Contract End date	ITT	Est. May 2021

- 3.7.2 The Authority reserves the right to change the above timetable and Applicants will be notified accordingly if there is a change.

3.8 Selection Questionnaire

- 3.8.1 Selection is the process by which the Council is able to assess the suitability of the Applicant to undertake work on behalf of the Council. The questions asked within Selection Questionnaire are compliant with Regulation 57 of the Public Contracts Regulations 2015.
- 3.8.2 The Council requires all Applicants to complete all sections of the Selection Questionnaire included within Volume Two (2) Applicant's Offer and submit in accordance with the submission requirements outlined within this Volume One (1). Any Applicants who do not fully meet the requirements of or misrepresent any information or evidence provided in relation to Regulation 57 may be excluded from further consideration.
- 3.8.3 The Applicant's responses to the Selection questions should be succinct, concise and as brief as possible and self-contained not referring to additional documents or other supporting statements other than the European Single Procurement Document (ESPD). The Council will accept submission of the following parts/sections of the ESPD as part of any submission:
- i. ESPD Part II (A,B,C,D)
 - ii. ESPD Part III (A,B,C,D)
- 3.8.4 Where Applicants choose to submit all or any part of the ESPD in place of an element required in the Selection questions this must be clearly identified and referenced by the Applicant. Any ESPD responses will be assessed in the same way as any other response.
- 3.8.5 If you are bidding on behalf of a group (consortium) or you intend to use sub-contractors, you should complete all of the selection questions on behalf of the consortium and/or any sub-contractors.
- 3.8.6 If the relevant documentary evidence referred to in the Selection Questionnaire is not provided upon request and without delay, we reserve the right to amend the contract award decision and award to the next compliant bidder.

Consequences of misrepresentation

- 3.8.7 If you seriously misrepresent any factual information in filling in the Selection Questionnaire, and so induce an authority to enter into a contract, there may be significant consequences. You may be excluded from the procurement procedure, and from bidding for other contracts for three years. If a contract has been entered into you may be sued for damages and the contract may be rescinded. If fraud, or fraudulent intent, can be proved, you or your responsible officers may be prosecuted and convicted of the offence of fraud by false representation, and you must be excluded from further procurements for five years.
- 3.8.8 The Council proposes to use the following criteria to evaluate Selection Questionnaire submissions:

Section	Title	Type of Question	Weighting (%)
Part 1	Potential supplier information	Information only	Not evaluated and scored
Section 2	Insurance	Pass/Fail	In the event of a supplier being awarded a 'fail', the remainder of their submission will not be

			evaluated and they will be eliminated from the process.
NOTE ON EVALUATION: The Council would be seeking confirmation that the required insurance and levels of insurance exist, and that they would be maintained during any contract that would be awarded, or in the case that they do not exist currently that the Contractor would firstly be able to obtain the required levels of insurance and would if successful in the Quotation actually obtain that insurance. If this cannot be demonstrated, then this would be deemed a “fail”			
Section 3			
	Health & Safety Management	Pass/Fail	In the event of a supplier being awarded a ‘fail’, the remainder of their submission will not be evaluated and they will be eliminated from the process.
NOTE ON EVALUATION: The Council will be looking for evidence to support that the Applicant has robust processes are in place to ensure Health and Safety arrangements are in place and as such the Applicant has a positive track record in ensuring Health and Safety in a relevant based industry / sector. Where the Applicant has had previous situations of failings and remedial matters around Health and Safety, the Council will want to understand the severity of these failings, what lessons have been learned and what remedial measures / lessons have been put in place. Where the failings are deemed significant and / or the Applicant cannot provide assurances to future practices then this shall be deemed a “fail”.			
Section 4	Technical and professional ability	Pass/Fail	In the event of a supplier being awarded a ‘fail’, the remainder of their submission will not be evaluated and they will be eliminated from the process.
NOTE ON EVALUATION: The Council will be looking for evidence of a Contractor who can demonstrate experience in the successful delivery of similar contracts to clients through formal contract arrangements. If this cannot be demonstrated, then this would be deemed a “fail”			

Information Only Questions

- 3.8.9 These must be completed but will be used for information purposes only and not scored. However, failure to provide sufficient information as requested may still lead to disqualification for non-compliance. It is important that where a question does not apply this is recorded as ‘Not applicable’ or ‘None’ in the spaces provided.

3.9 Evaluation Approach

- 3.9.1 Bids will be evaluated in one part looking at Award based on Pass / Fail questions and then Price. All those who are able to positively progress through the Pass / Fail will then be assessed on the Commercial / Price Evaluation. In the event of any provider not being able to Pass all of the questions will not have their bid further evaluated.

3.10 Commercial / Price Evaluation

3.10.1 The Pricing Document contains the details and requirements relating to the price element of this RFQ. This may include, but is not limited to, the inclusion of specific instructions, documents, templates, pricing structures, etc for the Applicant's to return as part of their response.

3.10.2 Price shall be evaluated using the following scoring methodology, with the Bidder's prices being scored on a comparative basis. For example:

3.10.3 This will be done by recording the lowest price submitted by any of the Bidders, then for each Quotation, dividing this lowest price by the bidders' price and then multiplying it by the allocated weighting (e.g. 100% if that is the percentage chosen by the Council). The equation set out below explains this in a simpler way:

$$(\text{Lowest Price} \div \text{bidder's price}) \times \text{Weighting} = \text{Score}$$

3.10.4 To accompany the above there is a worked example below to help explain this. The example assumes only 3 prices were submitted and that price was awarded 100% of the overall marks (i.e. quality was awarded 100%):

	L	W	Bidder 1		Bidder 2		Bidder 3	
Evaluation Elements	Lowest Submitted price (£)	Weighting %	Quoted Price	Score	Quoted Price	Score	Quoted Price	Score
Total Contract Sum	£65,000	100	£75,000	86.6	£65,000	100	£85,000	76.5
Total Score		100		86.6%		100		76.5

Section 4 – Conditions of Quotation

4.1 Authority's Warranties and Disclaimers

- 4.1.1 The fact that an Applicant has been invited to bid does not necessarily mean that the Applicant has completely satisfied all the Authority's criteria and the Authority may require further information as appropriate and assess this as part of the evaluation process.
- 4.1.2 The Applicant shall have no claim whatsoever against the Authority in respect of such matters and in particular (but without limitation) the Authority shall not make any payments to the successful Applicant save as expressly provided for in the (Call-Off) Contract and (save to the extent set out in the (Call-Off) Contract) no compensation or remuneration shall otherwise be payable by the Authority to the Applicant in respect of the services by reason of the specification being different from that envisaged by the Applicant or otherwise.
- 4.1.3 Whilst the information in this document has been prepared in good faith, it does not purport to be comprehensive or to have been independently verified. With the exception of statements made fraudulently, the Authority does not accept any liability or responsibility for the adequacy, accuracy or completeness of such information. The Authority does not make any representation or warranty (express or implied) with respect to the information contained in the document or with respect to any written or oral information made or to be made available to any Applicant or its professional advisors.
- 4.1.4 Each Applicant to whom the document is sent must make its own independent assessment of the proposed terms after making such investigation and taking such professional advice as it deems necessary to determine its interest in the Contract.
- 4.1.5 This document is issued on the basis that nothing contained in it shall constitute an inducement or incentive nor shall have in any other way persuaded the Applicant to bid or enter into any other contractual agreement. Under no circumstances shall the Authority be liable to an Applicant in respect of any costs incurred by an Applicant (whether directly or otherwise) in relation to the preparation or submission of an offer.

4.2 Bribery Act

- 4.2.1 The Bribery Act 2010 requires Public Bodies to ensure that they have procedures in place to prevent bribery by persons associated with them. As part of this responsibility all Applicants should make themselves aware of the obligations set out at <http://www.justice.gov.uk/legislation/bribery>.

4.3 Public Services (Social Value) Act

- 4.3.1 The Public Services (Social Value) Act 2012 brings in a statutory requirement for public authorities to have regard to economic, social and environmental well-being in connection with public services contracts in a way that is relevant to the subject matter of the contract and compliant with the Public Contracts Regulations 2015. Applicants must note that they may be asked to comply with particular requirements based around such considerations as part of the selection and/or award process.

4.4 Freedom of Information Act 2000 and Environmental Information Regulations 2004 and Data Protection Act 2018

- 4.4.1 The Authority is subject to the provisions of the Freedom of Information Act 2000 ("FOIA") and the Environmental Information Regulations 2004 ("EIR"). This provides that anyone can ask the Authority for any information held by it, or on its behalf and, unless an exemption applies, the information must be supplied. This means that all the information which an Applicant has provided in respect of this procurement and may provide in future to the contracting authorities will be subject to the FOIA or EIR.
- 4.4.2 In the absence of special circumstances, any part of the procurement documentation may be regarded as not subject to any exemptions, and therefore capable of being disclosed under the FOIA or EIR.
- 4.4.3 In respect of any completed Bid, where the Authority is required to consider whether any information contained therein should be disclosed further to the FOIA, it will be necessary to consider whether any exemption applies. Where the Applicant considers that any of the information contained in its Bid is subject to any exemption, this shall be stated in the submitted Bid at Volume Two (2) Applicant's Offer and Schedule 3 Price Schedule with an explanation setting out what exemption it considers applicable and the reasons for it. The Authority may have regard to this explanation when considering its response to FOIA requests.
- 4.4.4 The attention of Applicants is drawn to Section 43 of the Freedom of Information Act Guidance (http://www.ico.gov.uk/for_organisations/guidance_index/freedom_of_information_and_environmental_information.aspx) which provides that information may be exempt information if it constitutes a trade secret, or if its disclosure would, or would be likely to, prejudice the commercial interests of any person (including the Authority). Applicants are further advised that, if the Authority considers this exemption applies, it will then be necessary for the Authority to determine whether the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

4.5 Transparency in Local Government

- 4.5.1 As part of the transparency agenda, the Government has made the following commitments for procurement and contracting.
- 4.5.2 Local authorities must publish details of any contract, commissioned activity, purchase order, framework agreement and any other legally enforceable agreement with a value that exceeds £5,000.
- 4.5.3 The Authority may also publish the contract entered into with the successful Applicant. In making publication the Authority intends to follow guidance set out in A practitioner's guide to publishing information in accordance with the local government Transparency Code 2015.

4.6 GDPR and Data Protection Act 2018

- 4.6.1 The Applicant and Authority shall comply with the provisions of the EU General Data Protection Regulation (GDPR) and the DPA 2018 where it applies in regards to any contract resulting from this procurement procedure.

4.7 Counter Terrorism and Security Act 2015

- 4.7.1 Section 29 of the Counter Terrorism and Security Act 2015 places a duty on Local Authorities in the performance of their duties to have “due regard to the need to prevent people from being drawn into terrorism”. The Act requires the Authority to ensure that its procedures help to ensure a better understanding of radicalisation so that strategies can be put in place to deal with it. As part of this responsibility all Applicants should make themselves aware of the obligations set out at <http://www.legislation.gov.uk/ukpga/2015/6/contents>.

4.8 Modern Slavery Act 2015

- 4.8.1 Regulation 19 of the Modern Slavery Act 2015 incorporates the offences under Section 1, 2 or 4 of the Modern Slavery Act 2015 into Regulation 57 of the Public Contract Regulations as grounds for mandatory exclusion at selection stage. Section 54 of the Act also requires businesses which meet certain criteria to prepare and publish a slavery and human trafficking statement.
- 4.8.2 As part of this responsibility all Applicants should make themselves aware of the obligations set out at <http://www.legislation.gov.uk/ukpga/2015/30/contents/enacted>.

4.9 Late Payment Directive 2015

- 4.9.1 The Authority must maintain compliance with the following legislation:
- Late Payment of Commercial Debts (Interest) Act 1998
 - Late Payment of Commercial Debts Regulations 2002
 - Late Payment of Commercial Debts Regulations 2013
- 4.9.2 The latter set of Regulations implements an EU Directive on late payment (Directive 2011/7/ EU). In line with this directive, the Authority requires that all contracted suppliers pay their sub-contractors within 30 days.

4.10 Study of the Document

- 4.10.1 Documents issued by the Authority to a prospective Applicant must not be passed on to a third party without the express permission of the Authority.
- 4.10.2 Applicants are expected to read, understand and agree to the Volumes (inc. the terms & conditions) of the document as they will in their entirety form part of the resultant Contract.
- 4.10.3 The Applicant is required to obtain all information as it may require them to make a Bid. The Applicant shall be deemed to have satisfied itself as to the correctness and sufficiency of its Bid. No claims whatsoever shall be entertained arising out of the Applicants failure to study the documents; the information provided will be relied upon as being true and accurate and will form part of the Contract with the successful Applicant. If any of the information given by your organisation within the document is subsequently identified as being inaccurate, this may exclude your organisation from further consideration.
- 4.10.4 The Applicant's price shall (except in so far as it is otherwise provided in the Contract) cover all obligations under the (Call-Off) Contract and Applicants shall also be deemed to have obtained for itself all necessary information as to risks, contingencies and any other

circumstances which might reasonably influence or affect its Bid.

- 4.10.5 The Applicant is responsible for all costs, expenses and liabilities incurred by the Applicant in connection with preparing its Bid.

4.11 Consortia and Sub-contracting

- 4.11.1 Where an Applicant wishes to make its application as a Consortium or utilising sub-contractors the Authority advises the group of organisations to select a Lead Applicant in whose name the Bid is to be submitted.
- 4.11.2 The Lead Applicant is advised to confirm precisely what the arrangements are within its Bid including providing the names of all of the organisations to be involved, the nature and extent of their involvement and proposals regarding the structure and management of the Consortium or arrangements. Such details should be provided within the Selection Questionnaire where appropriate and should enable the Authority to assess the overall Consortium or core supply base. All members of the consortium are required to provide the information required in all sections of the Selection Questionnaire.
- 4.11.3 The Lead Applicant should provide details of the actual or proposed percentage shareholding of the constituent members within the Consortium or the exact nature of and degree to which the Supplies/Services or Works will be sub-contracted.
- 4.11.4 Applicants that wish to bid as a Consortium or sub-contractor are discouraged from also making their own individual application or from participating in Consortia or providing sub-contracting arrangements for multiple Lead Applicants.
- 4.11.5 The Authority recognises that arrangements in relation to Consortia and sub-contracting may (within limits) be subject to future change. Applicants should therefore respond to this opportunity in the light of the arrangements as they are currently envisaged. Applicants are informed that any future change in relation to Consortia and sub-contracting must be notified to the Authority during the procurement process or in the event that they are the successful Contractor and, in any event, as soon as that change is known.
- 4.11.6 The Authority may then make a further evaluation of that Applicant or Contractor by applying the Selection criteria to the new information provided. In the event that the Authority's evaluation of the new information results in an outcome that is different from the original, the Authority reserves the right to deselect that Applicant from the process on those grounds and the Applicant shall be notified accordingly. As such, the Lead Applicant shall undertake to ensure that any change to its Consortium or sub-contractors shall not have a negative impact upon the arrangements.
- 4.11.7 If a Consortium is not proposing to form a corporate entity, full details of alternative proposed arrangements should be provided. Where the proposed Lead Applicant is a special purpose vehicle or holding company, information should be provided regarding the extent to which it will call upon the resources and expertise of its members.
- 4.11.8 Please note that the Authority reserves the right to require a successful Consortium to form a single legal entity in accordance with Reg. 19 of the Public Contracts Regulations 2015.
- 4.11.9 Where an Applicant requires additional time in the procurement process to establish relationships with suitable consortia partners it is advised to notify the Authority at the earliest convenience and request an extension to the procurement timescales. Applicants may do this through the messaging facility described at the clarification section.

4.12 Ownership

- 4.12.1 The procurement documentation and all copies thereof are and shall remain the property of the Authority and save for the purposes of the Bid, must not be copied or reproduced in whole or in part and must be returned to the Authority upon demand.

4.13 Discrepancies, Omissions and Enquiries concerning the Documents

- 4.13.3 The Authority reserves the right to extend any date of submission accordingly.

4.14 Terms and Conditions

- 4.14.1 The applicable terms and conditions accompany this Quotation. Applicants will be required to declare that they have read and understood and will comply with said clauses as part of the submission process.
- 4.14.2 Any queries regarding the terms and conditions, including an Applicant's request to suggest alternative drafting on some or all of the clauses contained therein, may be raised during the clarification period and in accordance with the Clarification Process. The Authority requests that Applicants' comments, queries and/or suggestions are clear and precise, otherwise they may be rejected.
- 4.14.3 Where the Authority is in agreement with any changes to the terms and conditions proposed during that period it will update and republish the relevant documentation and all Applicants will be notified accordingly. The Authority reserves the right to extend the submission deadline date in order to allow Applicants sufficient time to take these changes into account. Where the Authority is not in agreement with any changes those proposals shall have been judged to have been rejected and the Authority shall provide an explanation to the Applicants as to the reason/s why it has been judged so.
- 4.14.4 When the period for clarification has closed Applicants shall no longer be allowed to raise any further queries regarding the terms and conditions and the Applicant shall not be permitted to reserve their right to comment or negotiate upon the terms and conditions at any point thereafter.
- 4.14.5 Applicants are required to agree to the terms and conditions associated with this procurement opportunity as part of the submission process and the Authority reserves its right to class any Bid submitted to the contrary as non-compliant. All such Applicants shall be judged to have failed with their submitted Bids, shall be evaluated no further and notified accordingly.
- 4.14.6 The Contractor(s) shall accept the terms and conditions as they are drafted in the final Contract. No further negotiation shall take place nor changes allowed. Where a Contractor disputes this position the Authority reserves the right to withdraw the Contract award and class the submission as non-compliant.

4.15 Clarification and Circular Advices

- 4.15.1 Upon commencement of the procurement process the Applicant shall not approach any member of the Authority in relation to the opportunity, other than by using the agreed contact email.
- 4.15.2 Applicants should note that unless your question is innovation based, responses will be provided to all Applicants. Where a question is of a commercially confidential nature and the Applicant does not wish it or the associated answer to be shared with other Applicants, the Applicant shall state this clearly within its question. The identity of Applicants raising any questions will remain confidential.
- 4.15.3 Relevant questions together with the answers will be posted on Contracts Finder and it will be the requirement for the Applicant to check any updates.
- 4.15.4 When Applicants first access the procurement documentation they should satisfy themselves that they have seen any messages posted. It is in the Applicant's interest to visit the messages area regularly as clarifications may fundamentally affect their planned response.
- 4.15.5 If during the period the Authority or Awarding Authority, in the case of a Framework Agreement, issues any circular letters to Applicants in order to clarify or alter part of the documents then such circular letters shall form part of the (Call-Off) Contract and Applicants shall be deemed to have taken account of them in preparing their Bid. Applicants shall promptly acknowledge any circular letters that they receive.

4.16 Completion of the Document

- 4.16.1 For the avoidance of doubt all of the sections included within Volume Two (2) Applicant's Offer, Price Schedule must be completed and submitted by the Applicant in order to be considered by the Authority as a fully complete and official Bid.
- 4.16.2 Any Bids made omitting any of the sections, or any of the requirements therein, will be considered as incomplete and may be disqualified from further evaluation and therefore exclusion from the procurement process.
- 4.16.3 Documents should only be completed and submitted in the format in which they currently appear. It is essential that Applicants do not re-format or re-brand any of the procurement documentation in accordance with their own standards on formatting. An example of this is if the documents are issued in Microsoft Word format, the Authority requires them to be returned in the same format.
- 4.16.4 Applicants will answer all appropriate questions and sign (if possible) where specified. Applicants will clearly reference its replies and any supporting documentation.
- 4.16.5 Any pro-formas must be fully completed even if your organisation has previously submitted Bids to the Authority. It is not sufficient to cross-refer to previous responses.
- 4.16.6 Where an Applicant requires assistance in completing the documents or meeting the submission requirements it is advised to notify the Authority at the earliest convenience and request additional support, to include meeting with the Authority Authorised Representative.

4.17 Applicant Site Visits

- 4.17.1 The Applicant may visit the sites prior to completing its offer to ensure that it is fully familiar with the site locations, where relevant. The information in the attached schedules is given as an indication of the general requirements of the Contract. Claims on the grounds of lack of knowledge of site locations/conditions will not be accepted by the Authority.

4.18 Alternatives and Variations

- 4.18.1 Innovative offers may be made in addition to making a full and complete Bid unless otherwise stated. The submission of an alternative or variant Bid will not be considered if the Applicant fails to make a compliant Bid in the prescribed format.
