Call-Off Schedule 20 (Call-Off Specification)

This Schedule sets out the characteristics of the Deliverables that the Supplier will be required to make to the Buyers under this Call-Off Contract

OVERVIEW OF THE AUTHORITY

UK Export Finance (formally the Export Credits Guarantee Department) is the United Kingdom's official Export Credit Agency. Its principal statutory purpose is to support exports. It does so mainly by providing insurance to exporters and guarantees to banks (in respect of export credit loans they make available to finance exports) that protect them against the risk of overseas buyers/borrowers not paying UK exporters, or repaying loans to banks, in respect of supplies made.

BACKGROUND TO YOUR REQUIREMENT

The 2024/25 to 2026/27 three-year Audit Plan approved by the Executive Committee (EC) and the Audit Committee (AC) includes a number of audit assignments which require skill sets and knowledge not available within the small in-house audit team.

These may include, but not be limited to, audits of IT infrastructure and controls/ Digital/ Data/ Cyber Risk, key Change Programmes, ESG, Underwriting of Trade Finance, Credit and Enterprise Risk Management, Model Risk, Compliance/ Financial Crime.

We may also require additional resources to supplement the in-house team at times.

Finally, we are in the process of building out the in-house internal audit function and developing and implementing a multi-year audit strategy aligned with the new Global Internal Audit Standards, other relevant internal audit standards, e.g. UK CIIA guidance, the Public Sector Internal Audit Standards and the Government Functional Standard 09- Internal Audit. We would therefore like a partner to assist with strategic and methodological development and potentially to support our Quality Assurance and Improvement Programme, in addition to working on individual audit assignments.

As UKEF is a financial services organisation within HM Government (a provider of commercial loans, insurance and other products supporting international trade finance), the supplier should be able to provide subject matter experts familiar with this sector and experience benchmarking/ working within the Government/ Public Sector would also be beneficial.

YOUR REQUIREMENT

We therefore require flexible co-source resources to undertake the above as needed, for a period up to three years.

The supplier will:

- Provide Subject Matter Expert input to the scope and objectives of each review and agree the scope with the relevant UKEF stakeholders and with the Head of Internal Audit.
- Obtain an understanding of the governance, risk and controls in scope in respect of each audit assignment, through discussions with key personnel, review of relevant documentation and the performance of relevant walkthroughs.
- Review the adequacy of design and testing of operational effectiveness of the relevant control environment.
- Provide a quality-assured audit report with no factual or grammatical errors at the end of each audit engagement, summarising the outcome of the audit and including opportunities to improve the governance frameworks, identification and management of risks and strengthening of key controls and performance.
- All findings and management remedial actions to be discussed and agreed with the relevant UKEF management and the Head of Internal Audit.
- Document and provide UKEF IAAD details of audit evidence underpinning the work performed and conclusions.
- SME's should have some flexibility to work around the availability of key stakeholders during the phases of each assignment.
- Transfer of knowledge to the in-house team, including input to the risk-based audit universe and plan and the identification of potential future areas of focus for Internal Audit reviews.
- Share any methodologies, tools and materials developed for the ongoing use of the IAAD function.
- Supplier to provide technical oversight and quality assurance, as agreed for each statement of work, and to ensure audits /deliverables are in line with the following professional standards:
 - CIAA UK and Global Internal Audit Standards
 - Public Sector Internal Audit Standards (PSIAS)
 - Government Functional Standard GovS 009: Internal Audit

Staff used on audit engagements will be expected to possess the necessary qualifications, skills and experience to undertake the audit assignments.

Regular, minimum weekly fieldwork updates to be provided to the UKEF IAAD Audit Manager / Head of Internal Audit on the progress of the audits assigned.

All services are to be carried out at UKEF Head Office at either 1 Horse Guards Road, London SW1A 2HQ and/or remotely as agreed with the Head of Internal Audit.
