9th March 2017

Dear Mr Barnacle

Invitation To Tender for Provision of Mobile Plant for use on Waste Management Sites

Tender OJEU Contract Notice Reference Number 2017/S 018-029384

Contract Reference YOR/COR/006

Thank you for returning the completed Invitation to Tender Document for Provision of Mobile Plant for use on Waste Management Sites.

Following the evaluation of your tender return, I am pleased to inform you that subject to receiving the copies of your Insurance Documents, Yorwaste Limited has made the decision to select your company to supply Lot 1 through to Lot 4 Mobile Plant.

The reasons for the decision, including the characteristics and relative advantages of your winning tender, were as follows your company provided the most overall competitive prices and the locality of main dealer locations to YO23 3RR.

The Framework contract will be for a 4 year period. The start date of the contract will be 22nd March 2017. Orders will be placed as and when the requirement arises or on an annual basis at the sole discretion of the Company after the initial order for plant in March 2017 for delivery September 2017.

For future reference please note that this contract will be managed by Kevin Smith.

Under Regulation 87 of the Public Contract Regulations 2015, public contracting authorities are obliged to introduce a “standstill” period between announcing a provisional decision in relation to the award and entering into any form of binding commitment.

I have therefore written to the other tenderers explaining our decision. Once the standstill period expires on Midnight 20th March 2017, if the provisional decision remains unaltered as a result of any representations made during the standstill period, I will then arrange for two copies of the contract documents to be sent to you. Both copies are to be signed and returned to me for signature a copy will be returned to you for your records.

It should be noted that Yorwaste Limited does not intend to enter in to contract until it has complied with its legal obligations under this standstill period and both parties have signed the relevant contract documentation. You are therefore strongly advised not to incur any expenses or enter into any binding arrangements until I contact you after the standstill period has expired.

I hope that you will not be inconvenienced whilst you bear with us for the short period that is necessary to allow us to meet our legal obligations.

I would like to congratulate you on behalf of Yorwaste Limited and look forward to developing a successful working relationship with your organisation.

Yours sincerely

P Downing
