

DODINGTON PARISH COUNCIL'S
GROUNDS MAINTENANCE/GRASS CUTTING SERVICE

1. QEII PLAYING FIELDS, KELSTON CLOSE, YATE, BRISTOL BS37 8SY

- Grass cutting on performance basis – fortnightly with extra cuts during heavy growing periods
- Pitch marking – initial mark and over mark of 2 senior football pitches and 9v9 pitch in blue on fortnightly basis
- Installation and taking down of goal posts at the beginning and end of the playing season
- Re-instatement of goalmouths at the end of the football season
- Boundary hedge cut once per year to be completed by the end of January
- QEII Playing Fields gateways, Kelston Close, Yate

2. LILLIPUT PARK, CHIPPING SODBURY, BRISTOL BS37 6JQ

- Grass cutting on performance basis – fortnightly with extra cuts during heavy growing periods
- The area to be cut includes inside of the children's playarea and small piece outside the north east entrance to the Park
- Strimming around the play equipment, benches , bins and memorial trees
- Boundary hedge cut once per year to be completed by the end of January (this can be discussed further as may need more maintenance)

LILLIPUT PARK, CHIPPING SODBURY, BRISTOL BS37 6JQ –MAINTENANCE PROGRAMME

- General maintenance work to maintain walk ways, strim paths and keep under planting around trees tidy
- 4 visits per annum
- Maintenance of Prairie Bed – weeding, trimming, bark top up when necessary
- Lilliput Shrub bank (infront of bungalows)

3. WOODCHESTER PLAY AREA, YATE, BS37 8TX

- Grass cutting on performance basis - fortnightly with extra cuts during heavy growing periods
- The area to be cut is inside the tarmac paths and includes the mounds and the junior and toddler playareas

- Strimming will be required around the play equipment, benches and bins in both playareas
- Ornamental hedges to be cut once a year

4. WAPLEY COMMON AND PICNIC AREA, BESOM LANE BS37 8RP

- Grass cutting on fortnightly basis to exclude area to the left of cycle path when entering from Besom Lane direction
- First cuts to avoid the cowslips which are mainly on the rising ground behind the picnic area
- The area of grass to be cut to include the triangle at the approach to the Common on which the centenary oak and circular seat is located
- The work should ensure that the surrounding "rough" areas are not allowed to encroach on the mown areas - particularly around the seats on the edge of the Common and picnic area
- Boundary hedge cut once per year to be completed by the end of January (on the outside of the Common, running alongside of the Besom Lane)
