Dear Mr Mee

Following my visit on 8 September 2022, I am pleased to confirm our prices for the work discussed, as follows:

2 Blue Lawson Cypress each side of the Art Deco Bowl stage

Due to extensive damage to the retaining walls from the tree roots, I would recommend that the trees are felled to near ground level. £2800.00

Added to the above cost is a 7.5% debris recycling surcharge (see Terms and Conditions) of £210.00

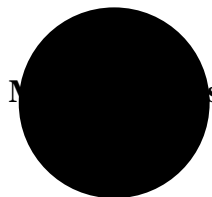

These prices include the complete clearing up and disposal from site of all debris.

As you are within the Swindon Old Town Conservation Area, on acceptance, for a standard charge of £26.00, we will make the necessary notification to the Local Planning Authority on your behalf. Should you choose to do this yourself we must have a copy of your application and the council's consent before work can be scheduled.

All prices are subject to VAT @ 20%. Payment is required within 10 days of receipt of invoice.

Hoping this is satisfactory, please ring or email to confirm acceptance or discuss any aspect.

Yours sincerely

M. [Redacted], NCH (Arb), Tech Cert (ArborA), TechArborA
