Schedule 33 (*Assets*) Part 2 (*Government Furnished Assets*)

CD-ROM GFA: LCST-GFA-R1C0

Issued: 14 April 2015

SCHEDULE 34: LICENCE TO OCCUPY AUTHORITY LICENCE PROPERTY**1. Licence to Occupy**

- 1.1 Subject to paragraphs 2 and 3, the Authority permits the DP to use the Authority Licence Property and the Fixtures for the Permitted Use for the Licence Period under the control of the Authority and in common with the Authority and all others authorised by the Authority (so far as not inconsistent with the rights given to the DP to use the Authority Licence Property for the Permitted Use and the terms of this Agreement) together with the rights granted hereunder but subject to the reservations specified herein and to the provisions of clause 41.10 (*Authority Lease or Licence Property Obligations*) of this Agreement.
- 1.2 Notwithstanding the reservations specified herein the DP acknowledges that:
- (A) the DP shall occupy the Authority Licence Property and use the Fixtures as a licensee and that no relationship of landlord and tenant is created between the Authority and the DP by this schedule 34 or by any other provisions of this Agreement;
 - (B) the Authority retains control, possession and management of the Authority Licence Property and the Fixtures and the DP has no right to exclude the Authority from the Authority Licence Property;
 - (C) this Licence to Occupy does not give the DP exclusive occupation of any part of the Authority Licence Property and the Authority is entitled to enter and use the Authority Licence Property at any time in accordance with the terms of this Agreement;
 - (D) this Licence to Occupy is personal to the DP and is not assignable (or in relation to Authority Licence Property situated in Scotland capable of assignation) other than to an assignee of the Agreement;
 - (E) the rights granted to the DP may only be exercised by the DP and its employees and any DP Associated Company and any Subcontractors and their respective employees provided that:
 - (a) no relationship of landlord and tenant shall be created between the DP and any DP Associated Company or Subcontractor; and
 - (b) the DP shall procure that the DP Associated Company and/or Subcontractor complies with the terms of this Licence to Occupy and the applicable Security Requirements;
 - (F) without prejudice to its rights granted hereunder, the Authority shall be entitled at any time on giving not less than two (2) weeks' notice (or such longer period of notice as is reasonable in all the circumstances) to the DP to require the DP to transfer to reasonably comparable space elsewhere within a Building or the same Authority Site and the DP shall comply with such requirement, provided that if the DP reasonably considers it will incur material additional expenditure in relation to any such transfer or such transfer shall have a material impact on the provision of the Services then that transfer shall be processed in accordance with schedule 25 (*Change Procedure*) as if the proposed transfer were a Type 1 or Type 2 Change;
 - (G) nothing in this schedule 34 shall prevent or restrict the Authority from

exercising its rights under clause 64 (*Authority Step-In*) in accordance with the terms of that clause.

2. DP's Obligations

The DP agrees and undertakes:

- 2.1 to pay to the Authority the Licence Fee if demanded;
- 2.2 to comply with its obligations under clause 41.10 (*Authority Lease or Licence Property Obligations*) of this Agreement so far as relating to the relevant Authority Licence Property and Fixtures
- 2.3
 - (A) In relation to Authority Licence Property situated in England and Wales to comply with the conditions, covenants restrictions and other matters contained or referred to in the entries (if any) of the Property or Charges Register of the Land Registry Title Number or the deeds and documents relating to the Authority's interest in the Authority Licence Property (if any) as specified in respect of that Authority Licence Property in the Appendix to this schedule 34.
 - (B) in relation to Authority Licence Property situated in Scotland to comply with the conditions, burdens, restrictions and other matters contained or relating to the Authority's interest in the Authority Licence Property as specified in respect of that Authority Licence Property in the Appendix to this Schedule 34.
 - (C) in relation to Authority Licence Property situated in Northern Ireland to comply with the conditions, restrictions and other matters contained or referred to in the entries (if any) of the statutory charges register in the Land Registry of Northern Ireland or the deeds and documents relating to the Authority Licence Property as specified in respect of that Authority Licence Property in the Appendix to this Schedule 34.

3. Termination

- 3.1 The Licence to Occupy in respect of any individual Authority Licence Property shall end on the earliest of:
 - (A) the date specified in the Appendix to this schedule 34 as the date of expiry of the Licence Period for that Authority Licence Property;
 - (B) the date given in writing by the Authority to the DP or by the DP to the Authority being in each case not less than three (3) months' notice provided that the consequences of such notice shall be processed under schedule 25 (*Change Procedure*);
 - (C) the date specified in paragraph 3.2;
 - (D) immediately upon written notice by the Authority to the DP following agreement by the Authority and the DP pursuant to clause 44.5 of the DP Contract (*Measures in a Crisis*) that this licence shall terminate in respect of an individual Authority Licence Property; and
 - (E) the date fifteen Working Days following service of a notice to such effect by

the Authority following termination pursuant to Clause 71 of this Agreement (Partial Termination) in respect of the Services carried out at the Authority Licence Property.

- 3.2 The Licence to Occupy for every Authority Licence Property shall end on the date of the expiry, termination or determination of this Agreement.
- 3.3 The termination of the Licence to Occupy shall be without prejudice to the rights of the Authority and the DP in connection with any antecedent breach of or other obligation subsisting under this Agreement.

Rights Granted to DP

- 4. The right for the DP to use subject to reasonable interruption for repair, alteration, rebuilding or replacement:
 - 4.1 all appropriate areas of the Common Parts for all proper purposes in connection with the Permitted Use of the Authority Licence Property;
 - 4.2 the Common Facilities and Services; and
 - 4.3 the Conduits serving the Authority Licence Property.
- 5.
 - 5.1 The right for the DP to enter onto the Authority Site to connect into telecommunications or other data transmission Conduits in a position approved by the Authority (such approval not to be unreasonably withheld or delayed) subject to works being carried out in a good and workmanlike manner and to the DP making good any damage caused to the Authority Site caused in the carrying out of such works).
 - 5.2 Where any telecommunications or other data transmission Conduits installed by the DP fall into disrepair the right upon reasonable notice to the Authority at all reasonable times to enter onto the Authority Site and carry out necessary repairs to such Conduits. All works carried out under this paragraph 5 shall be carried out in a good and workmanlike manner and the DP shall make good any damage caused to the Authority Site.
 - 5.3 Subject always to the provisos to this paragraph 5.3 the right:
 - (A) to use and if required expand and modify the existing underlying passive infrastructure (cabinets, structured cabling, fibre optic cabling and any associated ducting), within the Authority Licence Property or Authority Site and also if required, to install and/or upgrade the cabinet uninterrupted power supply which is utilised by the Authority's existing systems within the Authority Licence Property or Authority Site, in order to access the DP's operational systems and back office applications; and
 - (B) to install WAN circuits within the Authority Licence Property or Authority Site.

The Authority in each case exercising all reasonable endeavours to procure that its telecommunications providers co-operate with the DP in its exercise of this right:

Provided That the DP shall:

- (C) carry out all such works in a good and workmanlike manner and make good all damage caused; and
 - (D) comply with the Authority's security requirements in relation to access to our use of the Authority's systems or infrastructure; and
 - (E) In carrying out any such works and using such passive infrastructure, systems or WAN circuits the DP shall not interfere with or adversely impact any of the Authority's passive infrastructure, networks, systems, software or devices or their use.
6. The further rights (if any) specified in respect of that Authority Licence Property as being for the benefit of the DP in the Appendix to this schedule 34.

Reservations

7. Works

The right to carry out works to any Building or any other part of an Authority Site or to any Adjoining Property and to use it in whatever manner may be desired and to consent to others doing so whether or not in each case the access of light and air to the Authority Licence Property or any other amenity enjoyed by it shall be affected and such right shall include the right to erect scaffolding for any purpose notwithstanding that such scaffolding may temporarily restrict the access or the passage of light to or the use and enjoyment of the Authority Licence Property.

8. Services and Conduits

- 8.1 The right to the free passage and running of Utilities (including telecommunications or other media for data transmission) from and to any other parts of any Building or an Authority Site and any other Adjoining Property in and through the Conduits which now are or may during the Licence Period be in, on, over or under the Authority Licence Property.
- 8.2 The right to connect to and use any Service Media within or passing through the Authority Licence Property the person exercising such rights to make good all damage caused as a result of the exercise of this right provided however any person exercising such rights shall use reasonable endeavours to minimise any interruption of or interference with the Permitted Use of the Authority Licence Property.
- 8.3 The right to install new Service Media within the Authority Licence Property and connect to them for the passage or transmission of Utilities to and from any Adjoining Property the person exercising such rights to make good all damage caused as a result of the exercise of this right provided however any person exercising such rights shall use reasonable endeavours to minimise any interruption of or interference with the Permitted Use of the Authority Licence Property.
- 8.4 The right at all reasonable times to inspect, cleanse, repair, maintain, renew, alter, enlarge, divert, remove and replace the Service Media now or during the term within the Authority Licence Property the person exercising such rights to make good all damage caused as a result of the exercise of this right provided however any person exercising such rights shall use reasonable endeavours to minimise any interruption of or interference with the Permitted Use of the Authority Licence Property.
- 8.5 The right from time to time to change the location or arrangements for use by the DP of any of Service Media so long as they remain available for the benefit of the

Authority Licence Property the person exercising such rights to make good all damage caused as a result of the exercise of this right provided however any person exercising such rights shall use reasonable endeavours to minimise any interruption of or interference with the Permitted Use of the Authority Licence Property.

9. **Access**

9.1 The right upon reasonable prior notice to the DP (and without notice in emergency) to enter (or in the case of emergency to break and enter) and remain on the Authority Licence Property with or without workmen, tools, appliances, scaffolding and materials for the purposes of:

- (A) installing, inspecting, repairing, renewing, reinstalling, cleaning, maintaining, removing or connecting up to any Service Media;
- (B) exercising any obligation of the Authority;
- (C) inspecting the condition and state of repair of the Authority Licence Property and Fixtures;
- (D) taking schedules or inventories of Fixtures;
- (E) remedying any breach of the DP's obligations under this Licence to Occupy if the breach is continuing one week following the DP's receipt of written notice thereof or such longer period as is reasonable in order to allow sufficient time to remedy that breach provided that remedy is being diligently progressed;
- (F) carrying out works to any Building or any other part of an Authority Site;
- (G) maintaining the fire alarm systems in the Authority Licence Property; and
- (H) taking such measures as shall be reasonably necessary at the time of entry for the purpose of protecting and/or ensuring the security of the Authority's Adjoining Property exercising such right as far as possible in such manner as shall not interfere with the Permitted Use of the Authority Licence Property; and

the person entering causing as little damage and inconvenience as reasonably possible and making good at its expense any damage caused to the Authority Licence Property by such entry as soon as reasonably practicable and to the reasonable satisfaction of the DP and using all reasonable endeavours to minimise any interference with the DP's ability to perform the Services.

10. **Support**

The rights of light, air, support, protection, shelter and all other easements and rights now or at any time during the Licence Period belonging to or enjoyed by any other parts of any Building or an Authority Site or any Adjoining Property.

11. **Further Rights**

The further rights (if any) specified in respect of that Authority Licence Property as being for the benefit of the Authority in the Appendix to this schedule 34.

12. Site Management

12.1 To the extent only and for so long only as the Authority actually provides such services at any Authority Site of which an Authority Licence Property forms part (and so that the Authority shall have no liability to provide any of such services where it does not provide them at any such Authority Site) the Authority shall provide the following services at the relevant Authority Site:

- (A) Co-ordination of establishment safety & environmental protection.
- (B) Site physical security arrangements including provision of MoD Guard Service and MoD Police where present
- (C) Site fire safety management planning / fire protection, including provision of Defence Fire & Rescue Service where present
- (D) Establishment risk and business resilience and site recovery.
- (E) Environment management / an environmental protection system.
- (F) Management of the maintenance and sustainment of Authority owned site/shared infrastructure and interface with Defence Infrastructure Organisation (DIO) and the DIO's industry partner.

13. Governing Law and Jurisdiction

13.1 For Authority Licence Property situated in Scotland or Northern Ireland clause 104 (Governing Law and Jurisdiction) of this Agreement shall be varied as follows:

- (A) In respect of Authority Licence Property situated in Scotland the rights and obligations of the Authority and the DP contained in this Schedule 34 are governed by and are to be construed in accordance with the laws of Scotland and the Authority and the DP are deemed to have agreed to submit to the non-exclusive jurisdiction of the Scottish Courts in respect thereof.
- (B) In respect of Authority Licence Property situated in Northern Ireland the rights and obligations of the Authority and the DP contained in this Schedule 34 are governed by and are to be construed in accordance with the laws of Northern Ireland and the Authority and the DP are deemed to have agreed to submit to the non-exclusive jurisdiction of the Northern Irish Courts in respect thereof.

14. Authority Licence Property in Scotland – Consent to Registration

14.1 The Authority and the DP consent to the registration of the Licence to Occupy for presentation and execution
