purchasing under the Framework Agreement consider necessary to provide suitable requirements.

The following certification will be a requirement of the upcoming tender exercise and Applicants will be required to include evidence of this certification with their tender submission:

— ISO 9001:2015 or equivalent externally accredited and up-to-date quality standard certificate(s) to cover all segments of the Applicant's (and the product's) supply chain. This should include but may not be limited to manufacturing storage and distribution. Further information in respect of certification requirements will be set out in the notice for the forthcoming procurement. If such certificates are not in the name of the Applicant then the Applicant must supply a copy of agreements setting out the authority and responsibilities of all parties in the supply chain.

NHS Supply Chain expects to provide successful suppliers with the opportunity to offer additional savings to customers through the provision of discounted pricing value added offerings and commitment/bulk buy initiatives.

The Framework Agreement will be between NHS Supply Chain and the Supplier however 1) NHS Supply Chain; 2) any NHS Trust; 3) any other NHS entity; 4) any government department agency or other statutory body (for the avoidance of doubt including local authorities); and/or 5) any private sector entity active in the UK healthcare sector will be able to enter into a direct contract with the Supplier for any of the supplies and/or services under the Framework.

The Supplier will be required to report to and pay a direct contract management fee to NHS Supply Chain as detailed in the tender documents.

As part of its pre-tender strategy NHS Supply Chain would also like to engage with suppliers of these products via a Request for Information (RFI). If you would like to complete the Request for Information document in respect of the products which are the subject of this procurement then please follow the below instructions; Candidates wishing to complete the Request for Information must register their expression of interest.
