TENDER QUERIES

<u>REF</u>	<u>DATE</u>	<u>QUESTION</u>	<u>ANSWER</u>
1	26/06/2017	Re Drainage surveys for this, what is the client expecting here?	Please refer to item 2.4 - The survey is to be limited to the visual elements only (i.e. connections to above ground drainage, rainwater gullies, manhole covers etc.) and a CCTV survey of the below ground systems is not required.
2	27/06/2017	How many firms have been asked to price for this?	This an open tender process and a select list has not been drafted.
3	29/06/2017	Can you please advise the level of PI cover required.	The level of cover required is £2m for any one claim.
