Termination for Convenience

54.7 The Customer may terminate this Services Agreement, by issuing a Termination Notice to the Contractor, for convenience at any time, including where the Services Agreement should not have been entered into in view of a serious infringement of obligations under European Law declared by the Court of Justice of the European Union under Article 258 of the Treaty on the Functioning of the EU;

54.8 The Contractor may, at any time, make written representations to the Customer setting out its reasons for wishing to terminate this Services Agreement.

54.9 The Customer shall consider and respond to the Contractor's representations within one month of receiving the Contractor's representations and may, in its sole discretion, terminate this Services Agreement by giving written notice to the Contractor.

54.14.2 has not served its notice within six months of the later of the date the Change of Control took place or the date on which the Customer was given notice of the Change of Control.

54.15 The Contractor shall notify the Customer in writing at least one month prior to any Change of Control taking place.

Termination by the Contractor

54.16.2 the Customer fails to pay an undisputed sum due to the Supplier under this Agreement which in aggregate exceeds amount equivalent to 6 month's average Charges and such amount remains outstanding 40 Working Days after the receipt by the Customer of a notice of non-payment from the Contractor;
or

54.17 This Services Agreement or the relevant Services (as the case may be) shall then terminate on the date specified in the Termination Notice (which shall not be less than 20 Working Days from the date of the issue of the Termination Notice).

54.18 The Contractor's right of termination under clause 54.16 shall not apply to non-payment of the Charges by the Customer where such non-payment is due to the Customer exercising its rights under clause 15 (Set Off and Withholding) of the Services Agreement.

Partial Termination

54.20 The Customer may require the partial termination of this Services Agreement pursuant to clause 54.16 of this Services Agreement immediately or at a date stated within the Termination Notice.

54.21 If the Contractor notifies the Customer pursuant to Clause 54.16 (Termination by the Contractor) that it intends to terminate this Services Agreement in part and the Customer, acting reasonably, believes that the effect of such Partial Termination is to render the remaining Services incapable of meeting a significant part of the Services Requirements, then the Customer shall be entitled to terminate the remaining part of this Services Agreement by serving a Termination Notice to the Supplier within 1 month of receiving the Contractor's Termination Notice.

The notice may specify the matters complained of in outline but must contain sufficient detail so that it is reasonably clear what the Contractor has to remedy.

55.1.2 The Contractor shall serve a draft Remedial Plan within 10 Working Days (or any other period agreed by the parties) even if the Contractor disputes that it is responsible for the matters complained of.

55.1.3 If the Customer considers that the draft Remedial Plan is insufficiently detailed to be properly evaluated or will take too long to complete or will not remedy the matters complained of then it may either agree a further time period for the development and agreement of the Remedial Plan or escalate any issues with the draft Remedial Plan using the Escalation Process.

55.1.4 If despite the measures taken under clause 55.2 a Remedial Plan cannot be agreed within 10 Working Days of the date of its submission, then the Customer may elect to end the Remedial Plan Process at the end of the escalation period set out in the Dispute Resolution Procedure and serve a Termination Notice which will take effect unless the Contractor remedies the Default within a period specified in the Termination Notice.

55.1.5 If a Remedial Plan is agreed between the parties but the Contractor fails to implement the Remedial Plan the Customer may either give the Contractor a further opportunity to resume full implementation of the Remedial Plan or escalate any issues arising out of the failure to implement the Remedial Plan using the Escalation Process.

55.1.6 If the reasons for the Contractor's failure to implement the Remedial Plan have not been resolved despite the use of the Escalation Process in accordance with clauses 55.2.3 or 55.1.5, and the Contractor has not otherwise remedied the Default, then the Customer may serve a Termination Notice and this DPS Agreement and/or Services Agreement shall terminate on the last day of the period specified by the Customer in the Termination Notice.

56.1.2 the Contractor has failed to implement or comply with the terms of any Improvement Plan.

56.2 If the Customer provides notice to the Contractor in accordance with this clause 56 (Suspension of Contractor's Engagement), the Contractor's engagement shall be suspended for the period set out in the notice or such other period notified to the Contractor by the Customer in writing from time to time.

56.3 For such time as the Contractor's engagement is suspended pursuant to clause 56:

- 60.5 If the Required Action results in the degradation of any Services not subject to the Required Action beyond that which would have been the case had the Customer not taken the Required Action, then the Contractor shall be entitled to an agreed adjustment of the Charges, provided that the Contractor can demonstrate to the reasonable satisfaction of the Customer that the Required Action has led to the degradation.
- 60.6 Before ceasing to exercise its step-in rights under this clause the Customer shall deliver a written notice to the Contractor ("Step-Out Notice"), specifying:
 - 60.6.1 the Required Action it has actually taken; and

- 60.6.2 the date on which the Customer plans to end the Required Action ("Step-Out Date") subject to the Customer being satisfied with the Contractor's ability to resume the provision of the Services and the Contractor's plan developed in accordance with clause 60.11.
