Meadow regime cut **once a year** at a time stipulated by us (September TBC) and arisings removed, 1 meter width adjacent to middle hedge.

Hedges, trim hedges round to side gate, keeping previous cutting height, remove arisings, twice a year February and September.

Trim hedge beyond the side gate inside only and cut back encroaching bracken.

Rest of grass cut and strim around graves and untended graves, leave arisings. The grass strips which create the main walkways and other large areas cut with a mover using a collection device. Fortnightly from mid-March to end of October, approx. 17 cuts p.a.

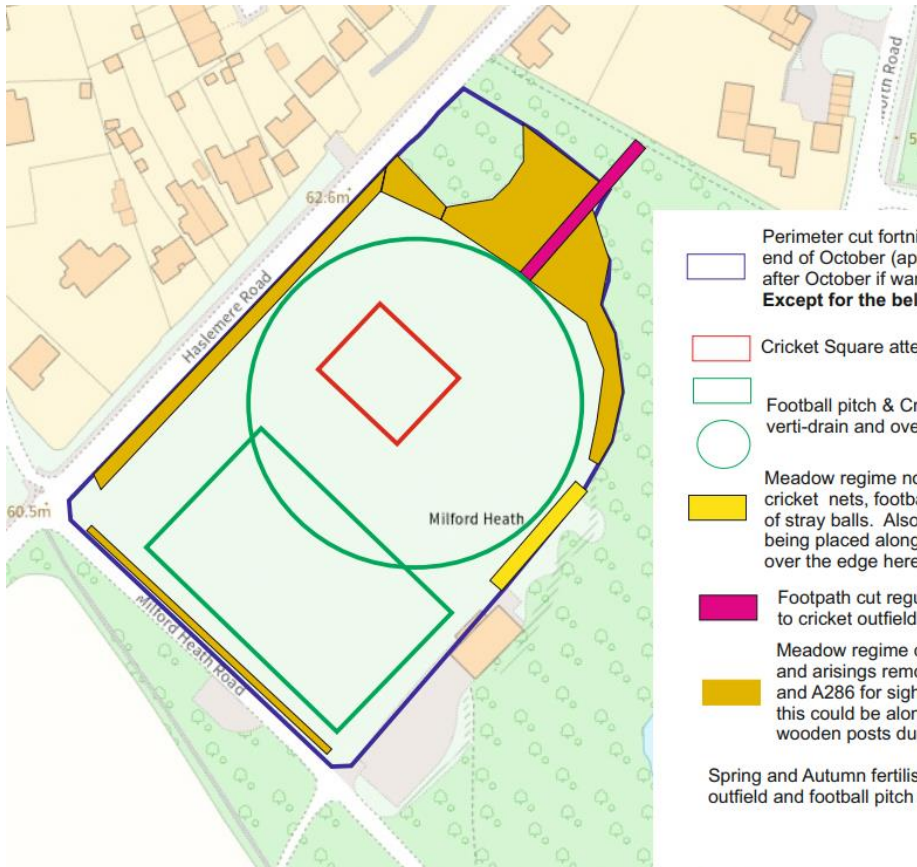

Gate.

SIDE GATE

7. MILFORD HEATH

Perimeter cut fortnightly between mid-March and end of October (approx 17 cuts pa) plus anything else after October if warm weather extends growing season.
Except for the below.

Cricket Square attended to by club only

Football pitch & Cricket Outfield
verti-drain and overseed once a year end March/Early April

Meadow regime not here due to the storage of cricket nets, football dugouts and the retrieval of stray balls. Also new seat in memory of David being placed along here and cricketers dump grass over the edge here..

Footpath cut regularly from woodland path to cricket outfield

Meadow regime cut once a year at a time stipulated by WPC and arisings removed. Kept back from junction of MH Road and A286 for sight lines and would query with players width this could be along MH Road may need to be just along wooden posts due to them requiring space for spectators etc.

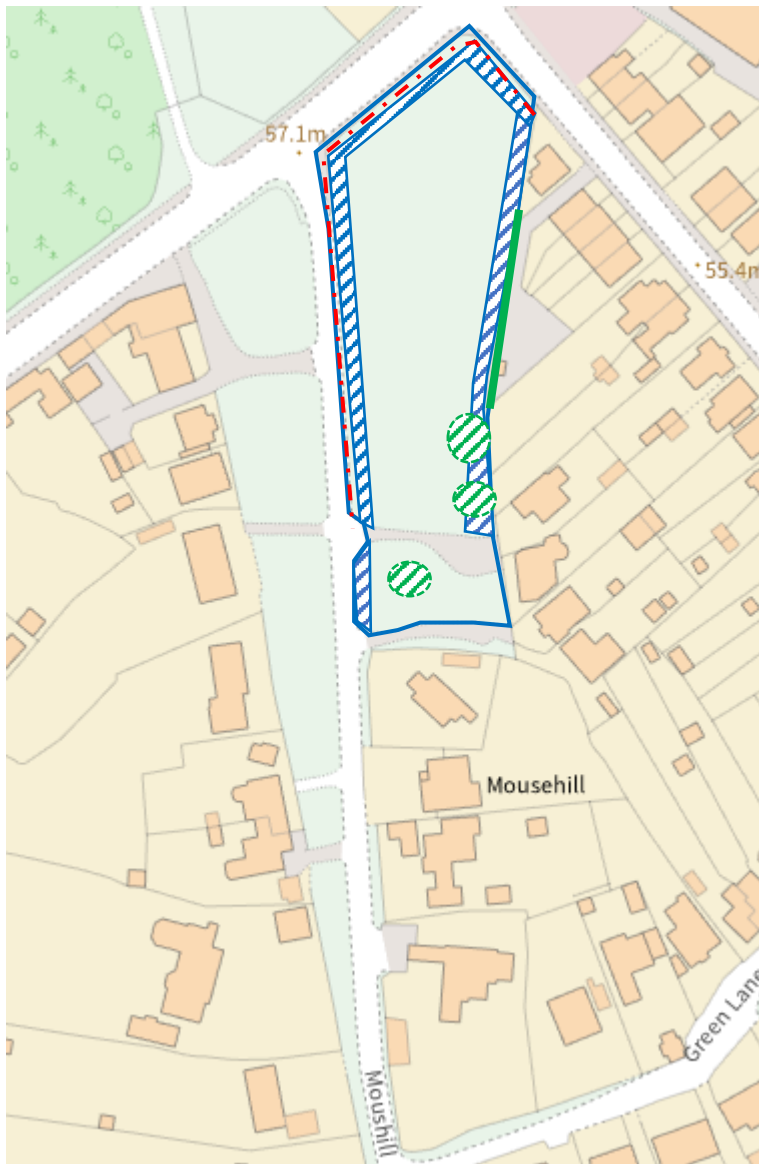

Spring and Autumn fertiliser treatments as necessary to cricket outfield and football pitch areas, twice a year in March and September

8. MOUSHILL LANE GREEN, MILFORD, GU8 5BQ

Key:

-  Perimeter.
-  1 meter rewilding border not cut.
-  Trees, grass under trees not cut.
-  Stim around boundary posts.
-  Hedge, trim once new hedge is up to the height of the wall and maintain at wall height and remove arisings. Twice a year in February and September.

Rest of grass cut leaving arisings, once a fortnight mid-March to end of October approx. 17 cuts p.a.

9. ROBERTSON'S GREEN, BROOK ROAD, SANDHILLS, WITLEY

Key:

-  Perimeter.
-  1 meter rewilding border not cut.
-  Pond
-  Woodland area, cut path through woodland.
-  Meadow regime cut once a year at a time stipulated by us (September TBC) and arisings removed.
-  Orchard area, trees to be mulched once a year. Grass to be left uncut.

Rest of area to have grass cut excluding under trees, once a fortnight around mid-March to end of October, weather conditions dependent as site is very wet towards pond.

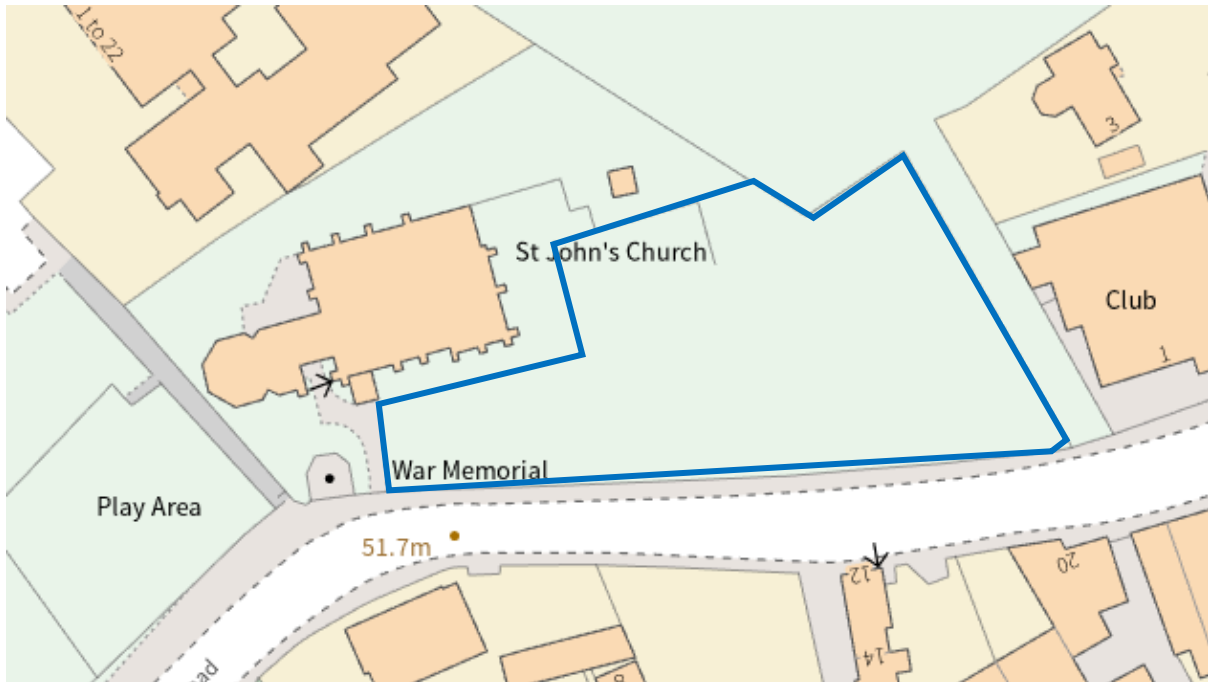

10. ST JOHN'S CHURCHYARD, CHURCH ROAD, MILFORD

Key:

 Perimeter.

Cut grass and strim around graves and on untended graves and collect any large plant matter which has been cut in the process, but grass is not normally collected. The grass strips which create the main walkways should be cut with a mower using a collection device. Once a fortnight mid-March – end of October approx. 17 cuts p.a. Leave the wildflowers in the churchyard until after Easter.

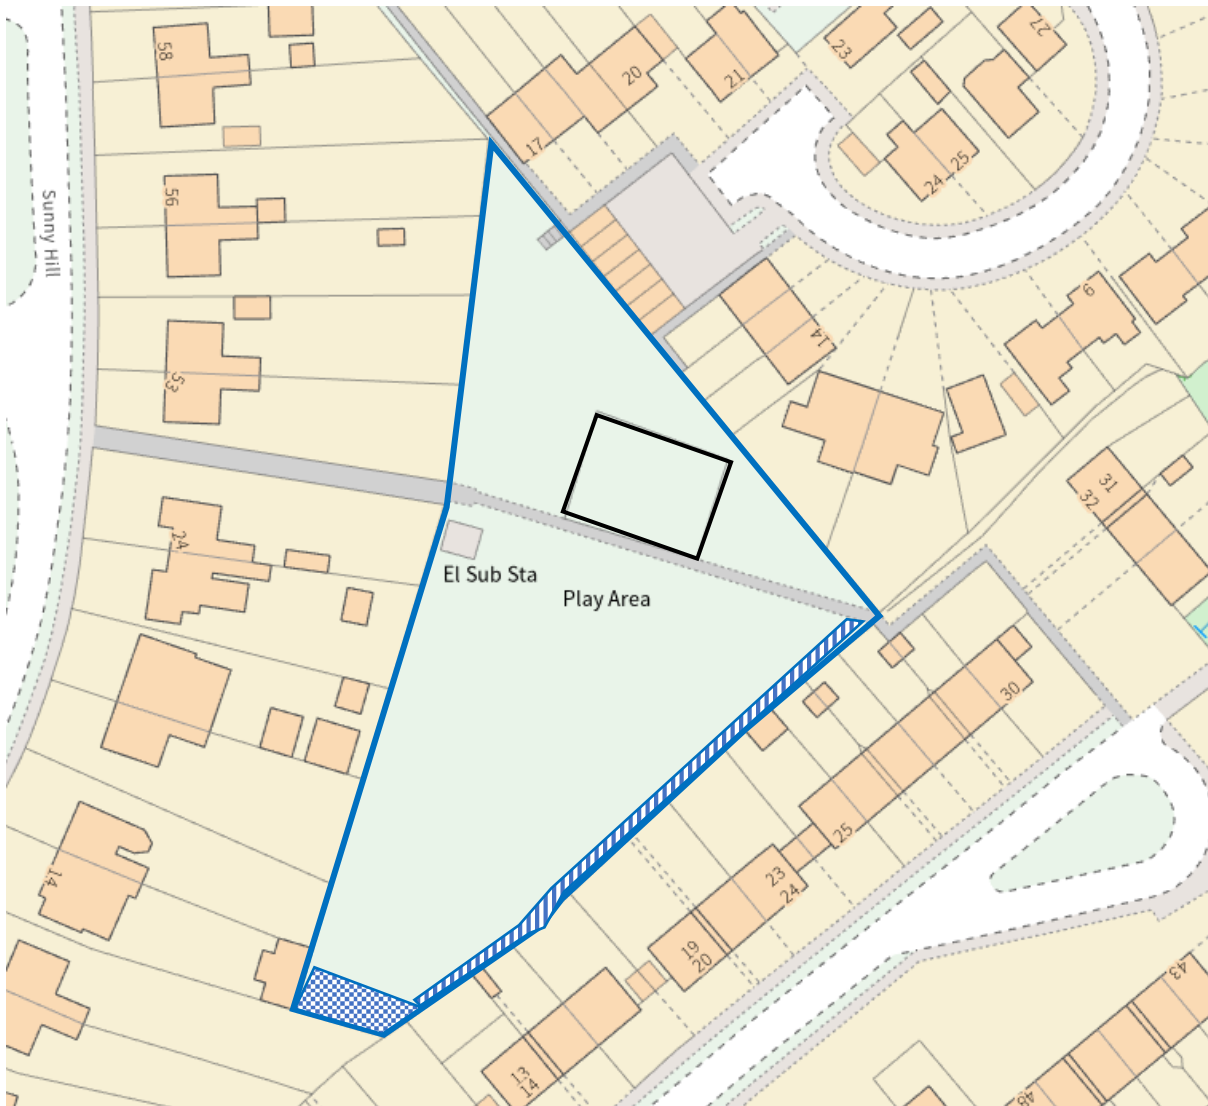

11. SUNNY HILL PLAYGROUND, SUNNY DOWN, WITLEY

Key:

-  Perimeter.
-  1 meter rewilding border not cut.
-  Fenced playground not cut.
-  Strim brambles back regularly during the growing season.

Rest of grass cut, once a fortnight mid-March to end of October approx. 17 cuts p.a.

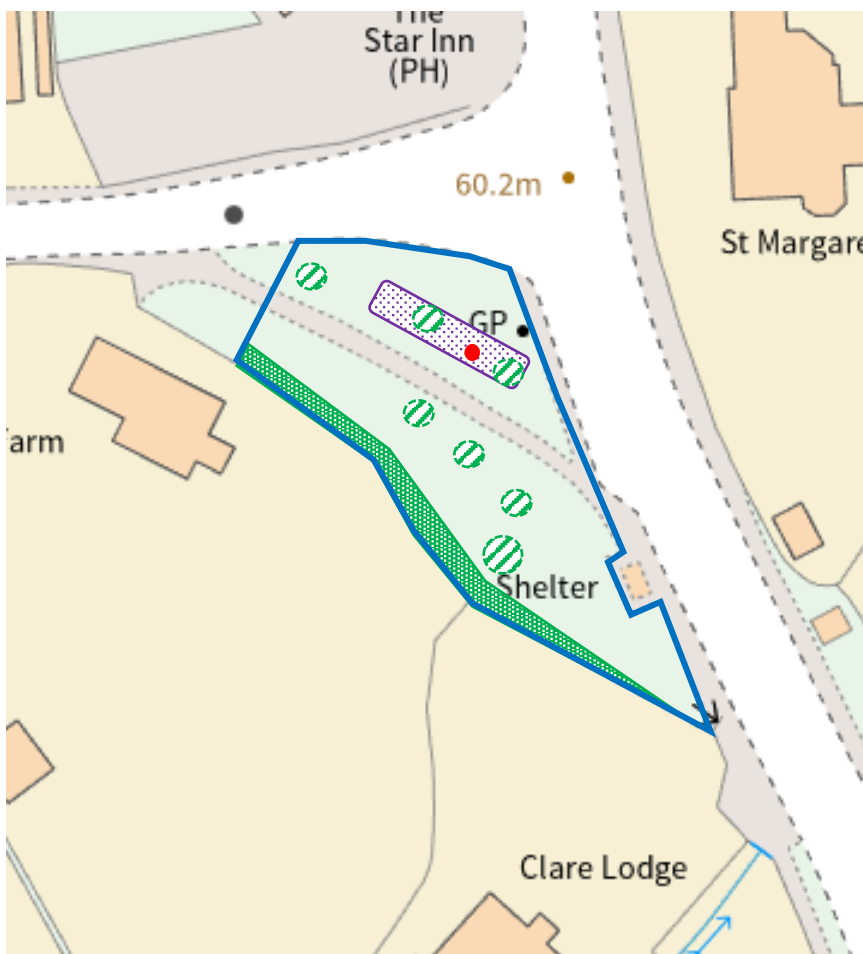

12. WHEELERSTREET GREEN, PETWORTH ROAD, WHEELERSTREET, WITLEY, GU8 5LU

Key:

-  Perimeter.
-  Spring bulb area, to be left uncut until daffodil leaves are yellow (summer), then cut as per rest of grass area.
-  Trees, mulch annually.
-  Village sign, strim around base and all other posts, street name and telegraph pole.
-  Vegetation boundary to be left and only cut up to existing cut line.

Rest of grass cut to boundary, arisings left. Once a fortnight from mid-March until end October approx. 17 cuts p.a.

13. WITLEY RECREATION GROUND, PETWORTH ROAD, WITLEY, GU8 5DX

Key:

-  Perimeter.
-  1 meter rewilding border left not cut.
-  Meadow regime cut once a year at a time stipulated by us (September TBC) and arisings removed.
-  Large trees, grass underneath to be cut as per meadow regime, with mown paths to benches and trees mulched.
-  Footpath, access path to be mown.
-  Parking area with rubber mesh underneath, care to be taken when cut.
-  Playground not cut.
-  Astro cricket square to be installed summer 2024, not cut.

Rest of grass cut to hedges and boundary including cricket square*, outfield, and football pitch, weekly between mid-March and end of October, approx. 33 cuts p.a.

Spring and autumn fertiliser treatments if necessary to cricket outfield and football pitch areas, twice a year in March and September. *until new astro cricket square installed then not cut.
