II.8) **Additional information:**

The purpose of this notice is to draw attention to a procurement that NHS Supply Chain intends to commence during the subsequent 12 months. The invitation to tender will be the subject of a separate notice and it is that notice to which potential suppliers will need to respond at the appropriate time.

The Framework Agreement between NHS Supply Chain and successful suppliers will reserve the right to purchase the same or similar supplies and/or services from suppliers not appointed to the Framework Agreement at its sole discretion.

Whilst it is anticipated that initial expenditure under any forthcoming procurement will be in the region of 22 000 000 GBP for this contract award this is approximate only and the values will be to such level as those purchasing under the Framework Agreement consider necessary to provide suitable requirements.

NHS Supply Chain expects to provide successful suppliers with the opportunity to offer additional savings to customers through the provision of discounted pricing value added offerings and commitment/bulk buy initiatives.

The Framework Agreement will be between NHS Supply Chain and the Supplier. Under the Framework Agreement there will be 2 different methods of supply — 1 for Non-Direct Contract Products and 1 for Direct Contract Products.

NHS Supply Chain will be entitled to purchase the supplies and/or services identified below as Non-Direct Contract Products which it will then make available for purchase by:

- 1) any NHS Trust;
- 2) any other NHS entity;
- 3) any government department agency or other statutory body; and/or
- 4) any private sector entity active in the UK healthcare sector.

For the supplies and/or services identified as Direct Contract Products below:
