Dear Suppliers

The Royal Society seeks the best possible submissions from Suppliers for the Maths Futures Program tenders (ITT 537-2 and 537-3) and recognise that not all Suppliers are working at full capacity due to COVID and school half term break.

Therefore, the Royal Society has considered the timelines for this tender and has decided to add an additional two (2) week to the closing date.

Suppliers are asked to operate as though this tender will be closing on or around Friday 26 April rather than the 12 April 2021. We shall confirm the complete timelines ASAP.

The tender evaluation dates are being confirmed and shall be updated in the coming days. The Instructions to Tenderers document will be re-issued once the dates are confirmed with the Society's Evaluation Panel.

Thank you for your work so far on your tenders and we look forward to seeing your submissions.

Yours sincerely

Rebecca Farquhar, Procurement Manager
