Background

At Salisbury District Hospital (SDH), Salisbury NHS Foundation Trust provides a range of clinical care, which includes general acute and emergency services, to approximately 225,000 people in Wiltshire, Dorset and Hampshire. Specialist services, such as burns, plastic surgery, cleft lip and palate, genetics and rehabilitation, extend to a much wider population of more than three million people. Trust staff provide outpatient clinics in other locations in Dorset and Hampshire. Specialist staff hold outreach clinics in hospitals within the Wessex area and, in total, the Trust employed 3,890 staff at 30 September 2014. This includes full and part-time staff.

This Procurement

The Trust is planning substantial changes to the way patients flow through the Hospital, with the aim of creating a better environment in which to deliver outstanding patient experience.

As part of this, we are inviting tenders from suitably qualified and experienced bidders to undertake remodelling and refurbishment works within our Pembroke Unit.

Interested bidders may access the relevant documents and tender drawings via the Trust's Bravo procurement portal. PLEASE NOTE bidders or their subcontractors MUST NOT contact Trust staff directly.

Completed tender responses, via the Bravo portal only, must be received by the close date of **Monday 2nd October 2017 at 09:00.**

PLEASE NOTE :

The bid spreadsheet automatically calculates appropriate fields. DO NOT change these calculations, or make amendments to any cells other than your pricing response. Return this file as an Excel workbook, do not convert to pdf.

Scope of works

All issued drawings and specifications are located on the Trust's procurement portal.

Please note – Bidders wishing to visit the site MUST request such visits via the Trust's Bravo procurement portal and not direct to any member of staff.
