SECTION 1 Covering Letter

23rd August 2021

Dear Sir/Madam

Invitation to Tender

Scope

Demolition of existing public convenience and rebuild new public convenience.

Freshwater Parish Council is pleased to invite you to tender for the demolition and rebuild of the public conveniences in Gate Lane, Freshwater.

The invitation to tender will open at 17:00pm on the 23rd August 2021. Once open you will be able to download the documents "Gate Lane Toilets" and all associated Appendices. Invitations to Tender - Freshwater Parish Council Isle of Wight (freshwater-parish.org.uk)

The tender documents comprise of this ITT letter, rules of tendering and the ITT documents. This procurement is being conducted under the Crown Commercial Services Contracts Finder procedure.

This ITT sets out the information which is required in order to assess the suitability of applicants in terms of their quality assurance processes, relationship management, pricing, service levels and innovative solutions to meet the requirements of Freshwater Parish Council for the demolition and rebuild of Gate Lane public conveniences.

The successful applicant will be required to deliver services in accordance with all attached documents and the contract to be placed with the successful applicant.

The contract will be subject to Freshwater Parish Council's requirements and satisfactory performance through continuous monitoring and performance review. During the contract life, the successful applicants will need to achieve continuous improvement. Failure to do so may result in the contract being terminated.

Any questions concerning this document or the tendering process should be sent to the Clerk at Freshwater Parish Council by email clerk@freshwater-parish.org.uk no later than 24th September 2021.

If it is necessary to amend the ITT documents prior to the submission of tender proposals, or to extend the tender period, all applicants will be notified by email.

Freshwater Parish Council may either waive or insist on strict compliance with any requirement set out within this ITT.

Freshwater Parish Council reserves the right not to contract or contract only in part with any applicant.

Applicants:

- Shall either destroy or return all documentation related to the tender process if Freshwater Parish Council so directs.
- Shall ensure that tenders are both technically and arithmetically correct. Should
 Freshwater Parish Council discover any arithmetical errors in the Applicant's tender
 prices then these shall be pointed out to the Applicant who shall immediately correct
 the errors or they shall be asked to withdraw its tender or hold the prices submitted,
 at the discretion of Freshwater Parish Council.
- Shall not alter the ITT documents. Tender proposals will be deemed to comply entirely with the terms stated therein unless the Applicant states otherwise in writing. If any alteration is made or if these instructions are not fully complied with, the tender proposal may be rejected.
- Will be deemed to have satisfied themselves as to the sufficiency of their tender proposal and to have included in it all costs which may be incurred in the delivery of the services. They shall also be responsible for satisfying themselves as to the accuracy of all information associated with the contract and that all eventualities have been included.

The contract will be entered into on the basis of the total tender package (inclusive of VAT) which will be included as part of the Contract Documents including any amounts or additional made and agreed during the tender proposal assessment period.

The information supplied within this ITT and accompanying documents reflects Freshwater Parish Council's current view of the services required. Whilst the information in this ITT has been prepared in good faith, it does not purport to be comprehensive or to have been independently verified. This ITT is issued on the basis that:

- Freshwater Parish Council does not accept any liability, responsibility or duty of care
 to any tenderer for the adequacy, accuracy or completeness of this ITT or for anything
 said or done in relation to the procurement to which this ITT relates.
- Freshwater Parish Council does not make any (express or implied) representation or warranty either about the information contained in this ITT or on which it is based, or about any written or oral information that may be made available to any applicant.

- Nothing contained in this ITT constitutes an inducement or incentive in any way to persuade an interested person to pursue its interest, submit a tender proposal or enter into any contract.
- Neither this ITT nor any information supplied by Freshwater Parish Council should be relied on as a promise or representation as to its future requirements.
- This ITT is neither an offer capable of acceptance nor is it intended to create a binding contract nor is it capable of creating such a contract by any subsequent actions.

Applicants should complete the Tenderer Declaration Form, **Appendix 1**, and return with the completed proposal, as per the instructions set out in this ITT.

<u>SECTION 2 – Scope of Procurement</u>

Freshwater Parish Council is looking to procure Building Construction Work.

Freshwater Parish Council are looking for a high-quality solution for the specified rebuild and internal refitting of the Gate Lane public conveniences, from high quality providers that deliver a service that is demonstrably focused around the needs of Freshwater Parish Council. Tenderers are requested to study the specification document in detail and ensure that the specified requirements can be met that are stated within the document and thus your understanding of our requirements is reflected in your Pricing schedule return.

The contract for the provision of the building construction and refitting work is expected to commence subject to planning permission, with the exact dates to be agreed if/when planning permission is granted and depending on the agreement between the successful provider and Freshwater Parish Council.

Freshwater Parish Council wish to secure efficiencies and economies of scale by means of a procurement exercise for meeting the requirements detailed within this documentation, achieved through the **M**ost **E**conomically **A**dvantageous **T**ender submitted.

The principle benefits anticipated by Freshwater Parish Council in this procurement include:

- Ability to maximise opportunities for best value and efficient services.
- To allow bidders to explore efficiencies, this may be possible by suggesting innovative and cost-effective solutions.
- Presentation of cost savings to Freshwater Parish Council in order to maximise economical operational efficiency and value for money.

The basis of the contract will include:

- Demolition of existing public conveniences ensuring:
 - Site security and safety
 - Cap off existing services
 - o Removal of old building, leaving a level and trip free surface
- Rebuild public conveniences to provide
 - Toilet cubicles, urinals and hand washing facilities for males
 - Toilet cubicles and hand washing facilities for females
 - Disabled toilet facility
 - Baby changing facility

SECTION 3 – Procurement Process

3.1 Procurement Stages

This is a procurement exercise conducted in accordance with the **Restricted Procedure** commonly used in public sector procurement exercises.

During this stage we may wish to conduct site visits to your references' sites identified in order to moderate the score given in Section 4. Freshwater Parish Council will advise Tenderers of such requests during the tender process.

SECTION 4 – Award Criteria (Appendix 7)

4.1 Award Criteria

The Contract will be awarded on the basis of the following weighted award criteria:

| | Award Criteria | Weighting |
|-------|---|-----------|
| 4.1.1 | Conformance to Specification | |
| | Submissions which do not, in the opinion of Freshwater Parish | PASS/FAIL |
| | Council, adequately meet the Performance Specification will not | |
| | be marked for the Technical Merit and Price Criteria outlined | |
| | below and will not be taken forward to any subsequent stages of | |
| | the Tender evaluation. | |
| 4.1.2 | Price | 50% |
| 4.1.3 | Technical Merit (Quality) | 50% |
| | TOTAL | 100% |

The **Technical Merit** criteria are made up of the following sub-criteria:

| 4.1.3.1 | Awareness of relevant legislation and regulations: including, but not limited to, Construction, Employment, Equality, Health and Safety. | 10% |
|---------|--|------|
| 4.1.3.2 | Technical skills and competence – previous experience (including examples) | 7.5% |
| 4.1.3.3 | Resources: adequate skilled workforce | 7.5% |
| 4.1.3.4 | Resources: adequate equipment and machinery | 7.5% |
| 4.1.3.5 | Ability to execute given tasks with minimal supervision | 5% |
| 4.1.3.6 | Management process to be used for the project | 5% |
| 4.1.3.7 | An example of a previous risk assessment | 2.5% |
| 4.1.3.8 | Geographical location | 2.5% |
| 4.1.3.9 | Enhancements to the project which could be delivered | 2.5% |

Tenderers may then be taken forward to the final stage of an interview. This stage will be used to moderate your scores (+/- 5) at ITT stage by clarifying information provided in your company's bid.

4.2 Interview

| 4.2.1 | Interview | Not Scored |
|-------|-----------|------------|
|-------|-----------|------------|

Tenderers invited to the Interview stage will be expected to provide any equipment, consumables and suitably qualified/skilled staff required during this process free of charge.

Freshwater Parish Council reserves the right to invite other Tenderers, by rank order, to participate in the Interview stage if required.

4.3 Submissions Evaluation

The evaluation of submissions will be on the criteria listed below in **4.3.1 & 4.3.2.** The criteria will count for 100% of the overall evaluation with the relevant weightings listed next to each individual criteria stated below.

Evaluation criteria will be a combination of both financial and non-financial factors and will consider the following areas:

4.3.1 Price (50%)

The Price criteria carry a weighting of 50% of the overall achievable score.

Please see **Appendix 2** Pricing Schedule to be completed and returned by all suppliers.

A price score shall be calculated for each tender by reference to the lowest tender, which is given a point's score of 100. One point shall be deducted from each of the other tenders for each percentage point above the lowest in accordance with the following formula:

$$100 \times (a / b) = score$$

where -

a = price of lowest Bidder

b = price of tender being evaluated

- 4.3.1.1 Prices submitted as part of this ITT must remain open for acceptance for a **minimum** of 120 days from the closing date for the receipt of offers.
- 4.3.1.2 Prices must be exclusive of **VAT**. Please see Appendix 2 for pricing schedule that should be completed and returned as part of your tender response.

- 4.3.1.3 The contract price will be **fixed** for the duration of the contract.
- 4.3.1.4 Contract prices applicable to any extension of the contract will be agreed by negotiation prior to that extension.
- 4.3.1.5 Bidders must demonstrate how their proposals represent overall value for money and how they will assist Freshwater Parish Council with cost initiatives.

4.3.2 Technical Merit (Quality) (50%)

Quality – This criteria carries a weighting of 50% of the overall achievable score and is broken down into the areas described in **4.1 Award Criteria** and respective weightings.

Please see **Appendix 5** Tender Technical Questions & Answer sheet to be completed and returned by all tenderers.

The information supplied will be checked for completeness and compliance before Tenders are evaluated. Failure to comply with any of the requirements or any other specified requirements might render a tender liable to disqualification.

Freshwater Parish Council reserves the right to suspend, cancel or withdraw the tender process at any time and will not be responsible for any costs incurred to potential suppliers.

NOTE: If any criteria within the specification document are classed as non-compliant Freshwater Parish Council will not be able to take your tender through to the next stage. If however you state that you are non-compliant and are able to provide an alternative solution, then this may be considered but not a guarantee that it will be accepted.

4.4 Scoring Principles – Appendix 7

Submitted Tenders will be assessed against the above criteria and scored as follows:

From 0 -100 where 0 = No Requirement Met and 100 = Fully Meets Requirements.

4.5 Evaluation Process

Each Offer Schedule will be scored in accordance with the evaluation process stated above.

Clarifications may be sought in writing, or by interview/presentation from the suppliers and scores adjusted accordingly. Visits to reference sites may also allow for adjustments to scores.

Full or partial proposals that in the opinion of Freshwater Parish Council are unrealistically low or not reasonably sustainable (in terms of Quality or Price) may be rejected.

The weighted scores within each sub-criteria will be added together to arrive at the total score.

<u>SECTION 5 – PRICING SCHEDULE</u>

As given in Appendix 2

<u>SECTION 6 – Terms for Submission of Electronic Tenders</u>

6.3 Confidentiality and Disclaimer

This ITT is not an offer capable of acceptance but represents a definition of specific legal service requirements and an invitation to submit a response addressing such requirements.

Neither the issue of the ITT to you, your preparation and submission of a tender, or the subsequent receipt and evaluation of your tender by Freshwater Parish Council commits Freshwater Parish Council to award a contract to you or any other bidder, even if all requirements stated in the ITT are met. Freshwater Parish Council is not responsible directly or indirectly for any costs incurred by your firm in responding to this ITT and participating in Freshwater Parish Council's procurement process.

All firms shall keep strictly confidential any and all information contained in this ITT, and other information or documents made available to it by or on behalf of Freshwater Parish Council in connection with this ITT. The firms shall not disclose, nor allow any such information to be disclosed. Submission of a formal response to this ITT will confirm your agreement to observe these confidentiality requirements. Contact by the firms with Freshwater Parish Council during the bidding process should only be with the individuals named in the covering letter in Section 1 sent from Freshwater Parish Council dated 23rd August 2021 as the Freshwater Parish Council tender contacts. Respondents shall not offer or give any consideration of any kind to any employee or representative of Freshwater Parish Council as an inducement or reward for doing, or refraining from doing, any act in relation to the obtaining or execution of this or any other contract with Freshwater Parish Council.

6.4 Response/Return of Invitation to Tender

Please provide a response to this ITT by completing the appendices listed below and providing any additional or supporting information, which you consider appropriate. In completing the ITT, please adhere to the structure contained in this document and include "Not applicable" where appropriate.

Tenderers are advised that it is **compulsory** to complete and return all of the following documents. Failure to do so will mean that your tender is not considered.

- 1. Completion of Tenderer Declaration (Appendix 1)
- 2. Completion of the Pricing Schedule (Appendix 2)
- 3. Completion of Supplier Technical Question & Answer sheet (Appendix 5)

6.5 Questions

If you have any specific questions concerning this document or the process for submission of your proposal, then please email: **Clerk@freshwater-parish.org.uk**. Only questions submitted to this email will be answered. It would be most helpful if queries could be submitted in one email rather than piecemeal within the deadline stated in 6.2 of this document.

All responses received and any communication from tenderers will be treated in strict confidence.

6.6 Material Misrepresentation

Freshwater Parish Council shall reply on the information provided by the bidder in relation to its offer. In providing the services as specified in the Invitation to Tender documents the successful bidder/tenderer shall comply with the contents of its offer as failure in this respect may constitute a material breach of contract.

6.7 Collusive Bidding

Collusive bidding is unaccepted by Freshwater Parish Council. Any tenderer that is caught by Freshwater Parish Council to be circumventing rules or the law during this tender process will automatically be disqualified from the tender process.

This applies to any bidder who:

- **a).** Fixes or adjusts the amount of his bid by or in accordance with any agreement or arrangement with any other person, or
- **b).** Communicates to any person other than Freshwater Parish Council the amount or approximate amount of his proposal (except where such disclosure is made in confidence in order to obtain quotations necessary for the preparation of the tender for instance), or
- **c).** Enters into any agreement or arrangement with any other person that he shall refrain from bidding or as to the amount of any bid to be submitted, or
- **d).** Offers or agrees to pay or give, or does pay or gives any sum of money, inducement or valuable consideration directly or indirectly to any person for doing or having done, or causing or having caused to be done in relation to any Offer or proposed Offer for the Works/Services or any act or omission will be disqualified (without prejudice to any other civil remedies available to Freshwater Parish Council and without prejudice to any criminal liability which such conduct by a bidder may attract).

6.8 Bribery

Bribery means any offence under the Bribery Act 2010 or related Laws creating offences in relation to offering, promising or giving a bribe or requesting, agreeing to receive or receiving a bribe

The Contractor agrees with the Client that this Contract will operate on the basis of zero tolerance being shown towards any Fraud and/or Bribery. The Contractor shall take all reasonable steps, in accordance with Good Industry Practice, to prevent Fraud and Bribery by Staff and the Contractor (including its shareholders, members, directors) in connection with the receipt of monies from the Client and with the operation of this Contract.

6.9 Relationship with Members of the Council

If a candidate for any tender is to his knowledge related to any Member of the Council or the holder of any office under the Council, he and the person to whom he is related shall disclose the relationship in writing to the Clerk. A candidate who fails to do so shall be disqualified for consideration.

Canvassing of Members of the Council or any committee, directly or indirectly, for any tender under the Council shall disqualify the candidate.

A Member of the Council or of any committee, shall not solicit for any person any appointment under the Council or recommend any person for such appointment but any

such Member may give written testimonial of a candidate's ability, experience or character for submission to the Council with an application for appointment.

<u>APPENDIX 4 – CONDITIONS OF CONTRACT</u>

The successful contractor must sign an agreement to carry out the works in accordance with the following Construction Conditions and provide all relevant documents where necessary:

- All works will be carried out in accordance with current Building Regulations where appropriate. Building regulation approval notices and/or equivalent certificates (Fensa, NICEIC, Gas safe, etc.) and/or a statement of compliance from a suitably qualified person or Project Manager will be provided on request
- All Health and Safety and Construction Design and Management Regulations (including new CDM Regulations 2015) will be met where appropriate. Details of CDM Co-ordinator appointment, details of relevant Health and Safety policies, and/or a statement of compliance from a suitably qualified person will be provided on request.
- Due consideration of relevant Statutory Safety requirements will be taken prior to construction or during demolition stage where appropriate. If applicable, a Refurbishment/Demolition Survey will be carried out if the premises, or part of it, need upgrading, refurbishing or demolishing. Surveys will be carried out by a competent surveyor, and the survey will locate and identify all Asbestos Containing Material (ACM) before any work begins at a stated location or on stated equipment at the premises. Copies of relevant reports or a statement of compliance from a suitable qualified person or Project manager will be provided on request.

Payment terms will be 30 days or as otherwise agreed with the Parish Council.

There will be a retention of up to 10%, or as otherwise agreed with the Parish Council, pending receipt of certified completion.

<u>Invitations to Tender - Freshwater Parish Council Isle of Wight (freshwater-parish.org.uk)</u>

Appendix 7 Evaluation of Tender Scoring Process

1. Freshwater Parish Council Tender Evaluation Procedure

This procedure will be used for invitations to Tender / Requests for Proposals as decided by Freshwater Parish Council. It is intended to provide a fair evaluation process to select and award the best and most appropriate tender for contracts and projects.

The evaluation will be carried out by the Parish Council or Sub-committee or Officers at the discretion of the Parish Council.

| Responsible Committee | |
|--|--|
| Sub-Committee / Ad-hoc Group (<i>if any</i>) | |
| Officers / Staff | |

2. Evaluation of Tender Submission

The evaluation of submissions will be on the criteria detailed below. The criteria will count for 100% of the overall evaluation with the relevant weightings listed next to each individual criterion stated below. Each tender will be scored in accordance with the evaluation process.

Clarifications maybe sought in writing, or by interview/presentation from the Vendors and scores adjusted accordingly. Visits to reference sites may also allow for adjustments to scores.

Full or partial proposals that in the opinion of Freshwater Parish Council are unrealistically low or not reasonably sustainable (in terms of Conformance, Price or Technical Merit) may be rejected.

The weighted scores within each sub-criterion will be added together to arrive at the total score.

Evaluation criteria will be a combination of both financial and non-financial factors and will consider the following areas:

3. Summary Award Criteria

The contract will be awarded on the basis of the following weighted award criteria:

| | Award Criteria | Score | Result |
|---|--|-----------|--------|
| 1 | Conformance to Specification | | |

Scoring Principles

Where a Submitted Tender meets, in the opinion of the relevant Officers or Committee of Freshwater Parish Council, the Conformance Criteria, Price and Technical Merit will be assessed and scored as follows.

| Range | Scoring | Award Criteria |
|-------------|---|--------------------|
| PASS / FAIL | Does it meet the criterion or not? Conformance | |
| | | 4.1. 4.2, 4.3, 4.4 |
| 0 - 100 | Price Score calculated as below. | 4.5 |
| 0 - 100 | Each criterion will be scored from 0 – 100. The | Other Price and |
| | scores are then weighted as per schedule and | Technical Merit |
| | aggregated for the final overall score. | Criteria |

Price (4) (50%)

The Price criteria count for of 50% of the overall achievable score.

4.1, 4.2, 4.3 and 4.4 are PASS/FAIL.

4.5: the Price Score is calculated as follows:

A price score shall be calculated for each tender by reference to the lowest tender, which is given a point score of 100. One point shall be deducted from each of the other tenders for each percentage point above the lowest in accordance with the following formula:

 $100 \times (a / b) = Price Score, where -$

a = price of lowest Bidder

b = price of tender being evaluated

| | a Lowest Bid £ | b This Tender £ | a/b | x 100 | Price Score |
|-------------|----------------|-----------------|------|-------|-------------|
| example | £125 | £175 | 0.71 | x 100 | 71 |
| This Tender | | | | x 100 | |

4.6, 4.7 and 4.8 will be individually rated from 0 – 100 which will then be weighted as below,

| Price Criteria | Evidence | Score | Result |
|----------------------------------|------------------------|-------------|--------|
| 4.1. Are the prices submitted | confirmation in Vendor | PASS / FAIL | |
| as part of this ITT open for | submission. | | |

| 4.3 Is it confirmed that the contract price will be fixed for the duration of the contract? | confirmation in Vendor submission. | PASS / FAIL | |
|---|------------------------------------|-------------|--|
| 4.4 Alterations to the cost, period or scope of the contract will be agreed by negotiation prior to any alteration. | confirmation in Vendor submission. | PASS / FAIL | |

| | | Score | Result | Weighting | Weighted Score |
|--------------------------------|---|---------|--------|-----------|-------------------|
| example | submission | 0 - 100 | 70 | 20% | 14 |
| 4.5 Price Score | Score calculated as above based on price given by Vendor and lowest bidder. | 0 - 100 | | 20% | |
| 4.6 Value for Money | Bidder must state how the proposal represents Value for Money. | 0 -100 | | 15% | |
| 4.7 Cost control and reduction | Bidder must state how the proposal assists Freshwater Parish Council with cost control and cost reduction. | 0 - 100 | | 10% | |
| 4.8 Change control | Bidder must specify their change control method (for specification, price and period) | 0 - 100 | | 5% | |
| | | | | | |

Technical Merit (5) (50%)

The Technical Merit criterion carries a weighting of 50% of the overall achievable score and is broken down into the following areas and respective weightings.

Individual criteria will be rated from 0-10 which will then be weighted as below.

| Technical Merit Criteria | Evidence | Score | Result | Weighting | Weighted Score |
