- Radioactive, tox c, explosive or other hazardous properties of an explosive nuclear dev ce,
- Natural disaster,
- Fire and explosion,
- Impact by aircraft or other aerial dev ce or thing dropped from them.

Z3 Disallowed Costs

Add the following in second bullet of 11.2 (18) add:

(including compensation events with the Subcontractor, i.e. payment for work that should not have been undertaken). Add the following addit onal bullets after 'and the cost of ':

- Mistakes or delays caused by the Consultant's failure to follow standards in Scopes/qual ty plans
- Reorganisation of the Consultant's project team
- · Add t onal costs or delays incurred due to Consultant's failure to comply wth published and known guidance or document formats
- Exceeding the Scope w thout prior instruction that leads to abortive cost
- Re-working of documents due to inadequate QA pr or to submission, i.e. grammat cal, factual arithmetical or design
- · Product on or preparation of self-promot onal material
- Excessive charges for project management time on a commiss on for secondments or full time appointments (greater than 5% of commiss on value)
- Any hours exceeding 8 per day unless with prior written agreement of the Service Manager
- Any hours for travel beyond the locat on of the nearest consultant office to the project unless previously agreed with the Service Manager
- · Attendance of additional individuals to meetings/ workshops etc who have not been previously invited by the Service Manager
- · Costs associated with the attendance at add t onal meetings after programmed Completion, if delay is due to Consultant performance
- Costs associated with rectif cations that are due to *Consultant* error or omission
- · Costs associated with the identif cation of opportunities to improve our processes and procedures for project delivery through the Consultant's involvement
- Was incurred due to a breach of safety requirements, or due add tional work to comply wth safety requirements
- Was incurred as a result of the Client issuing a Yellow or Red Card to prepare a Performance Improvement Plan
- Was incurred as a resulting of rectifying a non-compliance with the Framework Agreement and/or any call off contracts following an audit

Z4 Share on termination

Delete existing clause 93.3 and 93.4 and replace with:

93.3 In the event of termination in respect of a contract relating to services there is no Consultant's share'

Z6 The Schedule of Cost Components

The Schedule of Cost Components are as detailed in the Framework Schedule 9.

Z7 Consultant's share

54.1 The Service Manager assess the Consultant's share of the difference between the Aggregated Total of the Pr ces and the Aggregated Pr ce for Serv ce Provided to Date.

The difference is divided into increments falling within each of the share ranges. The limits of a share range are the Aggregated Price for Service Prov ded to Date div ded by the Aggregated Total of the Prices, expressed as a percentage. The Consultant's share equals the sum of the products of the increment within each share range and the corresponding Consultant's share percentage.

54.2 If the Aggregated Pr ce for Serv ce Provided to Date is less than the Aggregated Total of the Prices, the Consultant is paid its share of the saving. If the Aggregated Pr ce for Serv ce Provided to Date is greater than the Aggregated Total of the Pr ces, the *Consultant* pays its share of the excess.

54.2A If, prior to Completion of the whole of the service, the Price for Service Done to Date exceeds 111% of the total of the Prices, the amount in excess of 111% of the total of the Prices is retained from the Consultant.

54.3 If, prior to the Complet on Date, the Price for Service Prov ded to Date exceeds 110% of the total of the Prices, the amount in excess of 110% of the total of the Prices is retained from the *Consultant*.

54.4 The Service Manager makes a preliminary assessment of the Consultant's share at Completion of the Whole of the serv ce using forecasts of the final Aggregated Price for Service Prov ded to Date and the final Aggregated Total of Prices. This share is included in the amount due following Complet on of the whole of the serv ces.

54.5 The Service Manager makes a final assessment of the Consultant's share, using the final Aggregated Price for Service Provided to Date and the final Aggregated Total of the Prices. This share is included in the final amount due.

93.3 If there is a termination except if Z4 applies, the Service Manager assesses the Consultant's share after certifying termination. The assessment uses as the Aggregated Price for Service Provided to Date the sum of

- · the total of
- the Defined Cost which the Consultant has pad and
- which t is committed to pay for work done before terminat on and
- the total of
- the Defined Cost which the Consultant or Contractor has paid and
- which t is committed to pay

in the partner contract before the date the terminat on certificate is issued under this contract.

The assessment uses as the Aggregated Total of the Prices the sum of

- · the total of
- the lump sum price for each activity which has been completed and
- a proportion of the lump sum price for each incomplete activity which is the proportion of the work in the activity which has been completed
 and
- the total of
- the lump sum price for each activity which has been completed and
- a proportion of the lump sum price for each incomplete activity which is the proportion of the work in the activity which has been completed.
 Add:

11.2(25) The Aggregated Total of the Pr ces is sum of

- . the total of the Prices and
- the total of the Prices in the partner contract

11.2(26) The Aggregated Price for Service Provided to Date is the sum of

- the Price for Service Provided to Date and
- ullet the Pr ce for Serv ce Provided to Date or the Price for Work Done to Date in the partner contract.

Z23 Linked contracts

Issues requiring redesign or rework on this contract due to a fault or error of the *Consultant* will ne ther be an allowable cost under this contract or any subsequent contract, nor will t be a Compensation event under this contract or any subsequent contract under this project or programme.

Z24 Requirement for Invoice

Add the following sentence to the end of clause 51.1:

The Party to which payment is due submits an invoice to the other Party for the amount to be paid within one week of the Service Manager's certificate.

Delete existing clause 51.2 and replace wth:

51.2 Each certified payment is made by the later of

- one week after the paying Party receives an invoice from the other Party and
- three weeks after the assessment date, or, if a different period is stated in the Contract Data, within the period stated. If a certified payment is late, or if a payment is late because the Service Manager has not issued a certificate which should be issued, interest is paid on the late payment. Interest is assessed from the date by which the late payment should have been made until the date when the late payment is made, and is included in the first assessment after the late payment is made.

Z25 Risks and insurance

The Consultant is required to submit insurances annually as Clause Z4 of the Framework Agreement

Z 29 Payment for Service Provided to Date

Delete existing clause 11.2 (21) and replace with:

"11.2 (21) The Pr ce for Service Provided to Date is the total Defined Cost which the Service Manager forecasts will have been paid by the Consultant before the next assessment date plus the Fee. The Price for Service Provided to Date shall not exceed the forecast for the same as provided under clause 20.5"

Z111 PSC - Fee adjustment for non compliance with Scope

Delete existing 11.2 (8) and replace with the following clause

The Fee is the amount calculated by applying the fee percentage to the amount of the Defined Cost excluding the cost of Subcontractors that have not complied w th procurement by best value processes as defined in the Scope. 80% of the fee percentage is applied to the amount of the Defined Cost for Subcontractors that have not complied w th procurement by best value processes as defined in the Scope.

Z120 PSC - Carbon reduction

is the performance table unless later changed in accordance with the contract. In Clause 15.1 add as a new bullet between the second and third bullet: "• result in a target in the Performance Table not being met. Delete Clause 42.2 and replace with: If the Consultant and the Service Manager are prepared to consider the change, the Consultant submits a quotation to the Service Manager for acceptance including any combination of: •reduced Prices •an earlier Completion Date •3 revised programme •changes to the Performance Table If the quotation is accepted, the Service Manager changes the Scope, the Prices, the Completion Date and the Performance Table accordingly and accepts the revised programme. Performance Measurements 77 Add as Clause 57: From the starting date until the Completion Date, the Consultant reports to the Service Manager its performance against the targets in the Performance Table. Reports are provided at the intervals stated in the Performance Table is not achieving or is forecast not to achieve the performance target stated, it submits to the Service Manager for acceptance is proposals for improving performance A reason for not accepting the proposals is that they will not prov de the improvement in performance needed to achieve the target in the Performance Table. A the dates stated in the Performance Table, • if the relevant performance does not meet the target stated in the Performance Table, • if the relevant performance does not meet the target stated in the Performance Table, • if the relevant performance exceeds or meets the target stated in the	Carbon reduction	
Definitions (36) The Performance Table states the targets the Consultant is to achieve in Providing the Service and sets out the adjustment to payment if a measured performance is higher, the same or lower than its target. The Performance Table is the performance table unless later changed in accordance with the contract. In Clause 15.1 add as a new bullet between the second and third bullet: *• result in a target in the Performance Table not being met. Delete Clause 42.2 and replace with: If the Consultant and the Service Manager are prepared to consider the change, the Consultant submits a quotation to the Service Manager for acceptance including any combination of: **reduced Prices** **an earlier Completion Date** **a revised programme** **changes to the Performance Table** If the quotation is accepted, the Service Manager changes the Scope, the Prices, the Completion Date and the Performance Table accordingly and accepts the revised programme. Performance Measurements Add as Clause 57: From the starting date until the Completion Date, the Consultant reports to the Service Manager its performance against the targets in the Performance Table. From the starting date until the Completion Date, the Consultant reports to the Service Manager its performance against the targets in the Performance Table. The Consultant's performance against a target in the Performance Table is not achieve the performance table, its submits to the Service Manager for acceptance ts proposals for improving performance A reason for not accepting the proposals is that they will not provide the improvement in performance needed to achieve the target in the Performance Table.
