NOTES:

1. All dimensions are in metres unless otherwise stated.
2. Do not scale from this drawing.
3. Replacement of the swingset would mean partial or full replacement of the existing safety surface and paved area adjacent.

The purpose of this drawing is to provide visualization to the layout and provide a rough cost estimate, this proposed concept design produced was in response to the findings of the public consultations.

If the scheme were to progress further, then the following design stages would need to consider:

- Preliminary design
- Relevant safety assessment
- Detailed design
- Buildability reviews
- Construction
- Estimation
- Procurement

For Costing:

Path Area = 38.6m²

THIS DRAWING IS NOT TO BE USED FOR CONSTRUCTION.
