Framework Schedule 1 (Specification)

This Schedule sets out what UKEF wants.

For all Deliverables, the Supplier must help UKEF comply with any specific applicable Standards of UKEF.

The Deliverables and any Standards set out in the Schedule may be refined (to the extent permitted and set out in the Order Form) by UKEF during a Further Competition Procedure to reflect its Deliverables requirements for entering a particular Call-Off Contract.

1. Definitions

The following definitions shall be supplemental to those set out in Joint Schedule 1 (Definitions):

“Legal Project Manager” A legal project manager is a professional and established legal project manager working as part of the supplier team to deliver improved efficiency and cost effective service delivery;

“Mandatory Specialisms” the legal specialisms which the Supplier must provide regarding the supply of legal advice and associated services as part of the Deliverables;

“Matter Management” those activities, interpreted broadly, involved in managing all aspects of a corporate based legal practice;

“Matter Management System” a system of recording all matters, communications, documents and relevant data such as parties, matter type, providers and in-house counsel working on a particular matter;

“Public and Private International Law” for the purposes of this Framework Schedule 1 (Specification) means the laws of any country, other than England, Wales, Scotland and Northern Ireland and excluding EU Law;

“Social Value” the provision of social benefits relating to tackling workforce inequality, improving health and wellbeing and fighting climate change set out in this Framework Schedule 1 (Specification).

2. Introduction

2.1. The purpose of this Framework Schedule 1 (Specification) is to:

PSC Core Terms

- set out the scope of the Services that the Supplier shall make available to UKEF under this Framework Contract;
- provide a description of the Services; and
- set out the specific Standards and requirements applicable to the provision of Services by the Supplier.

2.2. Paragraphs 5 to 7 of this Schedule set out the Mandatory Services and requirements that the Supplier is required to make available to UKEF as a condition of this Framework Contract.

2.3. The Supplier shall maintain the ability to provide the whole range of Mandatory Services and requirements during the Contract Period and subject to paragraph 5.1 of Framework Schedule 7 (Call-Off Award Procedure) shall accept all Orders from UKEF which fall within the scope of the Mandatory Services specified in Paragraph 6 and Paragraph 7 as applicable, provided that UKEF complies with the applicable requirements of this Framework Contract in respect of such Order(s).

UKEF Needs Statement

2.4. The General Aerospace Legal Panel has been designed to facilitate UKEF's access to legal services in respect of its expanded workstream supporting the export of aircraft, aircraft engines and other aviation assets and services.

2.5. This Framework is complemented by a separate existing framework for legal services in relation to transactions for the financing of Airbus aircraft jointly supported by Bpifrance Assurance Export, Euler Hermes Aktiengesellschaft and UKEF (the "Joint ECA Airbus Framework") which is expected to remain the primary route to market for UKEF to procure legal services for such transactions.

2.6. The policy drivers supporting the development and procurement of this Framework Contract are to:

- Provide UKEF with a streamlined route to market compliant with UK Law;
- Provide UKEF with access to market leading legal expertise and a market leading level of service covering all of the niche specialisms outlined in the Mandatory Services;
- Provide UKEF with access to high quality legal services; and
- Achieve value for money.

3. Scope of the Requirement

3.1. UKEF requires the legal expertise and services detailed in Paragraph 6 to be delivered with full project support and flexible resource.

3.2. In certain circumstances, it may be that the same project will require more than one supplier to provide Services.

PSC Core Terms

3.3. The Supplier shall also support UKEF by providing resource to address gaps in existing legal expertise, periods of absence, lack of internal capacity and/or peaks in demand at short notice. A flexible and responsive approach from the Supplier is therefore essential.

3.4. This Framework Contract is predominantly for the provision of legal Services in the Law of England and Wales. However UKEF may require advice on the laws of other jurisdictions in respect of the Framework Contract's subject matter.

3.5. In the event that advice is required in respect of the laws of a jurisdiction other than England and Wales, the Supplier shall agree with UKEF in advance and in writing the approach to be taken in delivering the advice, which may include but shall not be limited to one or more of the following:

3.5.1. if the Supplier has Supplier Staff qualified and practising in the laws of the relevant jurisdiction in the relevant specialism, the Supplier shall utilise its Supplier Staff under the terms of this Framework Contract; and/or

3.5.2. UKEF may choose to appoint another firm to work with the Supplier (including via the Scottish Government Panel <https://www.gov.scot/publications/frameworks-and-contracts/>, as amended or replaced); and/or

3.5.3. the Supplier shall seek approval from UKEF in advance and in writing to facilitate the provision of legal advice or other Deliverables for or relating to laws of a jurisdiction other than England and Wales from another law firm (i.e. the Affiliate Firm) which is suitably qualified and practising in the laws of such other jurisdiction in the relevant specialism. The appointment of an Affiliate Firm shall be subject to the compliance with the provisions set out in Call off Schedule 24 (Affiliate Firms).

4. Out of Scope

4.1. This Framework Contract is not accessible to public sector bodies other than UKEF. However Orders may specify that other parties, in addition to UKEF, will benefit from the Deliverables (such as actual or potential reinsurers of UKEF and/or other transaction parties).

4.2. The scope of this Framework Contract excludes:

4.2.1. legal advice and services regarding any and all matters not relating to UKEF's support for the export of aircraft, aircraft engines and other aerospace assets and services;

4.2.2. legal advice and services which are procured through the Joint ECA Airbus Framework;

4.2.3. any specialist requirements of UKEF for Services which cannot be met through this Framework Contract;

4.2.4. legal advice and services in respect of which UKEF expects the value of fees (aggregated with similar requirements relating to the same policy, project or exercise) amounts to twenty thousand pounds (£20,000) or less; or

4.2.5. legal advice and services where UKEF is able to demonstrate that it can achieve better value for money from an alternative arrangement.

This work is expected to be sourced via separate legal services arrangements.

5. Mandatory Service Requirements

5.1. Supplier Staff

5.1.1. The Supplier shall ensure that where applicable all relevant Supplier Staff hold a current practising certificate or are otherwise registered in compliance with all Regulatory Compliance requirements including the Solicitors Regulation Authority (SRA) Handbook or equivalent in the Supplier's jurisdiction, as amended from time to time, and comply with all applicable Regulatory Compliance requirements.

5.1.2. The Supplier shall ensure that all Supplier Staff involved in the delivery of Services Ordered under Call-Off Contracts act in a responsible and professional manner and possess the qualifications, experience and competence appropriate to the tasks for which they are employed or otherwise engaged, including in relation to any legal specialism or areas of legal practice relevant to performing a Call-Off Contract.

5.1.3. The Supplier shall ensure that all Supplier Staff provide the Services with due skill, care and diligence, as expected of a skilled professional engaged in performing services similar to the Services.

5.1.7. The scope of Services to be provided by a Legal Project Manager will be discussed and agreed by the Supplier and UKEF on a case by case basis. 5.1.8. The Supplier shall ensure that Supplier Staff respond flexibly and within agreed timescales set by UKEF(s) in response to requests, including changes to planned work.

5.1.9. Where any part of the Deliverables is provided by Supplier Staff not falling within the above Grade Bands, but the Supplier seeks to invoice UKEF for this work at one of the above Grade Bands, the Supplier shall first obtain UKEF's Approval.

Framework Schedule 7 (Call-Off Award Procedure)

Part 1: Order Procedure

1. Definitions

1.1 In this Framework Schedule 7, the following expressions shall have the following meanings:

1.2 “Guidance” means any customer guidance issued or updated by the UKEF from time to time in relation to the use of the Framework Agreement.

1.3 “Prospectus” means the written description of the Supplier’s capabilities and Supplier Personnel containing the information set out in Annex A of Framework Schedule 7 as the same may be amended or updated from time to time.

2. How a Call-Off Contract is awarded

2.1 If UKEF decides to source Deliverables through this Contract then it will award its Deliverables in accordance with the procedure in this Schedule and the requirements of the Regulations, and according to the Guidance issued by UKEF.

2.2 If UKEF can determine that:

2.2.1 its Deliverables can be met by the description of the Deliverables as set out in Framework Schedule 1 (Specification) and Framework Schedule 2 (Framework Tender); and

2.2.2 all of the terms of the proposed Call-Off Contract are laid down in this Contract and do not require amendment or any supplementary terms and conditions;

then UKEF may award a Call-Off Contract in accordance with the procedure set out in Paragraph 3 below.

2.3 If all of the terms of the proposed Call-Off Contract are not laid down in this Contract and UKEF:

2.3.1 requires the Supplier to develop proposals or a solution in respect of such Deliverables; and/or

2.3.2 needs to amend or refine the terms of the Framework Contract to reflect its Deliverables to the extent permitted by and in accordance with the Regulations;

then UKEF may award a Call-Off Contract in accordance with the Further Competition Procedure set out in Paragraph 4 below.

3. How a direct award works

3.1 Subject to Paragraph 2.2 above, UKEF awarding a Call-Off Contract under this Contract without holding a further competition shall:

3.1.1 develop a clear Statement of Requirements and at its sole discretion either:

(a) apply the direct award criteria to the Suppliers’ Prospectus and description of the Deliverables as set out in Framework Schedule 1 (Specification) and Framework Schedule 2

PSC Core Terms

(Framework Tender) for all Suppliers capable of meeting the Statement of Requirements in order to establish which Supplier provides the most economically advantageous tender (“MEAT”) solution; or

(b) where UKEF has reasonable grounds to believe that a particular Supplier would provide the best value for money: e.g. UKEF believes that the Supplier provides demonstrable value for money, which may include but is not limited to:

- (i) Cost effectiveness;
- (ii) Price; and/or
- (iii) Quality.

(c) in respect of the relevant requirement UKEF may award a Call-Off Contract to that Supplier; on the basis set out above, award the Call-Off Contract with the successful Supplier in accordance with Paragraph 7 below.

3.2 A Call-Off Contract may also be awarded on the basis of a direct award where the Prospectus(es), reasons contemplated by Paragraph 3.1.1(b) above and/or checks for Conflicts of Interest indicate that only one Supplier is capable of delivering the requirements, or where the responses to an expression of interest indicate that only one Supplier is interested in, or able to meet, the Statement of Requirements.

4. How a further competition works

What UKEF has to do

4.1 UKEF awarding a Call-Off Contract under this Contract through a Further Competition Procedure shall:

4.1.1 develop a Statement of Requirements setting out its requirements for the Deliverables, and identify the Suppliers capable of supplying them using the Prospectus(es) and/or an expression of interest;

4.1.2 amend or refine the Deliverables to reflect its requirements by using the Order Form only to the extent permitted by and in accordance with the requirements of the Regulations;

4.1.3 invite tenders by conducting a Further Competition Procedure for its Deliverables in accordance with the Regulations and in particular:

(a) invite the Suppliers identified in accordance with Paragraph 4.1.1 to submit a tender in writing for each proposed Call-Off Contract to be awarded by giving written notice by email to the relevant Supplier Representative of each Supplier. A minimum of two suppliers must be invited to further competition;

(b) set a time limit for the receipt of the tenders which takes into account factors such as the complexity of the subject matter of the proposed Call-Off Contract and the time needed to submit tenders; and

PSC Core Terms

(c) keep each tender confidential until the time limit set out for the return of tenders has expired.

4.1.4 apply the further competition award criteria to the Suppliers' compliant tenders submitted through the Further Competition Procedure as the basis of its decision to award a Call-Off Contract for its Deliverables;

4.1.5 on the basis set out above, award its Call-Off Contract to the successful Supplier in accordance with Paragraph 7. The Call-Off Contract shall:

(a) state the Deliverables;

(b) state the tender submitted by the successful Supplier;

(c) state the charges payable for the Deliverables in accordance with the tender submitted by the successful Supplier; and

In cases involving allegations of breach by the Data Importer, the data subject must first request the Data Exporter to take appropriate action to enforce his rights against the Data Importer; if the Data Exporter does not take such action within a reasonable period (which under normal circumstances would be one month), the data subject may then enforce his

PSC Core Terms

rights against the Data Importer directly. A Data Subject is entitled to proceed directly against a Data Exporter that has failed to use reasonable efforts to determine that the Data Importer is able to satisfy its legal obligations under these clauses (the Data Exporter shall have the burden to prove that it took reasonable efforts).

IV. Law applicable to the clauses

These clauses shall be governed by the law of the country in which the Data Exporter is established, with the exception of the laws and regulations relating to Processing of the Personal Data by the Data Importer under clause II(h), which shall apply only if so selected by the Data Importer under that clause.

If they do participate in the proceedings, the Parties may elect to do so remotely (such as by telephone or other electronic means). The Parties also agree to consider participating in any other arbitration, mediation or other dispute resolution proceedings developed for data protection disputes.

c) Each Party shall abide by a decision of a competent court of the Data Exporter's country of establishment or of the Commissioner which is final and against which no further appeal is possible.

- (iv) a final decision against which no further appeal is possible of a competent court of the Data Exporter's country of establishment or of the United Kingdom's rules that there has been a breach of the clauses by the Data Importer or the Data Exporter; or
- (v) a petition is presented for the administration or winding up of the Data Importer, whether in its personal or business capacity, which petition is not dismissed within the applicable period for such dismissal under applicable law; a winding up order is made; a receiver is appointed over any of its assets; a trustee in bankruptcy is appointed, if the Data Importer is an individual; a company voluntary arrangement is commenced by it; or any equivalent event in any jurisdiction occurs

then the Data Exporter, without prejudice to any other rights which it may have against the Data Importer, shall be entitled to terminate these clauses, in which case the Commissioner shall be informed where required. In cases covered by (i), (ii), or (iv) above the Data Importer may also terminate these clauses.

c) Either Party may terminate these clauses if new UK adequacy regulations under Section 17A Data Protection Act 2018 are issued in relation to the country (or a sector thereof) to which the data is transferred and processed by the Data Importer.

d) The Parties agree that the termination of these clauses at any time, in any circumstances and for whatever reason (except for termination under clause VI(c)) does not exempt them from the obligations and/or conditions under the clauses as regards the Processing of the Personal Data transferred.

VII. Variation of these clauses

The Parties may not modify these clauses except to update any information in Annex B, in which case they will inform the Commissioner where required. This does not preclude the parties from (i) making changes permitted by Paragraph 7(3) & (4) of Schedule 21 Data Protection Act 2018; or (ii) adding additional commercial clauses where required.

VIII. Description of the Transfer

PSC Core Terms

The details of the transfer and of the Personal Data are specified in Annex B. The parties agree that Annex B may contain confidential business information which they will not disclose to third parties, except as required by law or in response to a competent regulatory or government agency, or as required under clause I(e). The Parties may execute additional annexes to cover additional transfers, which will be submitted to the Commissioner where required. Annex A - DATA PROCESSING PRINCIPLES

- 1) Purpose limitation: Personal Data may be Processed and subsequently used or further communicated only for purposes described in Annex B or subsequently authorised by the Data Subject.

- 2) Data quality and proportionality: Personal Data must be accurate and, where necessary, kept up to date. The Personal Data must be adequate, relevant and not excessive in relation to the purposes for which they are transferred and further Processed.

- 3) Transparency: Data Subjects must be provided with information necessary to ensure fair Processing (such as information about the purposes of Processing and about the transfer), unless such information has already been given by the Data Exporter.

- 4) Security and confidentiality: Technical and organisational security measures must be taken by the data Controller that are appropriate to the risks, such as against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, presented by the Processing. Any person acting under the authority of the data Controller, including a Processor, must not Process the data except on instructions from the data Controller.

- 5) Rights of access, rectification, deletion and objection: Data Subjects must, whether directly or via a third party, be provided with the personal information about them that an organisation holds, except for requests which are manifestly abusive, based on unreasonable intervals or their

PSC Core Terms

number or repetitive or systematic nature, or for which access need not be granted under the law of the country of the Data Exporter.

Provided that the Commissioner has given its prior approval, access need also not be granted when doing so would be likely to seriously harm the interests of the Data Importer or other organisations dealing with the Data Importer and such interests are not overridden by the interests for fundamental rights and freedoms of the Data Subject. The sources of the Personal Data need not be identified when this is not possible by reasonable efforts, or where the rights of persons other than the individual would be violated.

Data Subjects must be able to have the personal information about them rectified, amended, or deleted where it is inaccurate or Processed against these principles. If there are compelling grounds to doubt the legitimacy of the request, the organisation may require further justifications before proceeding to rectification, amendment or deletion. Notification of any rectification, amendment or deletion to third parties to whom the data have been disclosed need not be made when this involves a disproportionate effort. A Data Subject must also be able to object to the Processing of the Personal Data relating to him if there are compelling legitimate grounds relating to his particular situation. The burden of proof for any refusal rests on the Data Importer, and the Data Subject may always challenge a refusal before the Commissioner.

6) Sensitive Data: The Data Importer shall take such additional measures (e.g. relating to security) as are necessary to protect such Sensitive Data in accordance with its obligations under clause II.

7) Data used for marketing purposes: Where data are Processed for the purposes of direct marketing, effective procedures should exist allowing the Data Subject at any time to “opt-out” from having his data used for such purposes.

8) Automated decisions: For purposes hereof “automated decision” shall mean a decision by the Data Exporter or the Data Importer which produces legal effects concerning a Data Subject or significantly affects a Data Subject and which is based solely on automated Processing of Personal Data intended to evaluate certain personal aspects relating to him, such as his performance at work, creditworthiness, reliability, conduct, etc. The Data Importer shall not make any automated decisions concerning Data Subjects, except when:

a) (i) such decisions are made by the Data Importer in entering into or performing a contract with the Data Subject, and

PSC Core Terms

(ii) (the Data Subject is given an opportunity to discuss the results of a relevant automated decision with a representative of the parties making such decision or otherwise to make representations to that parties.

Or

b) where otherwise provided by the law of the Data Exporter.

PSC Core Terms

(d) the sub-processor means any processor engaged by the data importer or by any other sub-processor of the data importer who agrees to receive from the data importer or from any other sub-processor of the data importer personal data exclusively intended for processing activities to be carried out on behalf of the data exporter after the transfer in accordance with its instructions, the terms of the Clauses and the terms of the written subcontract;

(e) the applicable data protection law means the legislation protecting the fundamental rights and freedoms of individuals and, in particular, their right to privacy with respect to the processing of personal data applicable to a data controller in the UK;

(f) technical and organisational security measures means those measures aimed at protecting personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, in particular where the processing involves the transmission of data over a network, and against all other unlawful forms of processing.

2. Details of the transfer

The details of the transfer and in particular the special categories of personal data where applicable are specified in ANNEX A1 which forms an integral part of the Clauses.

3. Third-party beneficiary clause

a) The data subject can enforce against the data exporter this clause 3, clause 4(b) to clause 4(i), clause 5(a) to clause 5(e) and clause 5(g) to clause 5(j), clause 6.1 and clause 6.2, clause 7, clause 8.2 and clause 9 to clause 12 as third-party beneficiary.

b) The data subject can enforce against the data importer this clause 3, clause 5(a) to clause 5(e) and clause 5(g), clause 6, clause 7, clause 8.2 and clause 9 to clause 12, in cases where the data exporter has factually disappeared or has ceased to exist in law unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law, as a result of which it takes on the rights and obligations of the data exporter, in which case the data subject can enforce them against such entity.

c) The data subject can enforce against the sub-processor this clause 3(c), clause 5(a) to clause 5(e) and clause 5(g), clause 6, clause 7, clause 8.2, and clause 9 to clause 12, in cases where both the data exporter and the data importer have factually disappeared or ceased to exist in law or have become insolvent, unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law as a result of which it takes on the rights and obligations of the data exporter, in which case the data subject can enforce them against such entity. Such third-party liability of the sub-processor shall be limited to its own processing operations under the Clauses.

d) The parties do not object to a data subject being represented by an association or other body if the data subject so expressly wishes and if permitted by national law.

4. Obligations of the data exporter

The data exporter agrees and warrants:

PSC Core Terms

- (a) that the processing, including the transfer itself, of the personal data has been and will continue to be carried out in accordance with the relevant provisions of the applicable data protection law (and, where applicable, has been notified to the Commissioner) and does not violate the applicable data protection law;
- (b) that it has instructed and throughout the duration of the personal data-processing services will instruct the data importer to process the personal data transferred only on the data exporter's behalf and in accordance with the applicable data protection law and the Clauses;
- (c) that the data importer will provide sufficient guarantees in respect of the technical and organisational security measures specified in ANNEX B to this contract;
- (d) that after assessment of the requirements of the applicable data protection law, the security measures are appropriate to protect personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, in particular where the processing involves the transmission of data over a network, and against all other unlawful forms of processing, and that these measures ensure a level of security appropriate to the risks presented by the processing and the nature of the data to be protected having regard to the state of the art and the cost of their implementation;
- (e) that it will ensure compliance with the security measures;
- (f) that, if the transfer involves special categories of data, the data subject has been informed or will be informed before, or as soon as possible after, the transfer that its data could be transmitted to a third country not covered by adequacy regulations issued under Section 17A Data Protection Act 2018 or Paragraphs 4 and 5 of Schedule 21 Data Protection Act 2018;
- (g) to forward any notification received from the data importer or any sub-processor pursuant to clause 5(b) and clause 8.3 to the Commissioner if the data exporter decides to continue the transfer or to lift the suspension;
- (h) to make available to the data subjects upon request a copy of the Clauses, with the exception of ANNEX B and a summary description of the security measures, as well as a copy of any contract for sub-processing services which has to be made in accordance with the Clauses, unless the Clauses or the contract contain commercial information, in which case it may remove such commercial information;
- (i) that, in the event of sub-processing, the processing activity is carried out in accordance with clause 11 by a sub-processor providing at least the same level of protection for the personal data and the rights of data subjects as the data importer under the Clauses; and
- (j) that it will ensure compliance with clause 4(a) to clause 4(i).

5. Obligations of the data importer

The data importer agrees and warrants:

- (a) to process the personal data only on behalf of the data exporter and in compliance with its instructions and the Clauses; if it cannot provide such compliance for whatever reasons, it agrees to inform promptly the data exporter of its inability to comply, in which case the data exporter is entitled to suspend the transfer of data and/or terminate the contract;

PSC Core Terms

- (b) that it has no reason to believe that the legislation applicable to it prevents it from fulfilling the instructions received from the data exporter and its obligations under the contract and that in the event of a change in this legislation which is likely to have a substantial adverse effect on the warranties and obligations provided by the Clauses, it will promptly notify the change to the data exporter as soon as it is aware, in which case the data exporter is entitled to suspend the transfer of data and/or terminate the contract;
- (c) that it has implemented the technical and organisational security measures specified in ANNEX B before processing the personal data transferred;
- (d) that it will promptly notify the data exporter about:
 - (i) any legally binding request for disclosure of the personal data by a law enforcement authority unless otherwise prohibited, such as a prohibition under criminal law to preserve the confidentiality of a law enforcement investigation;
 - (ii) any accidental or unauthorised access; and
 - (iii) any request received directly from the data subjects without responding to that request, unless it has been otherwise authorised to do so;
- (e) to deal promptly and properly with all inquiries from the data exporter relating to its processing of the personal data subject to the transfer and to abide by the advice of the Commissioner with regard to the processing of the data transferred;
- (f) at the request of the data exporter to submit its data processing facilities for audit of the processing activities covered by the Clauses which shall be carried out by the data exporter or an inspection body composed of independent members and in possession of the required professional qualifications bound by a duty of confidentiality, selected by the data exporter, where applicable, in agreement with the Commissioner ;
- (g) to make available to the data subject upon request a copy of the Clauses, or any existing contract for sub-processing, unless the Clauses or contract contain commercial information, in which case it may remove such commercial information, with the exception of ANNEX B which shall be replaced by a summary description of the security measures in those cases where the data subject is unable to obtain a copy from the data exporter;
- (h) that, in the event of sub-processing, it has previously informed the data exporter and obtained its prior written consent;
- (i) that the processing services by the sub-processor will be carried out in accordance with clause 11; and
- (j) to send promptly a copy of any sub-processor agreement it concludes under the Clauses to the data exporter.

6. Liability

6.1 The parties agree that any data subject, who has suffered damage as a result of any breach of the obligations referred to in clause 3 or in clause 11 by any party or sub-processor is entitled to receive compensation from the data exporter for the damage suffered.

PSC Core Terms

6.2 If a data subject is not able to bring a claim for compensation in accordance with paragraph 1 against the data exporter, arising out of a breach by the data importer or its sub-processor of any of their obligations referred to in clause 3 or in clause 11 because the data exporter has factually disappeared or ceased to exist in law or has become insolvent, the data importer agrees that the data subject may issue a claim against the data importer as if it were the data exporter, unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law, in which case the data subject can enforce its rights against such entity.

The data importer may not rely on a breach by a sub-processor of its obligations in order to avoid its own liabilities.

6.3 If a data subject is not able to bring a claim against the data exporter or the data importer referred to in paragraphs 1 and 2, arising out of a breach by the sub-processor of any of their obligations referred to in clause 3 or in clause 11 because both the data exporter and the data importer have factually disappeared or ceased to exist in law or have become insolvent, the sub-processor agrees that the data subject may issue a claim against the data sub-processor with regard to its own processing operations under the Clauses as if it were the data exporter or the data importer, unless any successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law, in which case the data subject can enforce its rights against such entity. The liability of the sub-processor shall be limited to its own processing operations under the Clauses.

7. Mediation and jurisdiction

7.1 The data importer agrees that if the data subject invokes against it third-party beneficiary rights and/or claims compensation for damages under the Clauses, the data importer will accept the decision of the data subject:

- (a) to refer the dispute to mediation, by an independent person or, where applicable, by the Commissioner ;
- (b) to refer the dispute to the UK courts.

7.2 The parties agree that the choice made by the data subject will not prejudice its substantive or procedural rights to seek remedies in accordance with other provisions of national or international law.

8. Cooperation with supervisory authorities

8.1 The data exporter agrees to deposit a copy of this contract with the Commissioner if it so requests or if such deposit is required under the applicable data protection law.

8.2 The parties agree that the Commissioner has the right to conduct an audit of the data importer, and of any sub-processor, which has the same scope and is subject to the same conditions as would apply to an audit of the data exporter under the applicable data protection law.

8.3 The data importer shall promptly inform the data exporter about the existence of legislation applicable to it or any sub-processor preventing the conduct of an audit of the data importer, or any sub-processor, pursuant to paragraph 2. In such a case the data exporter shall be entitled to take the measures foreseen in clause 5(b).

9. Governing Law

PSC Core Terms

The Clauses shall be governed by the law of the country of the United Kingdom in which the data exporter is established.

10. Variation of the contract

The parties undertake not to vary or modify the Clauses. This does not preclude the parties from (i) making changes permitted by Paragraph 7(3) & (4) of Schedule 21 Data Protection Act 2018; or (ii) adding clauses on business related issues where required as long as they do not contradict the Clauses.

11. Sub-processing

11.1 The data importer shall not subcontract any of its processing operations performed on behalf of the data exporter under the Clauses without the prior written consent of the data exporter. Where the data importer subcontracts its obligations under the Clauses, with the consent of the data exporter, it shall do so only by way of a written agreement with the sub-processor which imposes the same obligations on the sub-processor as are imposed on the data importer under the Clauses. Where the sub-processor fails to fulfil its data protection obligations under such written agreement the data importer shall remain fully liable to the data exporter for the performance of the sub-processor's obligations under such agreement.

11.2 The prior written contract between the data importer and the sub-processor shall also provide for a third-party beneficiary clause as laid down in clause 3 for cases where the data subject is not able to bring the claim for compensation referred to in paragraph 1 of clause 6 against the data exporter or the data importer because they have factually disappeared or have ceased to exist in law or have become insolvent and no successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law. Such third-party liability of the sub-processor shall be limited to its own processing operations under the Clauses.

11.3 The provisions relating to data protection aspects for sub-processing of the contract referred to in paragraph 1 shall be governed by the laws of the country of the UK where the data exporter is established.

11.4 The data exporter shall keep a list of sub-processing agreements concluded under the Clauses and notified by the data importer pursuant to clause 5(j), which shall be updated at least once a year. The list shall be available to the Commissioner .

12. Obligation after the termination of personal data processing services

12.1 The parties agree that on the termination of the provision of data-processing services, the data importer and the sub-processor shall, at the choice of the data exporter, return all the personal data transferred and the copies thereof to the data exporter or shall destroy all the personal data and certify to the data exporter that it has done so, unless legislation imposed upon the data importer prevents it from returning or destroying all or part of the personal data transferred. In that case, the data importer warrants that it will guarantee the confidentiality of the personal data transferred and will not actively process the personal data transferred anymore.

12.2 The data importer and the sub-processor warrant that upon request of the data exporter and/or of the Commissioner, it will submit its data-processing facilities for an audit of the measures referred to in paragraph 1.

Call-Off Schedule 2 (Staff Transfer)

[Guidance note: UKEFs will need to ensure that appropriate provisions are included to deal with staff transfer on both entry and exit, and, irrespective of whether TUPE does apply on entry if there are employees eligible for New Fair Deal pension protection then the appropriate pensions provisions will also need to be selected.

If there is both a 1st and 2nd generation staff transfer on entry, then both Part A and Part B shall apply.

1.4 The indemnities in Paragraph 1.2 shall not apply to any termination of employment occurring later than 3 Months from the Commencement Date.

2. Limits on the Former Supplier's obligations

Where in this Part C UKEF accepts an obligation to procure that a Former Supplier does or does not do something, such obligation shall be limited so that it extends only to the extent that UKEF's contract with the Former Supplier contains a contractual right in that regard which UKEF may

PSC Core Terms

2.2 The Supplier must supply to UKEF by or as soon as reasonably practicable after the Relevant Transfer Date a complete copy of each Direction Letter.

2.3 The Supplier must ensure (and procure that each of its Sub-Contracts (if any) ensures) that all of its NHSPS Eligible Employees have a contractual right to continuous active membership of or eligibility for the NHSPS for so long as they have a right to membership or eligibility of that scheme under the terms of the Direction Letter.

2.4 The Supplier will (and will procure that its Sub-contractors (if any) will) comply with the terms of the Direction Letter, the NHS Pension Scheme Regulations (including any terms which change as a result of changes in Law) and any relevant policy issued by the Department of Health in respect of the NHSPS Eligible Employees for so long as it remains bound by the terms of any such Direction Letter.

2.5 Where any employee omitted from the Direction Letter supplied in accordance with Paragraph 2 of this Annex are subsequently found to be an NHSPS Eligible Employee, the Supplier will (and will procure that its Sub-contractors (if any) will) treat that person as if they had been an NHSPS Eligible Employee from the Relevant Transfer Date so that their Pension Benefits and NHS Premature Retirement Rights are not adversely affected.

2.6 The Supplier will (and will procure that its Sub-contractors (if any) will) as soon as reasonably practicable and at its (or its Sub-contractor's) cost, obtain any guarantee, bond or indemnity that may from time to time be required by the Secretary of State for Health.

3. Access to NHS Pension Schemes after transfer

The Supplier will procure that with effect from the Relevant Transfer Date the NHSPS Eligible Employees shall be either eligible for or remain in continuous active membership of (as the case may be) the NHSPS for employment from (and including) the Relevant Transfer Date.

4. Continuation of early retirement rights after transfer

From the Relevant Transfer Date until the Service Transfer Date, the Supplier must provide (and/or must ensure that its Sub-contractors (if any) provide) NHS Premature Retirement Rights in respect of the NHSPS Eligible Employees that are identical to the benefits they would have received had they remained employees of UKEF, an NHS Body or other employer which participates automatically in the NHSPS.

5. What UKEF do if the Supplier breaches its pension obligations

5.1 The Supplier agrees that UKEF is entitled to make arrangements with NHS Pensions for UKEF to be notified if the Supplier (or its Sub-contractor) breaches the terms of its Direction Letter. Notwithstanding the provisions of the foregoing, the Supplier shall notify UKEF in the event that it (or its Sub-contractor) breaches the terms of its Direction Letter.

5.2 If UKEF is entitled to terminate the Contract or the Supplier (or its Sub-contractor, if relevant) ceases to participate in the NHSPS for whatever other reason, UKEF may in its sole discretion, and instead of exercising its right to terminate this Contract where relevant, permit the Supplier (or any such Sub-contractor, as appropriate) to offer Broadly Comparable Pension Benefits, on such terms as decided by UKEF. The provisions of Paragraph 10 (Bulk Transfer Obligations in relation to any Broadly Comparable pension scheme) of Part D: Pensions shall apply in relation to any Broadly Comparable pension scheme established by the Supplier or its Sub-contractors.

PSC Core Terms

5.3 In addition to UKEF's right to terminate the Contract, if UKEF is notified by NHS Pensions of any NHS Pension Scheme Arrears, UKEF will be entitled to deduct all or part of those arrears from any amount due to be paid under this Contract or otherwise.

6. Compensation when pension scheme access can't be provided

6.1 If the Supplier (or its Sub-contractor, if relevant) is unable to provide the NHSPS Eligible Employees with either:

6.1.1 membership of the NHSPS (having used its best endeavours to secure a Direction Letter); or

6.1.2 access to a Broadly Comparable pension scheme,

UKEF may in its sole discretion permit the Supplier (or any of its Sub-contractors) to compensate the NHSPS Eligible Employees in a manner that is Broadly Comparable or equivalent in cash terms, the Supplier (or Sub-contractor as relevant) having consulted with a view to reaching agreement with any recognised trade union or, in the absence of such body, the NHSPS Eligible Employees. The Supplier must meet (or must procure that the relevant Sub-contractor meets) the costs of UKEF determining whether the level of compensation offered is reasonable in the circumstances.

6.2 This flexibility for UKEF to allow compensation in place of Pension Benefits is in addition to and not instead of UKEF's right to terminate the Contract.

7. Indemnities that a Supplier must give

7.1 The Supplier must indemnify and keep indemnified UKEF and any Replacement Supplier against all Losses arising out of any claim by any NHSPS Eligible Employee that the provision of (or failure to provide) Pension Benefits and NHS Premature Retirement Rights from the Relevant Transfer Date, or the level of such benefit provided, constitutes a breach of his or her employment rights.

7.2 The Supplier must indemnify and keep indemnified UKEF, NHS Pensions and any Replacement Supplier against all Losses arising out of the Supplier (or its Sub-contractor) allowing anyone who is not an NHSPS Eligible Employee to join or claim membership of the NHSPS at any time during the Contract Period.

8. Sub-Contractors

8.1 If the Supplier enters into a Sub-Contract for the delivery of all or part or any component of the Services which will involve the transfer of employment of any NHSPS Eligible Employee it will impose obligations on its Sub-contractor in identical terms as those imposed on the Supplier in relation to Pension Benefits and NHS Premature Retirement Rights by this Annex, including requiring that:

8.1.1 if the Supplier has secured a Direction Letter, the Sub-contractor also secures a Direction Letter in respect of the NHSPS Eligible Employees for their future service with the Sub-contractor as a condition of being awarded the Sub-Contract and the Supplier shall be responsible for ensuring that the UKEF receives a complete copy of each such Sub-contractor direction letter as soon as reasonably practicable; or

8.1.2 if, in accordance with Paragraph 4 of this Annex, the Supplier has offered the NHSPS Eligible Employees access to a pension scheme under which the benefits are Broadly Comparable to those provided under the NHSPS, the Sub-contractor either secures a Direction Letter in respect of the

PSC Core Terms

NHSPS Eligible Employees or (with the prior consent of UKEF) provides NHSPS Eligible Employees with access to a scheme with Pension Benefits which are Broadly Comparable to those provided under the NHSPS whereupon the provisions of Paragraph 10 below (Bulk Transfer Obligations in relation to any Broadly Comparable Scheme) shall apply.

8.2 The Supplier shall procure that each Sub-contractor provides indemnities to UKEF, NHS Pensions and/or any Replacement Supplier and/or Replacement Sub-contractor that are identical to the indemnities set out in Paragraph 7 of this Annex B. Where a Sub-contractor fails to satisfy any claim made under such one or more indemnities, the Supplier will be liable for satisfying any such claim as if it had provided the indemnity itself.

Annex D3: Local Government Pension Schemes (LGPS)

[Guidance: Note the LGPS unlike the CSPS & NHSPS is a funded scheme which has associated cost implications as follows:

There is not 1 LGPS but approx. 90 different Funds, each with their own separate Scheme Employer and Administering Authority, it is important to identify the correct one(s) and amend the definition of "Fund" accordingly.

It is important to check whether UKEF can actually participate in the LGPS. Where a government department is taking on services which were formerly the responsibility of a Local Authority it may be necessary to obtain secretary of state approval for participation in the LGPS, this is because the services are being provided to Gov. Dept. and not to a Local Authority.

Unlike New Fair Deal the 2007 Best Value pension direction does not provide a right to bulk transfer past service. Whilst typically before the 2007 direction LA did provide such a right, it is a significant additional cost and therefore bulk transfer wording has been excluded. If required take legal advice due to the exceptionally high costs which can result from a requirement to provide bulk transfers.]

11.15 Save as otherwise expressly provided, the obligations of UKEF under the Contract are obligations of UKEF in its capacity as a contracting counterparty and nothing in the Contract shall operate as an obligation upon, or in any other way fetter or constrain UKEF in any other capacity, nor shall the exercise by UKEF of its duties and powers in any other capacity lead to any liability under the Contract (howsoever arising) on the part of UKEF to the Supplier.

11.16 No individual nor any service company of the Supplier employing that individual shall have any personal liability to UKEF for the Deliverables supplied by that individual on behalf of the Supplier and UKEF shall not bring any claim under the Contract against that individual or such service company in respect of the Contract save in the case of Fraud or any liability for death or personal injury.
