Dear

This Agreement is made on 18th December 2020

I am writing about the agreement made on 15th October 2020 between the Department for Transport ("**the Employer**") and Deloitte LLP ("**the Supplier**") regarding the above work package order.

I can confirm that the agreement has now been extended in time and value in order to continue to provide periodic Risk Screening and Risk Monitoring reports. This extension in duration is in accordance with the same terms and conditions as specified in the original agreement of 15th October 2020. The scope of the additional services are as set out in Deloitte's proposal - Operator Screening & Monitoring Service, dated 5th November 2020.

The date for completion of the agreement is extended until 17th November 2021 and the cost of the on-going Risk Screening and Risk Monitoring is £31,500, excluding VAT.

The variation to the current contract will be an extension in time only and the Supplier's services under this Work Package Order will continue to be charged on a Time and Material Option E as governed by the NEC 4 Professional Services Contract.

Please acknowledge receipt and acceptance of this letter by signing and returning a copy to me. Please contact email: to discuss detailed arrangements for the continuation of this work package.
