IN FAVOUR OF

THE SECRETARY OF STATE FOR THE HOME DEPARTMENT (acting through the Home Office) whose principal place of business is at 2 Marsham Street, London SW1P 4DF (the "**Beneficiary**" which expression includes its permitted successors and assigns)

WHEREAS:

- (A) The Beneficiary and GALLIFORD TRY CONSTRUCTION LIMITED, a company incorporated under the laws of England and Wales and having its registered office at Blake House 3 Frayswater Place, Cowley, Uxbridge, Middlesex, United Kingdom, UB8 2AD (registered number 02472080) (the "**Constructor**") have entered into a contract for the redevelopment (Phase 1) of Campsfield IRC (the "**Contract**").

- (C) The Guarantor has agreed to guarantee the Constructor's obligations pursuant to the Contract in accordance with the terms and conditions contained in this Deed.

IT IS AGREED as follows:-

1. **DEFINITIONS AND INTERPRETATION**

1.1 **In this Deed:**

- 1.1.1 "**Business Day**" means a day (other than a Saturday or Sunday) on which banks are open for business in London; and
- 1.1.2 "**Tax**" means any tax, levy, impost, duty or other charge or withholding of a similar nature (including any penalty or interest payable in connection with any failure to pay or any delay in paying any of the same).

2. **GUARANTEE AND INDEMNITY**

2.1 In consideration of the Beneficiary [entering into the Contract] [accepting this Deed in discharge of the Constructor's obligation under the Contract to procure this Deed], the Guarantor hereby irrevocably and unconditionally guarantees to the Beneficiary, as a primary obligation and not merely as surety:

- 2.1.1 the full and prompt payment when due of all of the Constructor's payment obligations and/or financial liabilities arising under or in connection with or as result of a breach

OFFICIAL

of the Contract ([whether sole or joint with one or more persons, and] whether of principal, interest or otherwise); and

- 2.1.2 the full and prompt performance when due of all the Constructor's obligations, representations, warranties, indemnities, covenants, undertakings, duties and agreements contained in or arising in connection with the Contract.
- 2.2 All obligations, representations, warranties, indemnities, covenants, undertakings, duties and agreements described in clauses 2.1.1 and 2.1.2 above are collectively referred to herein as the "**Obligations**". If at any time the Constructor fails, neglects or refuses to timely or fully perform any of the Obligations as expressly provided in the terms and conditions of the Contract or commits any breach of any provision of the Contract, then, upon receipt of written notice from the Beneficiary specifying the failure or breach (as appropriate) and requiring the Guarantor to so perform, the Guarantor shall immediately commence to perform, or to cause to be performed, in place of the Constructor all or any of the Obligations or responsibility as required pursuant to the terms and conditions of the Contract.
- 2.3 In addition to its obligations set out in clauses 2.1 and 2.2 above, as a separate, additional continuing primary obligation under this Guarantee, the Guarantor agrees to indemnify (and keep indemnified) and hold harmless the Beneficiary on demand:
- 2.3.1 against all losses, damages, costs and/or expenses which the Beneficiary may incur by reason of any breach by the Constructor of the Obligations; and
- 2.3.2 against any loss or liability suffered by the Beneficiary if any of the Obligations is or becomes unenforceable, invalid or illegal as if such Obligation had not become unenforceable, invalid or illegal provided that Clause 2.3.2 shall apply only:
- (a) if the Obligation is or has become, unenforceable, invalid or illegal as a result of (i) the Constructor not having the due status, capacity, power or authorisation to enter into the Contract (ii) the Constructor not validly executing the Contract (iii) the Constructor not being validly incorporated and existing (iv) the entry into the Contract by the Constructor conflicting with its constitutional documents or (v) insolvency, bankruptcy, or similar proceedings or circumstances affecting the Constructor, or
- (b) where the Obligation would not be or have become generally unenforceable, invalid or illegal against a person performing the role of the Constructor under the Contract.
- 2.4 Subject to Clause 2.3.2 and Clause 9:
- 2.4.1 the Guarantor's liability hereunder in respect of any matter shall be no greater in amount or duration than it would have been if it had been named as a Constructor under the Contract having joint and several liability with the Constructor, and
- 2.4.2 with respect to any claim, action or proceeding against the Guarantor in connection with this Guarantee, the Guarantor shall be entitled to rely upon those defences which the Constructor would be able to assert under the Contract if such claim, action or proceeding were to be asserted or instituted against the Constructor under the Contract.
3. **BENEFICIARY PROTECTION**
- 3.1 Without prejudice to Clauses 2.4 and 5, the Guarantor's liability under this Deed shall not be discharged, reduced or otherwise affected by:

OFFICIAL

-
- 3.1.1 the Beneficiary giving the Constructor any time or any other concession;

- 3.1.3 any amendment, variation, supplement or waiver of any provision of the Contract (such that references in this Deed to the Contract shall include each such variation, amendment or supplement);
- 3.1.4 any legal limitation or incapacity relating to the Constructor;
- 3.1.5 any insolvency, liquidation, dissolution, reconstruction, or amalgamation of the Constructor; or
- 3.1.6 any other act or omission of the Beneficiary (save where the Beneficiary has expressly agreed to discharge, reduce or amend the liability of the Guarantor).
- 3.2 This Deed is in addition to and not in substitution for and shall not merge with any other right, remedy, guarantee or security which the Beneficiary may at any time hold for the performance by the Constructor of its obligations under the Contract.
- 3.3 The Guarantor agrees, without prejudice to Clause 7, that its liability under this Deed shall not be conditional or contingent upon the prior pursuit by the Beneficiary of any remedy against the Constructor or any other person, including, for the avoidance of doubt, enforcement by the Beneficiary of any other guarantee or security from time to time held by the Beneficiary in respect of the duties and/or obligations of the Constructor under the Contract.
- 3.4 In the event that any provision or portion of this Deed, or the application thereof, is found to be ineffective, inoperable or unenforceable for any reason, it shall be severed and deemed to be deleted from this Deed and the remaining provisions of this Deed shall continue to have full force and effect.
- 3.5 Any settlement or discharge between the Beneficiary and the Constructor or the Guarantor shall be conditional upon no settlement with or payment to the Beneficiary by the Constructor or the Guarantor or any other person being set aside, avoided or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency or liquidation for the time being in force. Accordingly, if a settlement or payment is so set aside, avoided or ordered to be refunded or reduced (and without limiting the Beneficiary's other rights under this Deed), the Beneficiary shall be entitled to recover from the Guarantor, as if such settlement or discharge had not occurred, the value the Beneficiary has placed upon such settlement or the amount of any such payment or reduced payment as the case may be.
- 3.6 For all purposes directly or indirectly connected with any voluntary arrangement under Part 1 of the Insolvency Act 1986 proposed in respect of the Constructor where the voluntary arrangement seeks to restrict in any way the Beneficiary's' rights hereunder, the Guarantor hereby releases and discharges its whole rights of recourse, contribution, relief or subrogation against the Constructor in respect of or in connection with all payments made or to be made by the Guarantor under or pursuant to this Deed to the intent and effect that the Guarantor shall not be a creditor of the Constructor in respect of any such payments or liabilities for the purposes of any such voluntary arrangement.

2. The Constructor warrants and undertakes to the Client that legal title to and property in the Relevant Materials will automatically transfer to the Client free from all liens, charges and encumbrances on the date that the Payment has been made to the Constructor.
 3. The Constructor warrants and undertakes to the Client that pending delivery of the Relevant Materials to the Site and incorporation in the Project, the Relevant Materials:

 5. The Client (and/or a person acting on its behalf) shall be entitled to inspect the Relevant Materials at any time upon reasonable prior notice to the Constructor.
 6. The Constructor shall:
 - 6.1 be responsible for any loss and/or destruction of and/or damage to the Relevant Materials whilst in the Constructor's custody or in transit by or on behalf of the Constructor;

 - 6.3 as and when reasonably requested to do so by the Client, the Constructor shall provide the Client with documentary evidence that the insurance required pursuant to this paragraph 6 is in full force and is being maintained.
 7. Nothing contained in this Vesting Agreement, the Partnering Contract or any payment that may be made to the Constructor in respect of the Relevant Materials shall be taken as any approval or acceptance by the Client or any of the Client's agents that the Relevant Materials are necessarily in accordance with the Partnering Contract.
 8. The Constructor shall indemnify the Client against any demands, claims, proceedings, losses, liabilities, damages, costs and/or expenses of whatsoever nature suffered or incurred by the Client (subject to the Client using reasonable endeavours to mitigate the same) arising out of any breach of any of the terms contained in this Vesting Agreement.
 9. In the event of the termination of the obligation of the Constructor to undertake and complete the Project under the Partnering Contract for a reason that is attributable to a breach by the Constructor or the Constructor being subject to bankruptcy or insolvency in accordance with Clause 26.2 of the Partnering Contract:

provided always that if the obligation of the Constructor to undertake and complete the Project is terminated by the Client under the Partnering Contract for any other reason, the Client shall be entitled to collect such Relevant Materials at its own cost (or request that the Constructor delivers the same to the Site or such other premises as specified by the Client, subject to the Client reimbursing the Constructor its reasonable costs for doing so).

10. This Vesting Agreement does not create any right enforceable by any person not a Party to it (whether pursuant to the Contracts (Rights of Third Parties) Act 1999 or otherwise), save that the Client may assign the benefit of this Vesting Agreement to any person to whom it assigns the benefit of the Partnering Contract, provided that such assignment takes place at the same time (and to the same person) as the assignment of the benefit of the Partnering Contract or at the same time (and to the same person) as a novation of the Partnering Contract, with any reference to the "Client" in this Vesting Agreement included the Client's permitted assignees.
11. In the event of any dispute and/or difference under or in respect of this Vesting Agreement, such dispute and/or difference shall be settled in the same way as a dispute and/or difference in connection with the Project under the Partnering Contract and shall be subject to the same governing law and jurisdiction as the Partnering Contract.
12. It is agreed that whatever the manner in which the Parties have executed this Vesting Agreement, the period of limitations (in respect of which the Constructor and the Client hereby waive all and any rights whether already existing, arising now and/or in the future to raise as a defence to any claim brought under this Vesting Agreement, the Limitation Act 1980 and any statute, regulation or similar amending, consolidating and/or replacing that Act) applicable to any claim or claims arising out of or in connection with this Vesting Agreement shall expire twelve (12) years from the date of the Client Representative's notice that the Constructor has fulfilled its obligations pursuant to Clause 21.5 of the Partnering Contract.
