

Mechanical and Electrical Replacement Works at Corby East Midlands International Pool

Instructions and Contents

Introduction

This document forms the Pricing Schedule for Corby Borough Council's Mechanical and Electrical Replacement Works at Corby East Midlands International Pool requirement and will be included as an appendix to the Contract between The Supplier and Corby Borough

Instructions

All areas which require The Supplier to provide information are clearly identified by a yellow highlight, as indicated below. Please note, the yellow highlight will disappear once data has been entered.

You can move between the different pages of this document by clicking on text which is underlined in [blue](#), as indicated in the example below.

[Example Text](#)

You can return to this Contents page at any time by clicking on the word [Contents](#) and to the next or previous page by clicking on the words [Next Page](#) or [Previous Page](#) at the top of each page.

Where a section of underlined [blue](#) text references a specific page, as in the **Contents** list below (e.g. [Pricing Summary](#)), clicking on that text will take you directly to that page.

Please make sure to fill in all the relevant details and we look forward to receiving your submission.
