Date: 20 December 2018

Dear [REDACTED]

Intention to Award – T IT 0009 – Developing a VFM Data Collection and Management System (Alpha Beta) Tender.

On behalf of the Secretary of State for Transport, following your proposal on the 18th December 2018 via the Digital Outcome and Specialists 3 Crown Commercial Framework RM1043.5, you have been identified as the preferred supplier and it is our intention to award the contract to PA Consulting.

Please be aware this letter is confirmation of our intended approach and provides no legal obligation until formal contract exchange. The official contract award is subject to internal governance procedures that the Department is currently working through. A Call Off Order Form will be sent shortly for your perusal and signature separately.

This notification is strictly confidential, please do not share this information further than relevant colleagues in PA Consulting who need to know at this time.

The official notifications to all unsuccessful Tenderers have been sent simultaneously to this communication.

Please acknowledge your receipt and understanding of this letter via email to [REDACTED]

Yours sincerely
